SECTION TWO

Choose activities and classes you are planning to attend.

In an effort to maximize our scheduling ability, please indicate which sessions you plan to attend. This will allow us to schedule heavily requested courses in large rooms, thus improving the comfort level for you and the presenters. Please be aware that this only guarantees a seat for courses in which attendance is limited. You should always plan on arriving at the assigned meeting room prior to the time the course is scheduled to begin. CEU approval subject to change. Courses are listed in order by time they begin. The courses for which there are additional fees are marked with a “\$\$”. Please check fees in Section 4 of the pre-registration form. “TR” means the course is included the Therapeutic Recreation Institute registration.
