E. Monitoring by the Council

Following such evaluation the Council will deliver to the Provider a written report of its findings and will include written recommendations with regard to the Provider's performance of the terms and conditions of this subcontract. The Provider will correct all noted deficiencies identified by the Council within the specified period of time set forth in the recommendations. The Provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Council, result in any one or any combination of the following: (1) the Provider being deemed in breach or default of this subcontract; (2) the withholding of payments to the Provider by the Council; and (3) the termination of this subcontract for cause.

F. Indemnification

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

2. The Provider's inability to evaluate liability or its evaluation of liability shall not excuse the Provider's duty to defend and indemnify within seven (7) days after such notice by the Council is given by certified mail. Only adjudication or judgment after highest appeal is exhausted specifically finding the Provider not liable shall excuse performance of this provision. The Provider shall pay all costs and fees related to this obligation and its enforcement by the Council. The Council's failure to notify the Provider of a claim shall not release the Provider of the above duty to defend.

Upon execution of this subcontract, unless it is a state agency or subdivision as defined by §768.28, FS, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this subcontract. Upon the execution of this subcontract, the Provider shall furnish the Council written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Council reserves the right to require additional insurance as specified in Attachment I where appropriate.

H. Safeguarding Information

I. Assignments and Subcontracts

1. To neither assign the responsibility of this subcontract to another party nor subcontract for any of the work contemplated under this subcontract without prior written approval of the Council, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The Provider shall be responsible for all work performed and all expenses incurred with the project. If the Council permits the Provider to subcontract all or part of the work contemplated under this subcontract, including entering into subcontracts with vendors for services and commodities, it is understood by the Provider that the Council shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the Provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The Provider, at its expense, will defend the Council against such claims.
3. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this subcontract to another governmental agency in the State of Florida, upon giving prior written notice to the Provider. In the event the State of Florida approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the subcontract. In addition, this subcontract shall bind the successors, assigns, and legal representatives of the Provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Council in accordance with §§287.0585, FS. Failure to pay within seven (7) working days will result in a penalty charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Council any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were disbursed to the Provider by the Council. In the event that the Provider or its independent auditor discovers that overpayment has been made, the Provider shall repay said overpayment within 40 calendar days without prior notification from the Council. In the event that the Council first discovers an overpayment has been made, the Council will notify the Provider by letter of such a finding. Should repayment not be made in a timely manner, the Council will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

Except where the Provider is a state agency, neither the Provider, its officers, agents, employees, subcontractors nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this subcontract.

5. Unless justified by the Provider and agreed to by the Council in Attachment I, the Council will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the Provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the Provider.

Any and all patent rights accruing under or in connection with the performance of this subcontract are hereby reserved to the State of Florida.
2. The Provider, without exception, shall indemnify and save harmless the Council and the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the Provider. The Provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the Provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. Each unit of service provided (information and referral, crisis intervention, advocacy, etc.) may only be assigned and reported to one funding source; this includes reporting a service for match. A unit of service (counted as a singular event; irrespective of amount of time dedicated) may only be reported as an unduplicated count to a single funding source.

2) Ninety (90) percent of sexual assault survivors identified will be provided at least two (2) of the following six (6) core services quarterly:

 - b) All helpline calls shall be entered as aggregate counts, not distinguished by funding source. The Provider shall retain documentation of the SVDR number assigned to a client receiving a service in addition to helpline assistance. This shall be done in accordance with the manner prescribed by the Council.
 - c) If no services were provided in any given month, the Provider shall submit an explanation to the contract manager by the 10th of the month following the month in which services were to be provided (or at the time the SVDR data is entered; whichever comes first).

2. Staffing Requirements.

- a. Staffing Levels. The Provider shall maintain an adequate administrative organizational structure and support staff sufficient to discharge its contractual responsibilities. The Provider shall designate a project manager, identified in Section III.D.4. of the Standard Subcontract, who is responsible for subcontract compliance and who will be the primary point of contact for the Council on progress and all work products.
 - 1) The Provider shall submit job descriptions, resumes and any other credentials for all staff funded under this subcontract to the contract manager.

shall include a resume and job description (if not previously provided). The contract manager should be contacted to determine if a budget revision is necessary. Reference the applicable subcontract numbers in the subject line of all emails.

- 4) If any information on the Provider Contact Information Form changes, the Provider shall submit a revised form within five (5) working days of the change to the contract manager. This includes the primary or secondary point of contact.

 - 6) The Provider shall designate a leadership position of sexual assault program director, manager, or coordinator funded at one-hundred (100) percent for sexual assault, regardless of funding source. The Provider shall identify the name, title, and job description for that individual and attest that one-hundred (100) percent of their time will be devoted to sexual assault services and/or related sexual assault program activities during the subcontract period. In circumstances where job duties requiring supervision of staff that spend some of their time on non-sexual assault program duties, The Council *may* approve funding at seventy-five (75) percent FTE for sexual assault. In this case, the agency must demonstrate that the position's primary responsibility is sexual violence leadership and a minimum of three-quarters of the person's time is spent on direct services, outreach, system coordination or supervision directly related to sexual assault. Other exceptions to the requirement may be considered.
 - 7) The Provider shall assign at least twenty-five (25) percent FTE to any position funded under this subcontract to provide sexual assault victim services and/or related activities during the subcontract period. If twenty-five (25) percent exceeds the amount of the award, assign the maximum possible.
 - 8) Direct service staff funded in part or in full through the Council must have one hundred (100) percent of their time designated to sexual assault service provision regardless of funding source.
