Subject: LETF Donation Request to Florida Sheriff's Youth Ranches

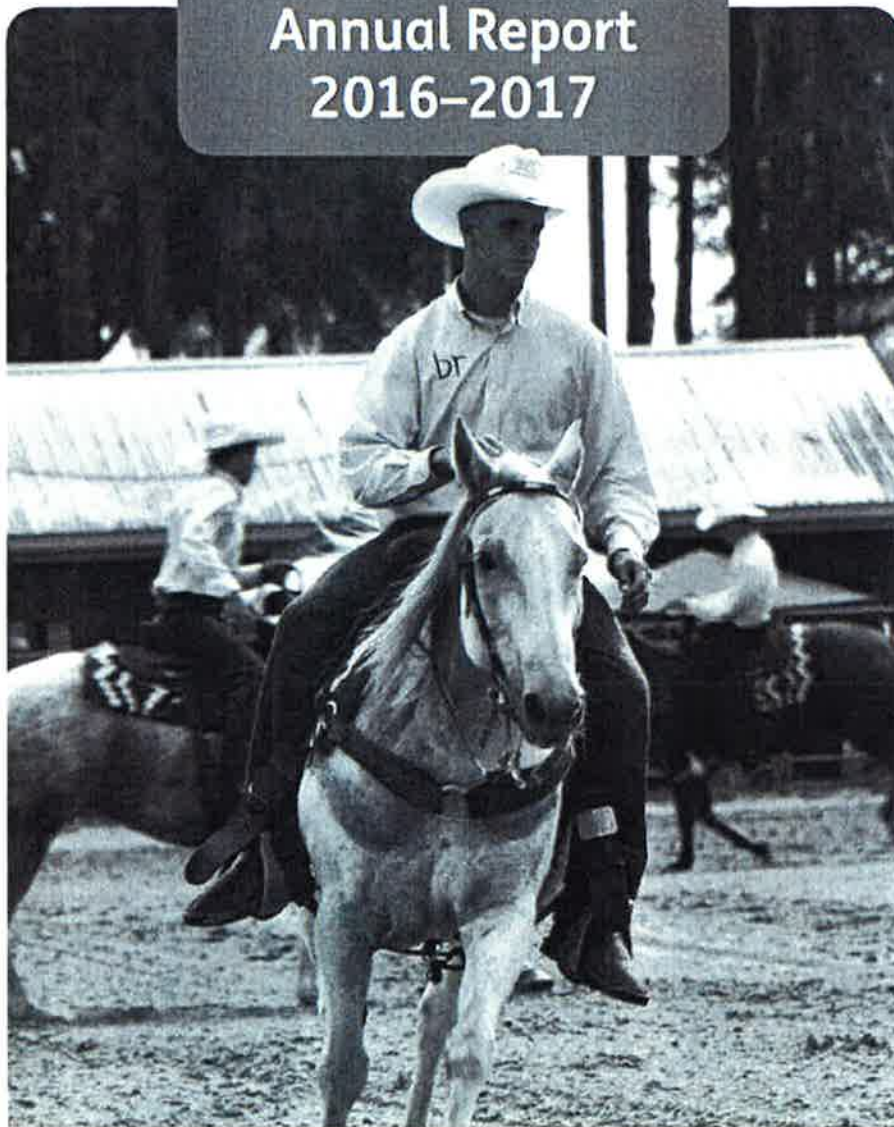

In 1957, a small group of Florida Sheriff's saw the need for a residential care facility for troubled boys. The original intention was to reach a handful of at-risk boys, offering them a safe home in which to grow as they worked through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail. Today after 60 years of growth and expansion, the Florida Sheriff's Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. The Florida Sheriff's Youth Ranches has now served over 145,000 boys, girls and their families.

I am currently attending the Florida Sheriff's Association (FSA) Commander's Academy #7 in Tallahassee. I am attending with command level leaders from 29 other Sheriff's Offices throughout the State of Florida. As part of a class initiative we were tasked with contacting our respective agencies and request LETF funds to donate to Florida Sheriff's Youth Ranches which is one of the primary non-profit organizations funded by Florida Sheriff's Offices throughout the state.

I am respectfully requesting a donation of \$2,500 from Broward Sheriff's Office LETF as the official donation from our agency.

I have attached the Florida Sheriff's Youth Ranch non-profit documentation as well as their annual report for review.

President's Perspective

William A. "Bill" Frye, Jr.
President
Florida Sheriffs Youth Ranches, Inc.

*"Without deep reflection one knows from daily life
that one exists for other people."*

~ Albert Einstein

This quote by Albert Einstein has been debated by many as to its true meaning. A quote, however, is always subject to interpretation just as is the Annual Report we produce each year for our Sheriffs, donors, employees and Board of Directors. While some will look at this report and say that we had a good year, others might see it differently. In the end however, this is our way of conveying what took place within the Youth Ranches over the last fiscal year. As always, we take this report seriously and do our absolute best to ensure that all of the information provided is accurate, honest and reliable.

I tend to interpret the quote above as meaning - upon reflection we see the importance in helping others, that people exist not to just look after their own interest but to reach out and even across great divides help those who are in need. Of course, being part of an organization that was started by Sheriffs in 1957 for the purpose of helping children in need might color my interpretation. Then again, I have the honor and privilege to spend time every day with many dedicated individuals who go to extraordinary lengths to help ease the pain and hurts of children.

This past year was one of many changes that increased the level of opportunities to help children living in Florida who have come from disadvantaged homes, often escaping abuse and other problems. We have also continued to hold steadfast to our guiding principles and values even when societal changes try and dictate otherwise. One of our major changes included making each of our campuses co-educational programs, thus allowing girls to come

and live at the Boys Ranch, especially when they have an interest in ranching or need the educational opportunities offered at our only on campus school. While many of our programs were already co-educational, changing the Boys Ranch has opened up new opportunities to better serve children and their families. We also continued to serve brothers and sisters, keeping them together instead of seeing them separated into different foster homes after being removed from abusive and neglectful families. Each of our program sites remained fully operational, providing the safe and loving environments in which we teach our four cornerstones of Work, Study, Pray and Play.

As you read this report, you will see that we not only provided programming to thousands of children, but that we also did it while being good stewards of the money that was so generously provided. Our utilization of resources was exceptional and while we receive some money through state and other contracts, the main source of revenue continues to be donations from concerned individuals who believe in helping children in need. Of course, helping children would not be possible without our dedicated employees, volunteers, law enforcement officers, Sheriffs, donors and others.

As I reflect on this past year, I know that we exist each day because we are needed. As long as children are suffering due to problem homes, abuse and neglect and other similar issues, the Florida Sheriffs Youth Ranches will remain a beacon, lighting the path for thousands of children each year. We will be a place of refuge where children can come and learn that others do care. With us, they will learn that "Law Officers are Your Friends", that families do exist where love is the key component, where success and failures are cheered because without some failures, one never fully appreciates success and there are people who give of their time and resources out of compassion not wanting anything in return.

Thank you for believing in the Florida Sheriffs Youth Ranches and supporting our mission. It is because of each of you that we are making a difference in the lives of Children!

God Bless,

Historical Perspective

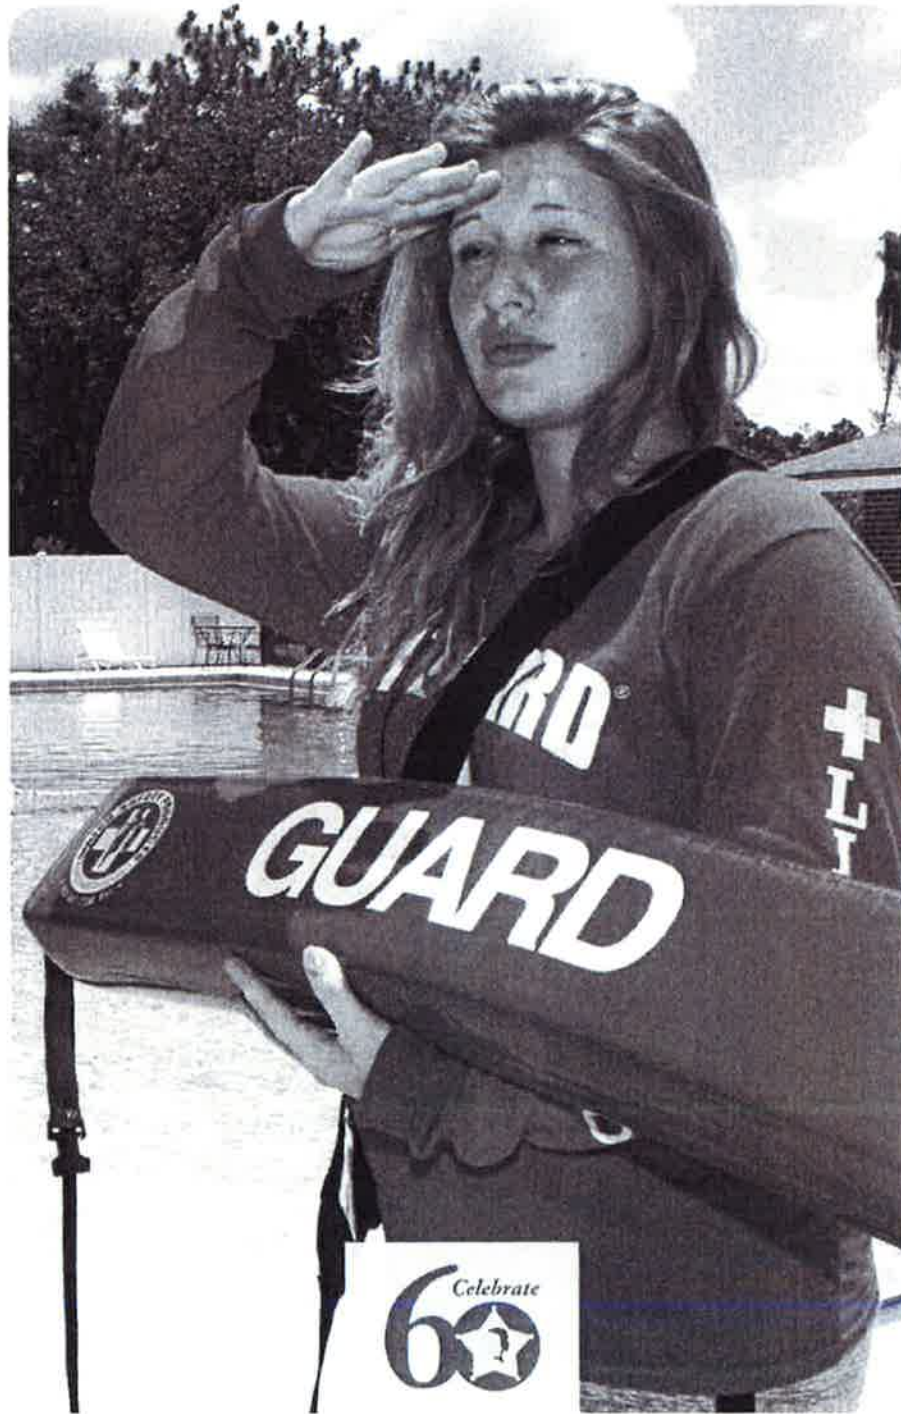

Founded by the Florida Sheriffs Association
in 1957

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys, they never imagined the result of their simple dream.

After all, the original intention was to reach a handful of at-risk boys, offering them a safe home in which to grow as they worked through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Today, after 60 years of growth and expansion, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, the Florida Sheriffs Youth Ranches has now served over 152,083 boys, girls and their families.

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful productive citizens. With the support of generous donors, volunteers and staff we will continue to fulfill this commitment to the needy and deserving children of Florida.

2016-2017 Milestones

- ★ All four campuses are now co-educational.
- ★ Hosted a national conference for the Coalition of Residential Excellence, an alliance of programs dedicated to residential care for children in need.
- ★ Made two strategic moves in Sheriffs Ranches Enterprises to maximize revenue and exposure to the public with moves from Crystal River to Homosassa and New Port Richey to Spring Hill.
- ★ Two key staff positions were filled by internal candidates. Chuck Deitch is the Vice President of Residential Programs replacing Brad Gregory and Jeremy Buzbee is the Vice President of Sheriffs Ranches Enterprises.
- ★ Amended and Restated the Articles of Incorporation and By-laws for both the Florida Sheriffs Youth Ranches and Sheriffs Ranches Enterprises.
- ★ Implemented staff training days to strengthen cross agency relationships through encouraging relationship building and teamwork between campuses and thrift store staff.

Key Points

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

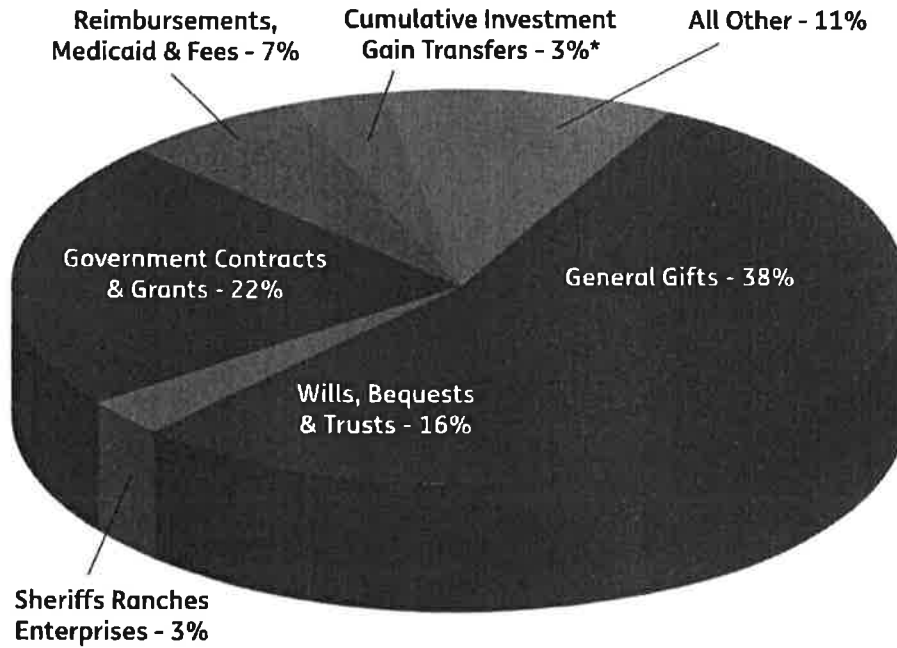

- FSYR has once again earned the highest audit rating known as an “unmodified opinion,” from the external audit firm of Batts, Morrison, Wales and Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first in the state to be issued a Charitable Gift Annuity permit in 1974 and we maintain reserves in this fund equal to or exceeding state standards.
- FSYR is very conservative in the allocation of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

Furthermore, we do not hire professional fund-raising companies, *nor do we conduct any telephone solicitations.*

Programs & Services

Residential Care

Our trained and devoted staff are well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by Cottage Parents who help develop a strong work ethic, sense of responsibility, teamwork and respect in each boy and girl.

Referral Services

Serving the 67 counties of Florida, we work with the families of children in our care. Our therapists are available to assist parents as necessary, offering supportive and referral services to the families of Florida.

Camping Services

Harmony in the Streets® is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and law officer volunteers teach children to Respect Themselves, Respect Others, Respect their Community and Respect the Environment.

Harmony in the Schools is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team - building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

Summer Resident Camp includes many therapeutic camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow youth the opportunity to build basic teamwork and peer communication skills. Deserving boys and girls also spend a week enjoying the beautiful, tranquil outdoor environment.

Programs & Services

Residential Leadership Programs are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups who work with us to lead young people through challenging activities to help them grow in their leadership skills.

Summer Day Camp consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components whether it is a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.
