This Joint Participation Agreement ("Agreement") between Broward County, a political subdivision of the State of Florida ("County"), and City of Pompano Beach, a municipal corporation organized and existing under the laws of the State of Florida ("City") (collectively, the "Parties"), is entered into and effective as of the date this Agreement is fully executed by the Parties ("Effective Date").

B. County and City seek to construct a mast arm traffic signal system, as described in Exhibit A attached hereto, in conjunction with other roadway improvements, described in greater detail herein, at the Project Intersection (collectively, the "Project").

C. County and City agree that it is of mutual benefit to undertake the Project, and further agree to jointly fund and complete the Project in accordance with this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

### **ARTICLE 8 - INDEMNIFICATION**

- 8.1 City and County are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the acts and omissions of their own agents or employees, who are acting within the scope of their employment and to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party nor will anything included herein be construed as consent to be sued by third parties in any matter arising out of this Agreement or any other contract.
- 8.2 If City contracts with a third party to provide the services set forth herein, any contract with such third party must include the following provision:
- 8.2.1 Indemnification: City's contractor will indemnify and hold harmless County, its officers, agents, and employees, from liabilities, damages, losses, and costs, including, but not limited to reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of City's contractor and other persons employed or utilized by City's contractor in the performance of this Agreement. These indemnifications will survive the term of this Agreement. If any action or proceeding is brought against County by reason of any such claim or demand, City's contractor must, upon written notice from County, resist and defend such action or proceeding by counsel satisfactory to County.
- 8.3 The provisions of this article will survive the termination of this Agreement.

### **ARTICLE 9 - INSURANCE**

- 9.1 City is a governmental entity and is fully responsible for the acts and omissions of its agents or employees, subject to any applicable limitations of Section 768.28, Florida Statutes.
- 9.2 Upon request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.
- 9.3 If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis. County's insurance

requirements shall apply to City's self-insurance.

- 9.4 In the event City contracts with a third-party to provide any of the services set forth herein, City shall require that each third-party procure and maintain insurance coverage that adequately covers each third-party's exposure based on the services provided by that third-party. City must ensure that all such third-party contractors name "Broward County" as an additional insured and certificate holder under applicable insurance policies. City shall not permit any third-party to provide services until the insurance requirements of the contractor under this section are met. If requested by County, City shall furnish evidence of insurance of all such third-parties.
- 9.5 County reserves the right, but not the responsibility, to periodically review any and all insurance policies and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Contract.

#### **ARTICLE 10 - MISCELLANEOUS**

- 10.1 Documents. Copies of any and all reports, photographs, surveys, plans, and other data and documents provided or created in connection with this Agreement must be provided to County at no cost upon request.
- 10.2 Third Party Beneficiaries. Neither City nor County intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.
- 10.3 Assignment and Performance. Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered by City or County without the written consent of the other party. City represents that each person and entity that will provide services under this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render services. City agrees that all services under this Agreement will be performed in a skillful and respectful manner, and that the quality of all such services will equal or exceed prevailing industry standards for the provision of such services.
- 10.4 Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and that each is, therefore, a material term of this Agreement. City or County's failure to enforce any provision of this Agreement will not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement will not be deemed a waiver

of any subsequent breach and will not be construed to be a modification of the terms of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of that party.

- 10.5 Compliance with Laws. City and County will comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing their duties, responsibilities, and obligations under this Agreement.
- 10.6 Severance. If any part of this Agreement is found to be unenforceable by a court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement will remain in full force and effect.
- 10.7 Joint Participation. This Agreement has been jointly prepared by the Parties, and must not be construed more strictly against either party.
- 10.8 Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, or referenced or incorporated herein and any provision of Articles 1 through 10 of this Agreement, the provisions contained in Articles 1 through 10 will prevail and be given effect.
- 10.9 Law, Jurisdiction, Venue, Waiver of Jury Trial. This Agreement will be interpreted and construed in accordance with and governed by the laws of the State of Florida. All parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Agreement will be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **BY ENTERING INTO THIS AGREEMENT, CITY AND COUNTY HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**
- 10.10 Amendments. No modification, amendment, or alteration in the terms or conditions contained herein will be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the Board and City or others delegated authority to or otherwise authorized to execute same on their behalf.
- 10.11 Incorporation by Reference. The attached Exhibits A, B, and C are incorporated into and made a part of this Agreement.
- 10.12 Representation of Authority. Each individual executing this Agreement on behalf of a party hereto hereby represents and warrants that he or she is, on the date he or she signs this Agreement, duly authorized by all necessary and appropriate

action to execute this Agreement on behalf of such party and does so with full legal authority.

- 10.13 Multiple Originals. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same agreement.
