

**CITY OF NORTH LAUDERDALE
PARKS AND RECREATION DEPARTMENT**

TO: Mayor and City Commission

FROM: Ambreen Bhatti, City Manager

BY: Michael Sargis, Assistant City Manager/Parks & Recreation Director

DATE: October 9th, 2018

SUBJECT: Purchase of Exercise Equipment – Hampton Pines Park

As part of its annual continual maintenance of City Parks and Recreational Facilities and Amenities, the department utilizes industry guidelines for the replacement and renovation of such high use items such as Playgrounds, Barbeque Grills, Tennis and Basketball Court Surfaces. The industry standard for the replacement of Playgrounds is 7 to 10 years and Exercise Equipment are considered in this category. The City has found that with weekly inspections and annual maintenance to these high ticket items, we've been able to extend the life to average 12 years.

This year, the Department has identified 3 locations for Exercise Equipment in City Park's:

1. Hampton Pines Park – the current equipment at Hampton Pines Park was installed in 2007 and is starting to show wear to key structural areas. We have a few pieces that need to be replaced and we are holding off making any repairs until this item is heard tonight. With the approval of the Commission tonight, the existing exercise equipment will be removed.
2. Pompano Park – this equipment will be order once design for Fire Training area is determined later this year
3. Jaycee Park – this equipment will be ordered later this year once new restroom and associated water/electric are installed.

The proposal before the Commission tonight will authorize the City to contract with EXO Fit Outdoor Fitness for a new 11 piece exercise station in an amount not to exceed \$28,675.20 for the purchase and installation of the structure at Hampton Pines Park. The equipment is a piggyback purchase off of the City of Port St. Lucie July 2018 Contract #20180187. While there are many vendors that sell outdoor exercise equipment, EXO Fit Outdoor Fitness out of Miami, Florida comes with a

- Limited 10-year warranty on posts.
- Limited 3-year warranty on moving parts and bearings.
- Limited 2-year warranty on any rubber or plastic parts.

RECOMMENDATION: The City Administration recommends that Commission motion to approve the attached resolution authoring the expenditure of \$28,675.20 piggybacking off of the City of Port St. Lucie Contract #20180187 from the Parks and Recreation Department's Capital Fund Budget for the purchase of a new exercise station from EXO Fit Outdoor Fitness Equipment for Hampton Pines Park.
