- g. For solid waste management facilities, the applicant shall provide the notices:
 - By regular first class mail to the mayor, each city commissioner or council member, and the city administrator or city manager of any municipality within Broward County and within a radius of four (4) miles of the perimeter of the facility property boundary;
 - 2. By email to the County Commissioners of districts for which any portion of the district is within a radius of four (4) miles of the perimeter of the facility property; and
 - 3. By email to any unincorporated area neighborhood or civic organization within a four (4) mile radius of the perimeter of the facility property. The neighborhood or civic associations receiving such notice shall be those listed on the "Neighborhood Association/Civic Representatives List for the Unincorporated Area" and as delineated on the "Unincorporated Neighborhood Map."

 The neighborhood list and map shall be available for public inspection, and changes may be made by the Director of the Planning and Development Management Division.

In addition to the above-referenced notices provided by the applicant, the Environmental Engineering and Permitting Division, or successor agency, shall provide email notification to:

1. Board members of condominium and homeowners' associations within Broward County and within a four (4) mile radius of the

1		perimeter of the facility property who sign up with Broward County
2		to receive email notifications; and
3		2. Any other person who lives or owns property within Broward County
4		and within a four (4) mile radius of the perimeter of the facility
5		property who signs up with Broward County to receive email
6		notifications.
7		The foregoing notices provided by the Environmental Engineering and
8		Permitting Division are courtesy notifications and shall not affect the
9		validity of any action taken relative to an application under this part, and
10		failure to receive such notification shall not give rise to a cause of action
11		challenging action taken relative to the license under Section 27-216 of
12		the Code of Ordinances.
13	c. <u>h.</u>	Notices shall include:
14		1. The location, description, and name of the subject facility;
15		2. The full and correct legal name of the applicant;
16		3. The type of license applied for;
17		4. The license number (if any); and
18		5. The address of the facility where the application, license, or intent
19		to issue a license is on file for examination or copying, and a phone
20		number for EPGMD where more information may be obtained.
21	d. <u>i.</u>	The applicant and the Environmental Engineering and Permitting Division
22		shall mail or email (consistent with the requirements stated above) the
23		notices:

- Within nine (9) days after the filing of an application for licensing of a Significant Environmental Impact Facility; and
- 2. Within nine (9) days after receipt of a license or intent to issue a license.

However, no applicant shall mail notice on or within five (5) days prior to a federal, state, or Broward County legal holiday. If a federal, state, or Broward County legal holiday exists within the mailing period, notice shall be mailed either at least six (6) days before the holiday or on the next business day following the holiday.

- e. j. Within seven (7) days after mailing or emailing each notice, the applicant shall submit to EPGMD proof of notice by providing electronic copies of all notices sent, together with an affidavit that the notices were mailed on the date indicated on the notice.
 - f. The following license applications, licenses, and intent to issue licenses shall not be subject to the notice requirements of this section:
 - license renewals that do not include a major modification to the licensed facility or activity; and
 - 2. licenses issued pursuant to declaration of emergency by the Governor of Florida.
