Make in India Seminar

1430 – 1700 hrs

Request for Participation

- The 'Make in India' initiative was launched by Government of India in 2014, to promote the manufacturing industry, and to encourage global and domestic corporations to manufacture their goods in India
- Encompassing 25 sub-sectors of the manufacturing industry, the program has enabled the inflow of significant new investments in Indian manufacturing, and enable the creation of thousands of jobs – directly as well as indirectly
- The seminar will showcase the Success Stories of Make in India program & key interventions taken by Government to ensure the success of the program
- In light of future economic developments in India, the seminar will also provide an opportunity to policymakers and industry captains to brainstorm on the Way Forward for Make in India

Seminar on Port Led Development & Strategies to establish India as the Transshipment Hub of Asia

1430 – 1700 hrs

Request for Participation

- With a 1600 Km long coastline dotted with 48 Major and Non-Major ports, Gujarat alone handles over 40% of India's maritime cargo
- The State's strategic location also acts as a key catalyst for tapping the vast north Indian hinterland; and helps manufacturers producing goods in India, to directly access markets in Europe, Africa and West Asia

- The seminar will involve discussion on themes relevant to future development of the transport sector in Gujarat and India, such as Transshipment, Road Transport of Cargo and future developments in Logistics

GIFT International Financial Services Centre: A New Financial Gateway of India

1430 – 1700 hrs

Request for Participation

- Gujarat International Finance Tech City (GIFT City) is India's first International Financial Services Center, poised to be a global hub for financial services and the IT/ ITeS industry
- The seminar will focus on deliberating the opportunities for inter connect between Global Exchanges; and on showcasing the Business Potential for Banking & Insurance business in GIFT IFSC

Opportunities for Defence & Aeronautics in Gujarat

1500 – 1730 hrs

Request for Participation

- Aerospace & Defence is an upcoming sector in Gujarat. Private companies in India have secured 20 manufacturing licenses to manufacture aerospace & defence components in Gujarat. The state too, has developed specific infrastructure for this sector and has announced a comprehensive Aerospace & Defence Policy. This seminar is planned with the objective to sensitize participants about opportunities in defence and aeronautics in Gujarat, and to deliberate on a way forward for India and Gujarat to emerge as a manufacturing hub for defence and aeronautics.
