MEMORANDUM

DATE: February 13, 2019

MEMO TO: John Greene
Risk Management Director

FROM: Kettly Calixte, Manager
Risk Management/Workers' Compensation 

CC: Jeff Hessler, Risk Management Assistant Director

SUBJECT: **Request for Increase in Funding for the Payment of High Exposure Workers Compensation Claims**

The purpose of this Memorandum is to request additional funding for the Workers Compensation budget.

The request is for an additional \$2,000,000 for the settlement of claims.

In settling claims, we will target the claims that economically make more sense to settle than to pay out over an extended period of time. These efforts are projected to result in long term savings to BSO and the taxpayers of Broward County.

I have attached as Attachment 1 some potential cases for settlement.
