       Broward Partnership Housing V – Permanent Supportive Housing

Dear Ms. McGuire:

This letter documents that the Broward Partnership for the Homeless, Inc. (the Partnership) will contribute to the match required by the award of grant funding to Broward County under the U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) program. The Partnership, as subcontracted by Broward County, will operate the Broward Partnership Housing V Permanent Supportive Housing project. The Partnership commits to providing cash match in the amount of $52,174.00 which will be available during the 2019-2020 project term.

The Partnership understands that the funding provided by us will be utilized to support cash match requirements under the HUD requirements for McKinney Vento program awards and approve of the use of these funds for cash match purposes via the provision of permanent supportive housing services.

Please contact us if you need any additional information.

Sincerely,

Frances M. Esposito
Chief Executive Officer
