**Compliance Comments**

Man- Con Incorporated; Southern Underground Industries, Inc.; David Mancini & Sons, Inc.; Ric- Man Construction of Florida, Inc.; Lanzo Co. Construction of Florida and Ric-Man International submitted all the required documentation within the specified time frame; therefore, they are deemed compliant with the CBE program requirements of the solicitation.

SkyData UAV initially did not submit a CBE Letter of Intent (LOI) for this solicitation. The firm was given three (3) business days to submit their LOI in accordance with the solicitation requirements. SkyData UAV did not submit an LOI; therefore, they are not in compliance with the CBE program requirements for this solicitation.

**Compliance Comments (cont.)**

Giannetti Contracting Corp initially did not meet the CBE Participation goal for this solicitation. The firm was given three (3) days to provide proof of their good faith efforts. Upon review of Giannetti Contracting Corp's good faith efforts, OESBD has determined that they did not meet the quality, quantity and extent in their various efforts to meet the goal for this solicitation in accordance with Section 1.81.5 (d) (2) of the Broward County Business Opportunity Act of 2012, as amended. Therefore, Giannetti Contracting Corp is not in compliance with the CBE program requirements for this solicitation.

In addition, per Section 1-81.5 (e) (3) Determination of a Good Faith Effort of the Broward County Equal Opportunity Act of 2012, as amended states: "In determining whether a bidder has made a good faith effort, the Program Director may also consider the level of participation proposed by other bidders. The closer the bidder's proposed participation is to the goal or to the proposed participation by other bidders, the greater the indication of good faith effort by the bidder." There were eight (8) bids submitted for this project of which six (6) bids met or exceeded the CBE requirement. Therefore, it is determined that Giannetti Contracting Corp is non-compliant to the CBE program requirements.
