Dear Ms. Harris;

On behalf of Broward County Animal Care and Adoption Division, I would like to express our sincere gratitude to you, and Friends of Broward County Animal Care and Adoption, for the generous donation of the "Dogs Playing for Life" program. As a result, our staff will benefit from the seminar and training needed in order to provide lifesaving play groups to the animals in our shelter. It is encouraging to know that we have the support of individuals and organizations who also care deeply for the animals in our community.

While we continue to celebrate the ongoing success of reducing the number of homeless pets, providing care for the sick and injured, as well as protecting animals against abuse, there is still much to do. Working as a community devoted to collective efforts, we can undoubtedly make our community a safe haven for pets and save lives.

Sincerely,

Lauralei Combs, Division Director
Animal Care and Adoption Division
