RE: **Item #56 on the May 7, 2019, County Commission Agenda**
CAO File: 10002

Item 56 on the May 7 Commission meeting agenda is a public hearing item to consider issuance of six nonemergency medical transportation licenses. The current motion statement recommends approval of the first five and denial of the sixth. The applicant for the sixth license has asked that its application be considered withdrawn from the May 7 agenda. Accordingly, the motion statement for Item 56 has been revised to state:

MOTION TO CONSIDER issuance of new licenses to provide Class 5 - Nonemergency Medical Transportation Services (NEMTS) to B & L Mobility, LLC, C & J Net Group LLC, Helping Hand Non-Emergency Medical Transportation, Inc., Medical Care Transportation, Inc., and Sunshine Kids Pediatric Care, LLC (approval recommended).

This memorandum will be distributed as additional material, and the Monday Night Memorandum will reflect that the Board's consideration of Item 56 will be based on the above-stated substitute motion.

Please call Senior Assistant County Attorney Adam Katzman (ext. 7608) or me with any questions or concerns regarding this matter.
