Dear Mr. Gale:

**RE: Fort Lauderdale-Hollywood International Airport Request to Release and Sell FDOT  
Grant-Acquired Land**

This letter is a follow up to your June 8<sup>th</sup> letter regarding your request to release property near Boaters Park that was acquired using grant funds to the County.

We have reviewed your request to ensure that the release of the additional property does not have any adverse implications on future FDOT projects. Since there were no objections, the Department authorizes the County to release the land with proceeds from the sale of the property to be subject to the same provisions as the previously released parcels, proceeds to be reinvested in noise mitigation projects.

Sincerely,

Gerry O'Reilly, P.E.  
District Four Secretary
