Dan West, Director
Broward County Department of Parks and Recreation

Our group, Friends of Deerfield Island Park, Inc. has voted to take on as a project, the funding and supplying of certain material requirements for an educational fossil dig area at Deerfield Island Park. The donation will consist of quantities of sand, concrete mix, elevated sand table, and artifacts to bury. The approximate cost is \$12,000.

Funding is immediately available as part of a grant to Friends of DIP, from JM Family Enterprises Inc. for the purpose of creating educational exhibits at the park. We hope the Parks and Recreation Division can expedite this project and look forward to collaborating with you.

We hope to complete this project by the spring of 2019.

Sincerely,

Ira Wechterman, President
