The Hon. Mayor Beam Furr
County Commissioner – District 6
Broward County Governmental Center
115 South Andrews Avenue, Room 412
Ft. Lauderdale, Florida 33301

Dear Mayor Furr:

As you know, we have begun planning and implementing the programs discussed in our request for grant monies relating to the HAVA Program. I am pleased to tell you that we have received our funding from the State of Florida for \$183,288.13.

In order to finalize this part of the program, we now need the county to fulfill its obligation by forwarding a check to my office in the amount of \$27,493.22 which represents the matching funds.

With these monies and the continued support and cooperation from Broward County, we are confident that we will not only achieve but exceed the goals that we set before us to provide voter education and training for our Election Day workers.

Sincerely,

Brenda C. Snipes, Ed. D.

The Honorable Brenda C. Snipes
Supervisor of Elections – Broward County
115 South Andrews Avenue, Room 102
Fort Lauderdale, Florida 33301

Dear Supervisor Snipes:

Enclosed are copies of the executed Broward County Federal Election Activities agreement, the approved Federal Election Activities plan for your county and a warrant in the amount of \$183,288.13.

The Election Assistance Commission (EAC) advises that HAVA funds must be:

- *Used exclusively for elections for federal office.* If you listed something in your plan to be used for federal and non-federal elections, the cost needs to be pro-rated. (A). To change your original plan, you must submit a revised written plan in advance for our approval prior to expending or obligating funds.
- *Placed in an interest bearing account until the funds are ready to be expended.* In addition, HAVA funds, any required county matching funds and interest earned on these funds must be placed in a separate account and accounted for individually. (A). The funds may be used only for the purpose for which they were originally provided.
- *Expended in compliance with the Federal Office of Management and Budget (OMB) Circular A-87, Cost Principles for State, Local and Indian Tribal Governments: [CFR-2012-title2-vol1-part225.pdf](http://www.fedrule.com/CFR-2012-title2-vol1-part225.pdf).*

For other guidance, refer to the EAC's online Frequently Asked Questions Regarding Appropriate Uses of HAVA Funds: <http://www.eac.gov/assets/1/Page/HAVA%20Funds%20FAQ.pdf>. If you have any questions, or need anything further, please do not hesitate to contact us.

Respectfully,

**RECEIPT AND USE OF HAVA FUNDS
FOR FEDERAL ELECTION ADMINISTRATION ACTIVITIES**

This agreement is between the State of Florida, Department of State, Division of Elections ("Department"), R.A. Gray Building, 500 South Bronough Street, Tallahassee, FL 32399-0250 and The Honorable Brenda C. Snipes, Ed. D., Supervisor of Elections ("Supervisor"), on behalf of Broward County, _____ (insert address) _____. This agreement is effective as of the date fully executed by the parties.

115 S. Andrews Ave
Room 102
Fort Lauderdale, FL 33301

I. GOVERNING LAW

Funds provided under this agreement are made available by the Department as a pass-through entity. The U.S. Elections Assistance Commission originally awarded these funds in fiscal year 2003-2004, pursuant to section 251 of the Help America Vote Act of 2002 (HAVA) and the Catalog of Federal Domestic Assistance (CFDA) 90.401 ("Help America Vote Act Requirements Payments") to improve the administration of federal elections. Through specific appropriation 3098 of the 2017-2018 General Appropriations Act (see Section 6, Chapter 2017-70, Laws of Florida) the Department is authorized to disburse up to \$2,000,000 from the Federal Grants Trust Fund (HAVA Account # 261011) to the county supervisors of elections for the fiscal year 2017-2018 ("FY 2017-2018 funds"). Because the State of Florida on August 28, 2006, certified that Subchapter III requirements of HAVA have been met, the funds can be used to carry out other activities to improve the administration of federal elections, pursuant to section 251(b)(2) of HAVA.

Specific Appropriation 3098 proviso language authorizing the use of funds is attached hereto as Attachment A.

II. SCOPE OF USE AND RESTRICTIONS

A. Scope of Work. The Supervisor shall only use the FY 2017-2018 funds for programs to improve the administration of federal elections, in one or more of the following categories:

- Voter Education
- Poll Worker Training
- Standardizing Election Results Reporting
- Other Federal Election Administration Activities, as approved in advance by the Department of State.

B. Deliverable.

Payment 1, Deliverable/Task 1:

- Payment will be an advance payment in a fixed amount up to the amount identified for the Supervisor's county in Attachment C. The advance fixed amount will be the amount requested by the Supervisor in the Federal Election Activities Plan submitted to and approved by the Department prior to the payment being made. Any expenditures from the advance payment must be made pursuant to the budget set out in the Federal Election Activities Plan to accomplish the program or activity described in detail therein.

MOA # 2017-2018-0001- BRO

Any amendments to the Plan must be approved by the Department, and no expenditures or obligations may be incurred regarding an amendment until approved by the Department.

- C. **Length of Agreement.** This agreement shall begin on the date the Supervisor and the Department sign the agreement and continue until all grant funds distributed pursuant to this agreement have been expended or the Supervisor chooses to revert remaining distributed HAVA funds including accrued interest (but excluding county match) to the Department. The award date for the funds will be the day the funds are transferred to the Supervisor.
- D. **Minimum Performance Administration Standards.** In order to receive grant funds under this agreement, the Supervisor shall include as part of the required detailed Federal Election Administration Activities Plan (DS-DE 126) referenced in Section III.A., performance measures and goals including milestones for how the funds will be used. Additionally, the Supervisor shall report on how those goals and measures were achieved or are outstanding using the annual expenditure report ((DS-DE 128, rev. 1/16) required under Section V.B.1
- E. **Interest bearing account/public depository and accounting.** The Supervisor must establish and maintain the FY 2017-2018 funds in an interest bearing account in a "qualified public depository" as defined by section 280.02, Florida Statutes, and otherwise must comply with the applicable requirements of chapter 280. The Supervisor must segregate federal funds and required county matching dollars in a separate account established to hold only such funds.

Funds in this account must be used only for the purposes identified in the Federal Election Administration Activities Plan. Funds shall remain in the account to be used for the purposes identified in the Federal Election Administration Activities Plan for subsequent years or until such funds are expended or returned to the department.

Please note that separate public depository requirements apply under chapter 280, Florida Statutes, but are outside the scope of enforcement of this agreement. The Supervisor will be required to execute and retain in the official records a Public Deposit Identification and Acknowledgment Form (DFS-J1-1295) and to submit a Public Depositor Annual Report to the Chief Financial Officer (DFS-J1-1009) to the Public Deposits Program, Florida Department of Financial Services. Refer to The Department of Financial Services Collateral Management for Governmental Units page for more information, or contact the Program Administrator at 850-413-3360.

The Supervisor shall maintain separate accounting records for each of the funding sources identified under its plan submitted pursuant to this agreement.

- F. **Restrictions.** Funds must be used only for programs to improve federal election administration activities, pursuant to section 251 of HAVA, as detailed in the Supervisor's Federal Election Administration Activities Plan, as approved by the Department. If any of

these funds are used for any other purpose, the cost must be pro-rated for the portion of the expenditure that is allocable to improvement of federal election activities.

Funds may not be used to support state or federal lobbying activities but this does not affect the right, or that of any other organization to petition Congress, or any other level of Government, through the use of other resources.

III. DISBURSEMENT

The Department shall distribute to each eligible county supervisor of elections upon request up to an amount equal to the funding level per voter multiplied by the number of active registered voters as of book closing in the county for the 2016 General Election (12,867,773). The Supervisor shall receive grant funds in an amount not to exceed the sum specified for Supervisor's county in **Attachment C**, and the actual amount disbursed will be the amount requested by the Supervisor in the Federal Election Administration Activities Plan and approved by the Department.

A. Submissions. Prior to the Department disbursing FY 2017-2018 funds to the Supervisor under this agreement, the Supervisor must submit to the Department the following for approval:

1. A completed Federal Election Administration Activities Plan utilizing Form DS-DE 126 (Attachment B) as a template and incorporating by reference a separate, detailed description of each program that will be implemented for every category checked on Form DS-DE 126, and a timeline and budget for each program. Each description shall include program goals and performance measures for those goals. The Supervisor shall also indicate on Form DS-DE 126, for each category checked, all sources of funding that apply, i.e. include the source of funds (federal, county matching funds, other county funds, and interest earned for each federal election administration activity set forth in the plan). Where applicable, the Supervisor shall provide SAMPLES of all publications, including voter education printed documents, and transcripts of audio and video recordings or clips to be used in any program.
2. A written certification from the county governing body (e.g. Board of County Commissioners) (DS-DE 127, Revised 8/16) that it will provide in addition *matching funds in an amount equal to fifteen percent (15%) of the amount to be received from the state.* This form is attached hereto as **Attachment D**. If the county governing body fails to appropriate the matching funds, the Supervisor must return or repay to the Department the portion of the funds for which the matching funds would have applied.
3. A completed ED Form GCAS-009 (6/88), entitled "*Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion Lower Tier Covered Transactions*", and attached hereto as **Attachment E**. [Executive Order 12549, Debarment and Suspension, 45 CFR 1183.35, prohibits the disbursement of federal funds to the intended recipient of such funds or to any sub-recipient thereunder unless such recipient and each sub-recipient, if any, certify that they are not excluded or disqualified from receiving federal funds by any federal department or agency.]

4. A completed "Certificate of Equipment for Casting and Counting Ballots" (DS-DE 135, Effective 8/16), attached hereto as **Attachment F**. This is required if the request, in part or in full, is to use HAVA funds for the purpose of purchasing emerging or enhancing software and hardware technology.

IV. Electronic Payments

The Supervisor may choose to use electronic funds transfer (EFT) to receive grant payments. All Supervisors wishing to receive their award through electronic funds transfer must submit a Direct Deposit Authorization form to the Florida Department of Financial Services. If EFT has already been set up for your organization, you do not need to submit another authorization form unless you have changed bank accounts. To download this form visit <http://www.myfloridacfo.com/Division/AA/Forms/DFS-A1-26E.pdf>. This page also includes tools and information that allow you to check on payments.

V. MONITORING, AUDITS, AND REPORTS

The administration and use of funds are subject to monitoring, audits, and reports as follows:

A. Monitoring.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, Subpart B, as revised, and Section 215.97, F.S., monitoring procedures may include, but are not limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, Subpart B, as revised, and/or other procedures (see **Attachment G**). By entering into this agreement, the Recipient agrees to comply and cooperate with any monitoring procedures/processes the Department deems appropriate.

The Department shall closely monitor the Supervisors' annual expenditure reports to ensure that the Supervisors expend HAVA funds in accordance with the approved Federal Election Administration Activities Plan, applicable law, and this agreement, and will require reimbursement for all expenditures not approved or otherwise authorized. Also, the Department shall ensure that Supervisors report the expenditures made with HAVA funds separately from expenditures made with county funds.

For additional guidance to state and federal monitoring and auditing requirements, refer to: <http://election.dos.state.fl.us/hava/index.shtml> and <http://www.eac.gov>.

B. Financial reports. The Supervisor shall submit the following written financial reports to the Department:

1. Expenditure report. The Supervisor shall submit an annual report (DS-DE 128, Revised 1/16) by December 31 of every year until the funds are expended or returned to the Department, as described in section II.D. of this agreement.

- If expenses are made at any time from the date of initial receipt of the FY 2017-2018 Federal Election Activities grant funds through September 30 of the year received, the first report is due on December 31 of that year.
- Thereafter, an expenditure report is only due on December 31 of every year in which expenditures were made and/or funds remain to cover the preceding October 1st through September 30th period until all funds are fully expended.

The Supervisor shall indicate on the report if the funds are fully expended during the expenditure period being reported. The report must include the detailed information required in section II. D ("Minimum Performance Administration Standards"), e.g., an explanation of how grant funds were spent on each program identified in the approved Federal Election Administration Activities Plan, goals, timeline and milestones met or outstanding, and performance measures. Additionally, the Supervisor must include documentation (such as appropriation statement, committee meeting minutes approving appropriation, or account statement) that shows that the county governing body appropriated matching funds as certified in Section III. A. 2. "Disbursements." The county's failure to appropriate the matching funds or reversion of those funds back to the county for any reason must be reported to the Department.

Each financial report shall include complete documentation detailing expenditures made, including billing or itemized receipts, invoices, paid bills, payroll records and employee time sheets or semi-annual certifications, to account for the expenditures identified in Attachment B. The voter education publications must provide voter education concerning voting procedures, voting rights or voting technology. If deemed necessary after review of a financial report, the Supervisor may be required to provide any requested supplemental documentation. For products, documentation may include a copy of or the actual product or publication and an indication of how many individual items were produced or printed. For services, documentation may include a copy of or the actual newspaper article, audio recording, or video clip and/or template or transcript thereof, and an indication of how many times it was published, aired, or accessed, or a copy of the graphics template and content layout for a special created webpage. Documentation must account for all expenditures made from grant funds awarded under this agreement.

2. Remaining balance report. The Supervisor shall report annually to the Department any unspent funds remaining on June 30 of each fiscal year. The Department will provide the report form (DS-DE 129, Revised 7/16). The Supervisor shall submit the annual report no later than July 31 of every year until such HAVA funds are fully expended or returned.

6. Voter Education

For each of the activity areas you have indicated you plan to spend funds on in Part 1, provide a performance goal, performance measure, timeline, and budget for the funds requested under this agreement.

Performance Goals

We will continue to implement new strategies on reaching the 1.2 Million Broward County Voters.
 One of our goals is to make sure voters are informed of all the issues on ballots, the office sends a Sample Ballot to each registered voter in Broward County. We also make the Sample Ballots available on our website, <https://www.browardsoe.org/> and advertise them in the local newspaper of record as well as the Spanish and Creole language newspaper as the ballots are printed in English, Spanish and Creole. We measure the success of this goal by the positive feedback we get from voters regarding the Sample Ballots.

Performance Measures

We measure the success of this goal by the distribution of all of the voter education information by feedback we receive from voters prior to, during the election and post-election. We measure the success by voter turnout through early voting, election day, provisional ballots and the return of mail in ballots as well as the amount of telephone inquiries and complaints.

Timeline

The majority of the funds will be used for the 2018 General Election Cycle: sample ballots and advertising. Of course work begins on sample ballots once qualifying ends.

Budget

The majority of the HAVA funds will spent on Sample Ballots and Advertisements and anything remaining will be spent during the next federal election cycle.

FEDERAL FUNDS

This memorandum is applicable to discretionary grants, which the State receives from the federal government. Applicability to federal entitlement programs or formula based awards should be determined on a case by case basis pursuant to federal regulations for these programs.

State agencies must determine whether they are passing on federal awards in the form of federal financial assistance to sub-recipients or procuring goods and services from a contractor. This determination is critical for the proper accountability over federal financial assistance, which is passed on to sub-recipients. State agencies will use the criteria established in Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, Code of Federal Regulations Title 2, Part 200.330 to make this determination. Agencies must retain documentation to support this determination.

In 2005 the Office of Federal Financial Management confirmed to the Department of Financial Services, if the State receives an award of federal financial assistance in the form of a grant or cooperative agreement, any sub-award for the purpose of the grant is subject to the rules applicable to the grant, **even if the sub-award is on a fixed price basis**. Agreements (sub-awards) with sub-recipients of federal financial assistance must require compliance with the published requirements entitled Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (also known as the Super Circular), Code of Federal Regulations Title 2, Part 200 (2 CFR, Part 200). This guidance supersedes and consolidates the requirements from the Office of Management and Budget (OMB) Circulars A-21, A-87, A-110, A-122, A-89, A-102 and A-133 and is effective for awards or increments of awards issued on or after December 26, 2014.

The Super Circular also applies to **sub-awards** made by State and local governments to an organization covered by the circular and provides that:

- a. A grant may be charged only allowable costs resulting from obligations incurred during the specified funding period.

- b. Any balance of unobligated cash that has been advanced or paid that is not authorized to be retained for other projects must be refunded to the federal government.
- c. Any funds paid in excess of the amount to which the recipient is finally determined to be entitled, under the terms and conditions of the award, constitutes a debt to the Federal government.

Agreements with vendors must be procured in a manner that ensures a fair and reasonable price to the Federal government and compliance with applicable rules and regulations, including, but not limited to:

- a. 2 CFR, Part 200
- b. Section 287.057, Florida Statutes (F.S.)
- c. Section 215.917, F.S.
- d. Section 216.3475, F.S.

- (1) Non-competitive procurements and competitive procurements that result in less than 2 responses must be supported by a detailed cost analysis. Cost must be reasonable, necessary and allowable in accordance with state and federal laws, rules and regulations. Agencies must maintain documentation to evidence the agency's review of individual's cost elements included on the detailed budget submitted by the person or entity awarded funding.

STATE FUNDS

State agencies must determine whether they are awarding state financial assistance to a recipient or procuring goods and services from a vendor. State agencies will use the Florida Single Audit Checklist for Non-state Organizations – Recipient/Sub-recipient vs Vendor Determination to make this determination. Agencies must retain copy of the checklist.

Agreements with recipients of state financial assistance, **even if awarded on a fixed price basis**, must require:

- a. Compliance with Section 215.97, F.S.
- b. Compliance with Section 215.971, F.S.
- c. Expenditures of state financial assistance be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures

Agreements involving the State University System, the Florida Community College System, district school board, or charter schools using state funds must be procured in a manner that ensures a fair and reasonable price to the State and compliance with applicable rules and regulations, including, but not limited to:

- a. Section 216.3475, F.S.
 - (1) Non-competitive procurements and competitive procurements that result in less than two (2) responses must be supported by a detailed cost analysis. Cost must be reasonable, necessary and allowable in accordance with state laws, rules and regulation. Agencies must maintain documentation to evidence the agency's review of individual cost elements included on the detailed budget submitted by the person or entity awarded funding.

- b. May be fixed price contract that entitles the provider to receive compensation of the fixed contract amount upon completion of all deliverables.
- c. May be fixed rated per unit contract that entitles the provider to receive compensation for each deliverable provided.
- d. May be a cost reimbursable contract that entitles the provider to receive compensation for actual allowable costs incurred in performing contract deliverables.
- e. May be a combination of b, c and d.

Agreements with vendors must be procured in a manner that ensures a fair and reasonable price to the State and compliance with applicable rules and regulations, including, but not limited to:

- a. Section 287.057, F.S.
- b. Section 216.3475, F.S.
 - (1) Non-competitive procurements and competitive procurements that result in less than two (2) responses must be supported by a detailed cost analysis. Costs must be reasonable, necessary and allowable in accordance with state laws, rules and regulations. Agencies must maintain documentation to evidence the agency's review of individual cost elements included on the detailed budget submitted by the person or entity awarded funding.
