MEMORANDUM

October 3, 2018

TO: Board of County Commissioners**FROM:** Norman Foster, Director
Office of Management and Budget **SUBJECT:** Fiscal Impact Statement Re: Roof Construction Material Requirements for New Residential Units in Roosevelt Gardens

Summary

The proposal amends sections 39-635, 36-636, and 39-637 of the Broward County Code of Ordinances. These sections outline the requirements for new single-family, duplex dwellings, and adult living facilities design standards. The proposed changes would require that new buildings falling under the aforementioned categories have tile or dimensional shingle roofs, as opposed to barrel tile or s-tile as is currently stated in the ordinance.

Fiscal Impact

There is no fiscal impact to Broward County related to enforcement of this ordinance.
