OSHA/Safety Violations: The following OSHA actions were taken:

On 2/10/16 an employee of Sun Terminals was killed in Port Everglades after having stepped out from the front entrance gatehouse onto the driveway and in the path of an incoming truck. Citations were issued by OSHA during an inspection performed as a result of this accident. Notices of Violation due to exposure to an electrical hazard for the use of an extension cord with damaged outer insulation, for lack of an Emergency Action Plan, for exposure to a struck-by hazard due to employees walking through vehicular traffic without a high visibility vest, and for machinery being in use with an abrasive wheel without a work rest. Sun Terminals corrected all the violations, replaced the defective machinery and developed a new Emergency Action and Safety Plan, which was implemented on 9/28/2016. Additionally, the company re-marked the designated pedestrian walkways, repainted the zebra crossings and ensured that the guardhouse at the employee and visitor parking lot is always manned. Mitigated penalties were paid in the amount of \$11,760. The case was closed on 9/30/16 after a final inspection.

On 10/10/16 a fatality occurred when a Sun Terminals employee collided with a tractor trailer while driving a golf cart in the container yard. Citations were issued by OSHA for lack of posted stop signs at

entrances, exits and intersections, for not implementing vehicular routes or traffic rules in the yard and for not establishing parking areas. Stop signs were installed and traffic and parking areas were defined. Employees were trained in traffic safety and new dedicated safety manager was hired. Mitigated penalties were paid in the amount of \$16,429. The case was closed on 5/15/17.
