Department of Health (DOH) Dental Services	Random time study by following Clients; time counted from point of check-in to discharge Monthly survey
	2) 80% of clients indicate satisfaction with the overall quality of dental care services	Department of Health (DOH) Dental Services.	ŭ

- Outcome Number 2 The Clinician and Group Consumer Assessment of Healthcare Providers and Systems (CGCAHPS) survey is a standardized tool to measure patient perceptions of care delivered by a provider (e.g. physician, nurse practitioner, physician assistant, etc.) in an office setting.
- Outcome number 3, Indicators 1, 2, 3, 5, 6 and 7 measured using 2015 Healthcare Effectiveness Data and Information Set (HEDIS) used by 90% of American Health Plans to measure performance on dimension of care and services. The 2015 Medicaid Benchmarks/Thresholds were used on each except for Indicator 6 where Medicare was used.
