This Equipment Sale Agreement (hereinafter "Agreement") is entered into on the \_\_\_\_ day of \_\_\_\_\_, 2018, by and between the **BYD Motors Inc.** (hereinafter "BYD") and Broward County named above (hereinafter "Buyer").

1. **EQUIPMENT.** BYD agrees to sell to Buyer and Buyer agrees to buy from BYD the equipment described in Schedule A, together with any attachments or accessories (hereinafter "Equipment").

Except as specifically modified in a written amendment to this Agreement signed by both parties, all of the terms and conditions of this Agreement shall govern the rights and obligations of Buyer and BYD with respect to the Equipment described in Schedule A. Whenever reference is made herein to "this Agreement" or "the Agreement" it shall be deemed to include all written amendments now or hereafter executed under this Agreement.

2. **PURCHASE ORDER.** Buyer shall pay BYD the deposit fee, payment, and, as applicable, all other fees and expenses pursuant to Schedule B. BYD shall deliver the Equipment to Buyer

and, as applicable, perform services in accordance with Schedule B, provided that Buyer has met the terms and conditions in this Agreement.

3. TERM. This Agreement term shall commence upon the full execution of this Agreement, and shall continue until the valid exercise of an applicable termination provision provided for within this Agreement.

4. FEES AND TAXES. Buyer is tax exempt and does not pay federal excise or sales taxes on direct purchases of tangible personal property.

5. MAINTENANCE TRAINING. BYD may certify Buyer's designated maintenance vendor to perform warranty and non-warranty repairs to keep Equipment in compliance with BYD warranty, upon Buyer's written request and in accordance with Schedule E ("Recommended Training"), an estimate of which will be provided to Buyer prior to the performance of certification services.

6. EQUIPMENT WARRANTY. The Equipment is subject to the standard manufacturer's new vehicle warranties set forth in Schedule C ("Warranty").

7. EXCESSIVE WEAR AND USE. Under circumstances where Buyer is seeking repairs or repairs pursuant to the Warranty from BYD, Buyer agrees to pay BYD the costs of all repairs to the Equipment that are not covered by the Warranty, whether or not BYD actually repairs the Equipment. Repairs excluded from Warranty includes, but is not limited to:

- a) Inoperative electrical or mechanical parts that are not covered in the Warranty;
- b) Dented, scratched, chipped, pitted, broken or mismatched body parts, paint, vehicle identification items, trim or grill work;
- c) Non-functioning, scratched, cracked, pitted or broken glass or lights;
- d) Missing equipment, parts, accessories or adornments;
- e) Torn, damaged, burned, or stained interior;
- f) Repair of any damage that makes the Equipment unlawful or unsafe to drive;
- g) Damage due to installation or removal of non-manufacturer, after-market or replacement parts;
- h) Damage (including damage to the motor and battery) due to failure to use or maintain the Vehicle in accordance with the owner's manual; or
- i) Tires that are not all of the same grade, quantity or quality as those delivered with the Vehicle.

8. LOSS AND DAMAGE. Upon delivery and acceptance of the Equipment, Buyer assumes the risk of loss, including theft or destruction, and the risk of damage to the Equipment, from any and every cause whatsoever, whether or not such loss is covered by insurance. Loss or damage to the Equipment, or any part thereof, shall not relieve Buyer of any obligation under this Agreement. If any item of Equipment is damaged or destroyed in an accident or other occurrence or confiscated by any governmental authority or subjected to any tax lien or is stolen, abandoned or subjected to

undue peril; and, Buyer has undue payment obligations on the Equipment to BYD; then, Buyer will notify BYD in writing within ten (10) days of such occurrence or condition.

9. DEFAULT; BYD'S REMEDIES. Time is of the essence in this Agreement, and BYD may declare this Agreement to be in default and terminated upon the occurrence of (a) Buyer's failure to pay when due the full amount of any payment required hereunder; or (b) the making of any false or misleading statement by Buyer prior to or in connection with this Agreement.

Upon Buyer's default, Buyer shall be liable for, and shall pay BYD upon demand, the sum of the following: (1) any payments or other amounts due and owing as of the date of default; plus (2) any and all commissions, fees or other amounts paid by BYD to remedy BYD's liabilities created as a consequence of Buyer's default (collectively, the "Default Liability"); plus (3) BYD retains any Deposit monies paid.

10. ENTIRE AGREEMENT; WAIVER. This Agreement and the Schedule(s) referred to herein constitute the entire agreement of the parties hereto. No waiver or modification of this Agreement or any Schedule shall be effective unless in writing and signed by both parties. No waiver by BYD of any obligation of Buyer under this Agreement shall be deemed a waiver of BYD's right to subsequent or other full and timely performance.

11. BINDING ON SUCCESSORS AND PERMITTED ASSIGNS. This Agreement shall be binding upon and inure to the benefit of any successors and permitted assigns of the parties hereto.

12. NOTICES. All notices and payments shall be mailed to the respective parties at the addresses set forth above, or such other address as a party may provide to the other party in writing.

13. GOVERNING LAW; JURISDICTION. This Agreement shall be deemed to have been made in the State of Florida, and shall be interpreted, and the rights and liabilities of the parties determined, by the laws and courts of that State, to the exclusion of the courts of any other state or country; provided, however that BYD shall have the right, but not the obligation, to litigate in any state or country in which Buyer, the Equipment, or any of Buyer's or any guarantor's assets are located.

14. BUYER WAIVES ANY AND ALL RIGHT TO A JURY TRIAL REGARDING ANY DISPUTE ARISING HEREUNDER.

15. HEADINGS. Headings at the beginning of each section are solely for the convenience of the parties and shall not be considered when interpreting this Agreement.

16. SEVERABILITY. If any of the provisions of this Agreement are prohibited by or held invalid under applicable laws or regulations of any jurisdiction in which this Agreement is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions.

17. OTHER TERMS. Waiver. BYD may waive or delay enforcement of BYD's rights under this Agreement without affecting BYD's rights on future defaults. Joint Liability. If more than one Buyer signs this Agreement, each Buyer shall be jointly and severally liable for all obligations under this Agreement.

18. ARBITRATION CLAUSE

PLEASE REVIEW – IMPORTANT – AFFECTS BUYER’S LEGAL RIGHTS

NOTICE: The parties agree that any dispute between them shall be decided by binding arbitration and not in a court or by jury trial. When a dispute is arbitrated, Buyer will give up Buyer’s right to participate as a class representative or class member on any class claim Buyer may have against BYD including any right to class arbitration or any consolidation of individual arbitrations. Discovery and rights to appeal in arbitration are generally more limited than in a lawsuit, and other rights BYD and Buyer would have in court may not be available in arbitration.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this clause, and the arbitrability of the claim or dispute), between Buyer and BYD or BYD’s employees, agents, successors or assigns, which arise out of or relate to Buyer’s credit application, lease, purchase or condition of the Equipment, this Agreement or any resulting transaction or relationship (including any such relationship with third parties who do not sign this Agreement) shall be resolved by neutral, binding arbitration and not by a court action. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action or other mass action. Buyer expressly waives any right Buyer may have to arbitrate a class action. Any such proceeding shall be adjudicated by a single arbitrator in accordance with the applicable rules of JAMS - ENDISPUTE or any organization that Buyer may choose subject to BYD’s approval. Buyer may get a copy of the rules of these organizations by contacting the arbitration organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law in making an award. The arbitration hearing shall be conducted in Broward County, Florida. Any award or dispositive order of the arbitrator may be entered as a judgment in any court having jurisdiction. Buyer and BYD agree that either BYD or Buyer may, without objection, request an expedited hearing under the applicable rules.

**PART A: GENERAL CONDITIONS – APPLICABLE TO ALL CONTRACTS****1. NO FEDERAL GOVERNMENT OBLIGATION TO THIRD PARTIES.**

- a) COUNTY and CONTRACTOR acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to COUNTY, CONTRACTOR, or any other party (whether or not a party to that Contract) pertaining to any matter resulting from the underlying Contract.
- b) CONTRACTOR agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the Subcontractor who will be subject to its provisions.

**2. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS.**

- a) CONTRACTOR acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying Contract, CONTRACTOR certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Contract or the FTA-assisted project for which this Contract work is being performed. In addition to other penalties that may be applicable, CONTRACTOR further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on CONTRACTOR to the extent the Federal Government deems appropriate.
- b) CONTRACTOR also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a Contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on CONTRACTOR, to the extent the Federal Government deems appropriate.
- c) CONTRACTOR agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the Subcontractor who will be subject to the provisions.

**3. FEDERAL CHANGES.**

CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures, and directives, including without limitation those listed directly or by reference in the Master Agreement between COUNTY and the FTA, as they may be amended or promulgated from time to time during the term of this Contract. CONTRACTOR's failure to so comply shall constitute a material breach of this Contract. CONTRACTOR agrees to include this language in each Subcontract financed in whole or in part with Federal assistance provided by FTA.

**4. INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS.**

The provisions contained in this FTA/USDOT Funding Supplement include, in part, standard terms and conditions required by the U.S. Department of Transportation (USDOT), whether or not expressly set forth in the Contract provisions. All contractual provisions required by USDOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008, and as may be amended, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any Broward County requests which would cause the COUNTY to be in violation of the FTA terms and conditions. CONTRACTOR agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA.

**5. ACCESS TO RECORDS AND REPORTS**

- a) CONTRACTOR agrees to provide COUNTY, the FTA Administrator, the Comptroller General of the United States, or any of their authorized representatives, access to any books, documents, papers, and records of CONTRACTOR which are directly pertinent to this Contract for the purposes of making audits, examinations, excerpts, and transcriptions. CONTRACTOR also agrees, pursuant to 49 C.F.R. 633.17, to provide the FTA Administrator or his authorized representatives including any Project Management Oversight ("PMO") CONTRACTOR access to CONTRACTOR's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.
- b) In the event that COUNTY, which is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 U.S.C. 5325(a), enters into a Contract for a capital project or improvement (defined at 49 U.S.C. 5302(a)1) through other than competitive bidding, CONTRACTOR shall make available records related to the Contract to COUNTY, the Secretary of Transportation and the Comptroller General or any authorized officer, agent, or employee of any of them for the purposes of conducting an audit and inspection.
- c) CONTRACTOR agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

- d) CONTRACTOR agrees to maintain all books, records, accounts and reports required under this Contract for a period of not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case CONTRACTOR agrees to maintain same until COUNTY, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

Parts 60 et seq. (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, CONTRACTOR agrees to comply with any implementing requirements FTA may issue.
- (2) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § § 623 and Federal transit law at 49 U.S.C. § 5332, CONTRACTOR agrees to refrain from discrimination against present and prospective employees for reason of age. In addition,

CONTRACTOR agrees to comply with any implementing requirements FTA may issue.

(3) Disabilities - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, CONTRACTOR agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, CONTRACTOR agrees to comply with any implementing requirements FTA may issue.

(4) Equal Employment Opportunity Requirements for Construction Activities: In addition to the foregoing, when undertaking "construction" as recognized by the U.S. Department of Labor (U.S. DOL), the Contractor agrees to comply, and assures the compliance of each subcontractor, with:

(a) U.S. DOL regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq.,

(b) Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order No. 11246 Relating to Equal Employment Opportunity."

c) CONTRACTOR also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

## **7. DISADVANTAGED BUSINESS ENTERPRISE (DBE)**

a) This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation (DOT) Financial Assistance Programs.

b) The CONTRACTOR agrees that it shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The CONTRACTOR shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the CONTRACTOR to carry out these requirements is a material breach of Contract, which may result in the termination of the Contract or such other remedy as COUNTY may deem appropriate. Each subcontract the CONTRACTOR signs with a Subcontractor must include the assurance in this paragraph.

c) The Disadvantaged Business Enterprise (DBE) regulation (49 CFR Part 26) establishes requirements for setting an overall goal for DBE participation in federally-funded contracts. This rule requires recipients of federal funds to use a

methodology based on demonstrable data of relevant market conditions and is designed to reach a goal COUNTY would expect DBEs to achieve in the absence of discrimination.

- d) Since this project is funded in part using federal funds, it is the policy of the Broward County Office of Economic and Small Business Development to ensure that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, are afforded maximum opportunity to receive and participate as Subcontractors and suppliers on all Contracts awarded by COUNTY; therefore, good-faith efforts must be made to provide DBEs an opportunity to participate in the project in accordance with the DBE Program Plan.
- e) COUNTY fully supports the Federal government's Disadvantaged Business Enterprises Program.
  - i. The overall goal setting provisions of 49 CFR Part 26 require that the COUNTY, as a recipient of federal funds, set overall goals based on demonstrable evidence of the relative availability of ready, willing and able DBEs in the areas from which the COUNTY obtains contractors. In this regard, the COUNTY has established DBE participation goals, and said goals have been established based primarily on the availability of certified DBE firms that are ready, willing, and able to participate in the project.

The Office of Economic and Small Business Development will review all forms to determine bidders'/proposers' responsibility:

1. Letter of Intent to Utilize a DBE Subcontractor/Subconsultant – Exhibit 1.
2. DBE Good Faith Effort Evaluation Report, only required if goals were not met – Exhibit 2.

These forms are included herein as Exhibits 1 and 2. **All forms may be downloaded from the Small Business Development Division website.**  
<http://www.broward.org/ECONDEV/SMALLBUSINESS/Pages/compliance.aspx>

**IF DBE PARTICIPATION HAS BEEN TARGETED THROUGH RACE-NEUTRAL MEANS (NO DBE NUMERICAL PARTICIPATION GOAL), EACH BIDDER/RESPONDER IS STRONGLY ENCOURAGED TO SUBMIT THE FORMS SET FORTH ABOVE PRIOR TO AWARD OF YOUR BID, OFFER, OR PROPOSAL.**

**Letter of Intent (Exhibit 1):** Letter of Intent must be executed by the Bidder and countersigned by all DBE Subcontractors.

Each DBE listed on the Letter of Intent must be certified prior to bid opening as DBE in order to be eligible for award.

For further information regarding DBE submittals, contact the Office of Economic and Small Business Development Division at (954) 357-6400.

**Application for Evaluation of Good Faith Effort (Exhibit 2):** Bidder that submits an **Application for Evaluation of Good Faith Effort**, Exhibit 2, must be able to demonstrate through proper documentation its reasonable good-faith efforts to meet the goal, if Bidder wishes to remain eligible for award.

Reasonable efforts as determined by the Office of Economic and Small Business Development to meet the DBE Participation goals may include, but are not limited to:

- Attendance at any scheduled pre-bid meeting concerning DBE participation.
- Timely advertisement in general circulation media, trade association publications, and minority-focus media.
- Timely notification of minority business or CONTRACTOR groups and associations of solicitation for specific sub-bids.
- Proof of written solicitations to DBE firms.
- Efforts to select portions of the work proposed to be performed by DBE in order to increase the likelihood of achieving the stated goal.
- Efforts to provide DBEs that need assistance in obtaining bonding or insurance required by the Bidder or COUNTY.
- A report submitted by the Bidder to the Small Business Development Division prior to award explaining the Bidder's efforts to obtain DBE participation. The report shall include the following:
  - A detailed statement of the timely efforts made to negotiate with DBEs including, at a minimum, the names, addresses and telephone numbers of DBEs who were invited to bid or otherwise contacted;
  - A description of the information provided to DBE regarding the plans and specifications for portions of the work to be performed; and a detailed statement of the reasons why additional Contracts with DBE, if needed to meet the stated goal, were not reached.
  - A detailed statement of the efforts made to select portions of the work proposed to be performed by DBE in order to increase the likelihood of achieving the stated goal.
  - As to each DBE that bids on a subcontract but declared "unqualified" by the Bidder, a detailed statement of the reasons for the Bidder's conclusion.
  - As to each DBE invited to bid, but the Bidder considers to be unavailable because of a lack of bid response or submission of a bid which was not the low responsible bid, an Unavailability of DBE Certificate signed by the Bidder.

For the purposes of goal achievement, the COUNTY requires the successful Bidder to use firms certified as DBEs in accordance with Federal Guidelines.

The Florida Department of Transportation (FDOT) maintains a directory of certified DBE firms that are eligible to participate on DBE contracts within the state of Florida.

A listing of these DBEs can be viewed at the following Unified Certification Program (UCP) Website:

<http://www3b.dot.state.fl.us/equalopportunityofficebusinessdirectory/>

**IF DBE PARTICIPATION HAS BEEN TARGETED THROUGH RACE-NEUTRAL MEANS, THE FORMS SET FORTH ABOVE NEED NOT BE SUBMITTED.**

For purposes of this section, the term, "DBE Race-Neutral Participation," means the Office of Economic and Small Business Development Division (OESBD) has determined that because federal funds are available for this project, DBE participation has been targeted through the use of RACE-NEUTRAL means. Race-Neutral does not mean that no efforts are made to facilitate DBE participation. Race-Neutral DBE participation occurs when a DBE wins a contract or subcontract that was not assigned numerical DBE goals, or when the DBE status was not considered in making the award. Some examples of Race-Neutral means can be found in 49 CFR 26.51.

Although there are no numerical goals assigned to DBE race-neutral participation projects, bidders/responders are highly encouraged to utilize the services of DBE-certified firms as much as possible.

- f) CONTRACTOR agrees that throughout the term of this Contract, the services as provided by the firms listed on **Exhibit 1 (Letter of Intent)** shall remain at least at the percentage levels set forth therein.
- g) CONTRACTOR shall pay its Subcontractors and suppliers within ten (10) days for a construction Contract or within thirty (30) days for a non-construction Contract following receipt of payment from the COUNTY for such subcontracted work or supplies. CONTRACTOR agrees that if it withholds an amount as retainage from its Subcontractors or suppliers, that it will release such retainage and pay same within ten (10) days for a construction Contract or within thirty (30) days for a non-construction Contract following receipt of payment of retained amounts from COUNTY, or within ten (10) days for a construction Contract or within thirty (30) days for a non-construction Contract after the Subcontractor has satisfactorily completed its work, whichever shall first occur.
- h) CONTRACTOR agrees that nonpayment of a Subcontractor or supplier shall be a material breach of this Contract and that COUNTY may, at its option, increase allowable retainage or withhold progress payments unless and until CONTRACTOR demonstrates timely payments of sums due to such Subcontractors or suppliers. CONTRACTOR agrees that the presence of a "pay when paid" provision in a subcontract shall not preclude COUNTY's inquiry into allegations of nonpayment. The foregoing remedies shall not be employed when CONTRACTOR demonstrates that failure to pay results from a bona fide dispute with its Subcontractor or supplier.

- i) CONTRACTOR agrees to complete and submit a monthly report to the Office of Economic and Small Business Development, with copy to the using department project manager, on DBE participation, which should contain a record of payments made to its DBE Subcontractors during the current reporting period. CONTRACTOR shall utilize the form attached as **Exhibit 3 – Monthly DBE Utilization Report**.
- j) CONTRACTOR agrees to complete and submit a Final Monthly DBE Participation Report containing the total amount paid to its DBE Subcontractors. This report must be submitted with the CONTRACTOR's request for final payment and release of retainage, if applicable. CONTRACTOR shall utilize the form attached as **Exhibit 4- Final Monthly DBE Utilization Report**.
- k) CONTRACTOR shall certify to COUNTY the amounts paid to each DBE involved in the project as either a joint venture partner or pursuant to a subcontract with the disadvantaged businesses. All such certifications shall be signed by both CONTRACTOR and DBEs. One of the main purposes of these provisions is to make sure that DBEs actually perform work committed to them at Contract award.
- l) CONTRACTOR agrees that failure to provide appropriate certification as to the payment of DBEs and participants in the Contract, and provide certification in a form acceptable to COUNTY that disadvantaged business participation requirements of the Contract have been met, notwithstanding any other provisions of this Contract, shall be cause for COUNTY to withhold further payments under the Contract until such time as such certification is received and accepted by COUNTY, and shall not entitle CONTRACTOR to terminate the Contract, to cease work to be performed, or to be entitled to any damages or extensions of time, whatsoever, due to such withholding of payment or delay in work associated thereto.
- m) If CONTRACTOR fails to comply with the requirements herein, COUNTY shall have the right to exercise any right or remedy provided in the Contract or under applicable law, with all such rights and remedies being cumulative.
- n) CONTRACTOR shall not terminate a DBE subcontract for convenience and then perform the work with its own forces or its affiliate without the COUNTY's prior written consent. CONTRACTOR shall inform COUNTY immediately when a DBE firm is not able to perform or if CONTRACTOR believes the DBE firm should be replaced for any other reason, so that the Office of Economic and Small Business Development may review and verify the good faith efforts of CONTRACTOR to substitute the DBE firm with another DBE firm. Whenever a DBE firm is terminated for any reason, including cause, CONTRACTOR shall make good faith efforts to find another DBE firm to perform the work required of the original DBE firm.

## **8. CONTRACT COMPLIANCE MONITORING.**

- a) Compliance monitoring is conducted to determine if CONTRACTOR and/or Subcontractors are complying with the requirements of the DBE Program. Failure of the CONTRACTOR to comply with this provision may result in the COUNTY imposing penalties or sanctions pursuant to the provisions of the DBE regulation, 49 CFR Part 26.
- b) Contract compliance will encompass monitoring for Contract dollar achievement and DBE CONTRACTOR utilization. The Office of Economic and Small Business Development staff will have the authority to audit and monitor all Contracts and Contract-related documents related to COUNTY projects. The requirements of the DBE Program are applicable to all CONTRACTORS, general CONTRACTORS, and Subcontractors.
- c) CONTRACTOR shall be responsible for ensuring proper documentation with regard to its utilization and payment of DBE Subcontractors.

#### **9. ENERGY CONSERVATION**

CONTRACTOR agrees to comply with mandatory standards and policies related to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. CONTRACTOR further agrees to include this provision in each subcontract financed in whole or in part with federal assistance provided by FTA.

#### **10. TERMINATION.**

This Contract may be terminated for cause by the aggrieved party if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. This Contract may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in written notice provided by COUNTY, which termination date shall be not less than thirty (30) days after the date of such written notice. This Contract may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances in the event the County Administrator determines that termination is necessary to protect the public health or safety. The parties agree that if COUNTY erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Contract may be terminated for cause for reasons including, but not limited to, CONTRACTOR's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to suitably perform the work; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Contract. This Contract may also be terminated by the Board:

Upon the disqualification of CONTRACTOR as a DBE by COUNTY's Director of the Office of Economic and Small Business Development Division if CONTRACTOR's status as a DBE was a factor in the award of this Agreement and such status was misrepresented by CONTRACTOR;

Upon the disqualification of CONTRACTOR by COUNTY's Director of the Office of Economic and Small Business Development due to fraud, misrepresentation, or material misstatement by CONTRACTOR in the course of obtaining this Contract or attempting to meet the DBE contractual obligations;

Upon the disqualification of one or more of CONTRACTOR's DBE participants by COUNTY's Director of the Office of Economic and Small Business Development if any such participant's status as a DBE firm was a factor in the award of this Contract and such status was misrepresented by CONTRACTOR or such participant;

a. Upon the disqualification of one or more of CONTRACTOR's DBE participants by COUNTY's Director of the Office of Economic and Small Business Development if such DBE participant attempted to meet its DBE contractual obligations through fraud, misrepresentation, or material misstatement; or

b. If CONTRACTOR is determined by COUNTY's Director the Office of Economic and Small Business Development to have been knowingly involved in any fraud, misrepresentation, or material misstatement concerning the DBE status of its disqualified DBE participant.

Notice of termination shall be provided in writing except that notice of termination by the County Administrator, which the County Administrator deems necessary to protect the public health, safety, or welfare, may be verbal notice that shall be promptly confirmed in writing.

In the event this Contract is terminated for convenience, CONTRACTOR shall be paid for any services properly performed under the Contract through the termination date specified in the written notice of termination. CONTRACTOR acknowledges and agrees that it has received good, valuable and sufficient consideration from COUNTY, the receipt and adequacy of which are hereby acknowledged by CONTRACTOR, for COUNTY's right to terminate this Agreement for convenience.

**In the event that the underlying Contract contains a termination provision which conflicts with the termination provision above, the termination provisions set forth in the underlying Contract shall prevail over the termination provision set forth in this FTA/USDOT Funding Supplement.**

**PART B: ADDITIONAL REQUIREMENTS – CONDITIONAL****(Please read each qualifying condition carefully.)****11. RECYCLED PRODUCTS**

In connections with any such appeal, the CONTRACTOR shall be afforded an opportunity to be heard and to offer evidence in support of its position.

The decision of the Contract Administrator shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

Performance During Dispute – Unless otherwise directed by COUNTY, CONTRACTOR shall perform under the Contract while matters in dispute are being resolved.

- a) CONTRACTOR agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 USC §7401, et seq. CONTRACTOR agrees to report each violation to Broward County and agrees that COUNTY will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

#### **19. DAVIS-BACON AND COPELAND ANTI-KICKBACK ACTS**

If this purchase order or Contract involves a construction project over \$2,000, the CONTRACTOR agrees to comply with Davis-Bacon and Copeland Act requirements at 40 USC 3141, et seq., and 18 USC 874. The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) and are set forth in 29 CFR 5.5(a). Section 29 CFR 5.5(a) is reproduced in its entirety below:

- a) The Agency head shall cause or require the contracting officer to insert in full in any contract in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or

financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the acts listed in §5.1, the following clauses (or any modifications thereof to meet the particular needs of the agency; *provided*, that such modifications are first approved by the Department of Labor):

**(1) Minimum wages.**

- (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3) ), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any Contractual relationship which may be alleged to exist between the CONTRACTOR and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; *provided*, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the CONTRACTOR and its Subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

- (ii) a) The Contracting Officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the Contract shall be classified in

conformance with the wage determination. The Contracting Officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
- (2) The classification is utilized in the area by the construction industry; and
- (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

b) If the CONTRACTOR and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the Contracting Officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the Contracting Officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within thirty (30) days of receipt and so advise the Contracting Officer or will notify the Contracting Officer within the thirty (30) day period that additional time is necessary.

c) In the event the CONTRACTOR, the laborers or mechanics to be employed in the classification or their representatives, and the Contracting Officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the Contracting Officer shall refer the questions, including the views of all interested parties and the recommendation of the Contracting Officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within thirty (30) days of receipt and so advise the Contracting Officer, or will notify the Contracting Officer within the thirty (30) day period that additional time is necessary.

d) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii)(B) or (C) of this section, shall be paid to all workers performing work in the classification under this Contract from the first day on which work is performed in the classification.

- (iii) Whenever the minimum wage rate prescribed in the Contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the CONTRACTOR shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

- (iv) If the CONTRACTOR does not make payments to a trustee or other third person, the CONTRACTOR may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *provided*, that the Secretary of Labor has found, upon the written request of the CONTRACTOR, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the CONTRACTOR to set aside in a separate account assets for the meeting of obligations under the plan or program.

**(2) Withholding.**

COUNTY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the CONTRACTOR under this Contract or any other Federal Contract with the same prime CONTRACTOR, or any other federally-assisted Contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime CONTRACTOR, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the CONTRACTOR or any Subcontractor the full amount of wages required by the Contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the Contract, Broward County may, after written notice to the CONTRACTOR, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

**(3) Payrolls and basic records.**

- (i) Payrolls and basic records relating thereto shall be maintained by the CONTRACTOR during the course of the work and preserved for a period of three (3) years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the CONTRACTOR shall maintain records which

show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. CONTRACTORS employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

- (ii) a) The CONTRACTOR shall submit weekly for each week in which any Contract work is performed a copy of all payrolls to COUNTY if the agency is a party to the Contract, but if the agency is not such a party, the CONTRACTOR will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the Federal Transit Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime CONTRACTOR is responsible for the submission of copies of payrolls by all Subcontractors. CONTRACTORS and Subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the Federal Transit Administration if the agency is a party to the Contract, but if the agency is not such a party, the CONTRACTOR will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the COUNTY, the CONTRACTOR, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime CONTRACTOR to require a Subcontractor to provide addresses and social security numbers to the prime CONTRACTOR for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).
- b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the CONTRACTOR or Subcontractor or his or her agent who pays or supervises the payment of the persons employed under the Contract and shall certify the following:
  - (1) That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the

appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the Contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the Contract.

c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

d) The falsification of any of the above certifications may subject the CONTRACTOR or Subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The CONTRACTOR or Subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of COUNTY or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the CONTRACTOR or Subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the CONTRACTOR, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### **(4) Apprentices and Trainees--**

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first ninety (90) days of

probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the CONTRACTOR as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a CONTRACTOR is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the CONTRACTOR's or Subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the CONTRACTOR will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- (ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention

fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate, who is not registered and participating in a training plan approved by the Employment and Training Administration, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the CONTRACTOR will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- (iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR part 30.
- (5) **Compliance with Copeland Act requirements.** The CONTRACTOR shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this Contract.
- (6) **Subcontracts.** The CONTRACTOR or Subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for the compliance by any Subcontractors or lower tier Subcontractor with all the Contract clauses in 29 CFR 5.5.
- (7) **Contract termination: debarment.** A breach of the Contract clauses in 29 CFR 5.5 may be grounds for termination of the Contract, and for debarment as a CONTRACTOR and a Subcontractor as provided in 29 CFR 5.12.
- (8) **Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this Contract.
- (9) **Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this Contract shall not be subject to the general disputes clause of this Contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6,

and 7. Disputes within the meaning of this clause include disputes between the CONTRACTOR (or any of its Subcontractors) and the Contracting agency, the U.S. Department of Labor, or the employees or their representatives.

**(10) Certification of eligibility.**

(i) By entering into this Contract, the CONTRACTOR certifies that neither it (nor he or she) nor any person or firm who has an interest in the CONTRACTOR's firm is a person or firm ineligible to be awarded Government Contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this Contract shall be subcontracted to any person or firm ineligible for award of a Government Contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

**20. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**

If this purchase order or Contract involves a construction project in excess of \$100,000 or more, the CONTRACTOR shall comply with the Contract and Work Hours Safety Act, 40 USC 3701 and 29 CFR 5.5 (b) are reproduced below.

As used in the paragraphs below, the terms laborers and mechanics include watchmen and guards.

- a) **Overtime requirements.** No CONTRACTOR or Subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times (1½) the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek.
- b) **Violation;** liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (a) of this section, the CONTRACTOR and any Subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such CONTRACTOR and Subcontractor shall be liable to the United States (in the case of work done under Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (a) of this section, in the sum of ten dollars (\$10.00) for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty

- (40) hours without payment of the overtime wages required by the clause set forth in paragraph (a) of this section.
- c) **Withholding for unpaid wages and liquidated damages.** COUNTY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONTRACTOR or Subcontractor under any such Contract or any other Federal Contract with the same prime CONTRACTOR, or any other federally-assisted Contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime CONTRACTOR, such sums as may be determined to be necessary to satisfy any liabilities of such CONTRACTOR or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b) of this section.
- d) **Subcontracts.** The CONTRACTOR or Subcontractor shall insert in any subcontracts the clauses set forth in paragraph (a) through (d) of this section and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in paragraphs (a) through (d) of this section.

## 21. TRANSIT EMPLOYEE PROTECTIVE CONTRACTS

If this Contract involves transit operations performed by employees of a CONTRACTOR recognized by FTA to be a transit operator:

- a) CONTRACTOR agrees to comply with the applicable transit employee protective requirements, as follows:
- 1) **General Transit Employee Protective Requirements** - To the extent that FTA determines that transit operations are involved, CONTRACTOR agrees to carry out the transit operations work on the underlying Contract in compliance with terms and conditions determined by the U.S. Secretary of Labor to be fair and equitable to protect the interests of employees employed under this Contract and to meet the employee protective requirements of 49 U.S.C. A 5333(b), and U.S. DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto. These terms and conditions are identified in the letter of certification from the U.S. DOL to FTA applicable to the FTA Recipient's project from which Federal assistance is provided to support work on the underlying Contract. CONTRACTOR agrees to carry out that work in compliance with the conditions stated in that U.S. DOL letter. The requirements this subsection 1., however, do not apply to any Contract financed with Federal assistance provided by FTA either for projects for elderly individuals and individuals with disabilities authorized by 49 U.S.C. § 5310(a)(2), or for projects for nonurbanized areas authorized

by 49 U.S.C. § 5311. Alternate provisions for those projects are set forth in subsections 2. and 3. of this clause.

- 2) **Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5310(a)(2) for Elderly Individuals and Individuals with Disabilities** - If the Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5310(a)(2), and if the U.S. Secretary of Transportation has determined or determines in the future that the employee protective requirements of 49 U.S.C. § 5333(b) are necessary or appropriate for the state and the public body subrecipient for which work is performed on the underlying Contract, CONTRACTOR agrees to carry out the Project in compliance with the terms and conditions determined by the U.S. Secretary of Labor to meet the requirements of 49 U.S.C. § 5333(b), U.S. DOL guidelines at 29 C.F.R. Part 215, and any amendments thereto. These terms and conditions are identified in the U.S. DOL's letter of certification to FTA, the date of which is set forth in the Grant Contract or Cooperative Contract with the state. CONTRACTOR agrees to perform transit operations in connection with the underlying Contract in compliance with the conditions stated in that U.S. DOL letter.
  - 3) **Transit Employee Protective Requirements for Projects Authorized by 49 U.S.C. § 5311 in Nonurbanized Areas** - If the Contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 U.S.C. § 5311, CONTRACTOR agrees to comply with the terms and conditions of the Special Warranty for the Nonurbanized Area Program agreed to by the U.S. Secretaries of Transportation and Labor, dated May 31, 1979, and the procedures implemented by U.S. DOL or any revision thereto.
- b) CONTRACTOR also agrees to include any applicable requirements in each subcontract involving transit operations financed in whole or in part with Federal assistance provided by FTA.

## **22. FLY AMERICA**

CONTRACTOR agrees to comply with 49 USC 40118 (the "Fly America" Act) in accordance with the General Services Administration regulations at 41 CFR part 301-10, which provide that recipients and subrecipients of federal funds and their CONTRACTORS are required to use U.S. Flag air carriers for U.S. Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. CONTRACTOR shall submit, if a foreign air carrier is used, an appropriate certification or memorandum adequately explaining why service by a U.S. Flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. CONTRACTOR

agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

### **23. CARGO PREFERENCE**

The Cargo Preference requirements apply to all Contracts and subcontracts involving equipment, materials, or commodities which may be transported by ocean vessels.

Cargo Preference - Use of United States-Flag Vessels - CONTRACTOR agrees:

- a) to use privately-owned United States-Flag commercial vessels to ship at least fifty percent (50%) of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying Contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels;
- b) to furnish within twenty (20) working days following the date of loading for shipments originating within the United States or within thirty (30) working days following the date of leading for shipments originating outside the United States, a legible copy of a rated, "onboard" commercial ocean bill of lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the COUNTY (through CONTRACTOR in the case of a Subcontractor's bill of lading.);
- c) to include these requirements in all subcontracts issued pursuant to this Contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

### **24. DRUG AND ALCOHOL TESTING**

If this Contract involves a safety-sensitive function on behalf of COUNTY, the CONTRACTOR agrees to participate in Broward County Transit Division's drug and alcohol testing program or agrees to establish and implement its own drug and alcohol testing program that complies with 49 CFR Part 655, produce any documentation necessary to establish its compliance with part 655, and permit any authorized representative of the USDOT or its operating administrations, the State Oversight Agency, or COUNTY, to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 CFR Part 655 and review the testing process.

In the event CONTRACTOR subcontracts all or part of the transit service to a third party, a similar requirement including review and approval by the COUNTY's Contract Administrator must be included in any Contract.

CONTRACTOR further agrees to certify, prior to the commencement of services under this Contract or purchase order and annually thereafter, compliance with current FTA regulations, and to submit the Management Information System (MIS) reports before March 15 to the Director, Transit Division (**a model form for certifying compliance, Drug and Alcohol Testing Program Compliance Certification, is attached as Exhibit 8**). To certify annual compliance, CONTRACTOR shall use the "Substance Abuse Certifications" in the "Annual List of Certifications and Assurances for Federal Transit Administration Grants and Cooperative Contracts," which is published annually in the Federal Register.

## **25. PATENT AND RIGHTS IN DATA**

If this Contract involves patent and rights in data requirements for federally-assisted research projects in which FTA finances in whole or in part the development of a product or information, CONTRACTOR agrees to be bound by the terms and conditions specified below.

### **CONTRACTS INVOLVING EXPERIMENTAL, DEVELOPMENTAL, OR RESEARCH WORK.**

- a) **Rights in Data** - The following requirements apply to each Contract involving experimental, developmental or research work:
  - 1) The term "subject data" used in this clause means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. The term includes graphic or pictorial delineation in media such as drawings or photographs; text in specifications or related performance or design-type documents; machine forms such as punched cards, magnetic tape, or computer memory printouts; and information retained in computer memory. Examples include, but are not limited to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to contract administration.
  - 2) The following restrictions apply to all subject data first produced in the performance of the Contract to which this Attachment has been added:
    - A) Except for its own internal use, CONTRACTOR may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the CONTRACTOR authorize others to do so, without the written consent of the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public; this restriction on publication, however, does not apply to any Contract with an academic institution.

- B) In accordance with 49 C.F.R. § 18.34 and 49 C.F.R. § 19.36, the Federal Government reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for "Federal Government purposes," any subject data or copyright described in subsections (2)(b)1 and (2)(b)2 of this clause below. As used in the previous sentence, "for Federal Government purposes," means use only for the direct purposes of the Federal Government. Without the copyright owner's consent, the Federal Government may not extend its Federal license to any other party.
1. Any subject data developed under that Contract, whether or not a copyright has been obtained; and
  2. Any rights of copyright purchased by the COUNTY or CONTRACTOR using Federal assistance in whole or in part provided by FTA.
- C) When FTA awards Federal assistance for experimental, developmental, or research work, it is FTA's general intention to increase transportation knowledge available to the public, rather than to restrict the benefits resulting from the work to participants in that work. Therefore, unless FTA determines otherwise, the COUNTY and CONTRACTOR performing experimental, developmental, or research work required by the underlying Contract to which this Attachment is added agrees to permit FTA to make available to the public, either FTA's license in the copyright to any subject data developed in the course of that Contract, or a copy of the subject data first produced under the Contract for which a copyright has not been obtained. If the experimental, developmental, or research work, which is the subject of the underlying Contract, is not completed for any reason whatsoever, all data developed under that Contract shall become subject data as defined in subsection (a) of this clause and shall be delivered as the Federal Government may direct. This subsection (c), however, does not apply to adaptations of automatic data processing equipment or programs for the COUNTY or CONTRACTOR's use whose costs are financed in whole or in part with Federal assistance provided by FTA for transportation capital projects.
- D) CONTRACTOR agrees to indemnify, save, and hold harmless the Federal Government, its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by CONTRACTOR of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under that Contract. CONTRACTOR

shall not be required to indemnify the Federal Government for any such liability arising out of the wrongful act of any employee, official, or agents of the Federal Government.

- E) Nothing contained in this clause on rights in data shall imply a license to the Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the Federal Government under any patent.
  - F) Data developed by the COUNTY or CONTRACTOR and financed entirely without using Federal assistance provided by the Federal Government that has been incorporated into work required by the underlying Contract to which this Attachment has been added is exempt from the requirements of subsections (b), (c), and (d) of this clause, provided that the COUNTY or CONTRACTOR identifies that data in writing at the time of delivery of the Contract work.
  - G) Unless FTA determines otherwise, CONTRACTOR agrees to include these requirements in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.
- 3) Unless the Federal Government later makes a contrary determination in writing, irrespective of CONTRACTOR's status (i.e., a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual, etc.), CONTRACTOR agrees to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Contracts," 37 C.F.R. Part 401.
  - 4) CONTRACTOR also agrees to include these requirements in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.
- b) **Patent Rights** - The following requirements apply to each Contract involving experimental, developmental, or research work:
    - 1) General - If any invention, improvement, or discovery is conceived or first actually reduced to practice in the course of or under the underlying Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the COUNTY and CONTRACTOR agree to take actions necessary to provide immediate notice and a detailed report to the party at a higher tier until FTA is ultimately notified.

- 2) Unless the Federal Government later makes a contrary determination in writing, irrespective of CONTRACTOR's status (a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual), the COUNTY and CONTRACTOR agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Contracts," 37 C.F.R. Part 401.
- 3) CONTRACTOR also agrees to include the requirements of this clause in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.

## **26. PRIVACY ACT**

The following requirements apply to the CONTRACTOR and its employees that administer any system of records on behalf of the Federal Government under any Contract:

- a) CONTRACTOR agrees to comply with, and assures the compliance of its employees with, information restrictions and other applicable requirements of the Privacy Act of 1974, 5 USC 552a.

Among other things, CONTRACTOR agrees to obtain the express consent of the Federal Government before CONTRACTOR or its employees operate a system of records on behalf of the Federal Government. CONTRACTOR understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of the Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying Contract.

- b) CONTRACTOR also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with federal assistance provided by FTA.

## **27. CHARTER BUS**

If this is an Operational Service Contract, CONTRACTOR agrees to comply with 49 USC 5323(d) and 49 CFR Part 604, which provide that recipients and subrecipients of FTA assistance are prohibited from providing charter service using federally-funded equipment or facilities if there is at least one private charter operator willing and able to provide the service, except under one of the exceptions at 49 CFR Part 604.

## **28. SCHOOL BUS REQUIREMENTS**

If this is an Operational Service Contract, pursuant to 49 USC 5323(f) and 49 CFR Part 605, recipients and subrecipients of FTA assistance may not engage in school

bus operations exclusively for the transportation of students and school personnel in competition with private school bus operators unless qualified under specified exemptions. When operating exclusive school bus service under an allowable exemption, recipients and subrecipients may not use federally-funded equipment, vehicles, or facilities.

## **29. BUS TESTING**

**The Bus Testing requirements pertain only to the acquisition of Rolling Stock/Turnkey.** If this Contract pertains to the acquisition of rolling stock/turnkey, the CONTRACTOR manufacturer agrees to certify, prior to commencement of services under this Contract, to comply with 49 USC A5323(c) and FTA's implementing regulations at 49 CFR Part 665, and shall perform the following:

- a) A manufacturer of a new bus model or a bus produced with a major change in components or configuration shall provide a copy of the final test report to COUNTY at a point in the procurement process specified by COUNTY which will be prior to COUNTY's final acceptance of the first vehicle.
- b) A manufacturer who releases a report under paragraph a. above shall provide notice to the operator of the testing facility that the report is available to the public.
- c) If the manufacturer represents that the vehicle was previously tested, the vehicle being sold should have the identical configuration and major components as the vehicle in the test report, which must be provided to COUNTY prior to recipient's final acceptance of the first vehicle. If the configuration or components are not identical, the manufacturer shall provide a description of the change and the manufacturer's basis for concluding that it is not a major change requiring additional testing.
- d) If the manufacturer represents that the vehicle is "grandfathered" (has been used in mass transit service in the United States before October 1, 1988, and is currently being produced without a major change in configuration or components), the manufacturer shall provide the name and address of the recipient of such a vehicle and the details of that vehicle's configuration and major components.

**A Bus Testing Compliance Certification is attached as Exhibit 9.**

## **30. PRE-AWARD AND POST-DELIVERY AUDIT REQUIREMENTS**

If this Contract pertains to the acquisition of rolling stock, the CONTRACTOR agrees to comply with 49 USC §5323(m) and FTA's implementing regulation at 49 CFR Part 663 and to submit the following certifications:

- a) Buy America Requirements. The CONTRACTOR shall complete and submit a declaration certifying either compliance or noncompliance with Buy America. If

the Bidder/Offeror certifies compliance with Buy America, it shall submit documentation which lists: 1) component and subcomponent parts of the rolling stock to be purchased, identified by manufacturer of the parts, their country of origin and costs; and 2) the location of the final assembly point for the rolling stock, including a description of the activities that will take place at the final assembly point and the cost of final assembly.

- b) Solicitation Specification Requirements. CONTRACTOR shall submit evidence that it will be capable of meeting the bid specifications.
- c) Federal Motor Vehicle Safety Standards (FMVSS). CONTRACTOR shall submit: 1) manufacturer's FMVSS self-certification sticker information that the vehicle complies with relevant FMVSS; or 2) manufacturer's certified statement that the contracted buses will not be subject to FMVSS regulations.

**A Pre-Award and Post-Delivery Audit Requirements Certification is attached as Exhibit 10.**

### **31. SEISMIC SAFETY**

If this Contract pertains to the construction of new buildings or additions to existing buildings, CONTRACTOR agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations at 49 CFR Part 41, and will certify compliance to the extent required by the regulation. CONTRACTOR also agrees to ensure that all work performed under this Contract, including work performed by a Subcontractor, is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

### **32. TRANSIT VEHICLE MANUFACTURER (TVM) CERTIFICATION**

If this Contract involves the procurement of transit vehicles, the CONTRACTOR must obtain from each Transit Vehicle Manufacturer (TVM), distributor, or dealer, and submit with its bid, a TVM certification stating that, as a condition of being authorized to bid on transit vehicle procurements funded by FTA, the TMV certifies that it has complied with the requirements of 49 CFR 26.49, by submitting a current annual DBE Goal to the FTA. **A Transit Vehicle Manufacturer (TVM) Certification of Compliance is attached as Exhibit 11.**

### **33. NATIONAL ITS ARCHITECTURE**

If this Contract involves an Intelligent Transportation System project (ITS), CONTRACTOR agrees to conform, to the extent applicable, to the National Intelligent Transportation Systems (ITS) Architecture and Standards as required by SAFETEA LU Section 5307, Chapter, 23 U.S.C. section 512 note, and comply with FTA Notice, "FTA National ITS Architecture Policy on Transit Projects, " 66 Fed. #### **34. ACCESS FOR INDIVIDUALS WITH DISABILITIES**

CONTRACTOR agrees to comply with 49 U.S.C. § 5301(d), which acknowledges that elderly individuals and individuals with disabilities have the same right as other individuals to use public transportation, and that special efforts must be made to plan and assure that they do have similar access. CONTRACTOR also agrees to comply with all applicable provisions of Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of disability in the administration of programs or activities receiving Federal financial assistance; with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101, et. seq., which requires that accessible facilities and services be made available to individuals with disabilities; with the Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151, et seq., which requires that buildings and public accommodations be accessible to individuals with disabilities; and with other laws and amendments thereto pertaining to access for individuals with disabilities that may be applicable.
