Hi Jeannette,

We are concerned that MCT Service does not have sufficient staff or equipment to service both Groups 4 & 5. Section H.3, Special Instructions states that purchase orders will be issued to the next vendor when the current vendor is unable to perform or when the County determines that the current vendor's maximum service capacity has been reached (based on outstanding purchase orders) and additional service capacity is needed. What is the process for FMD to activate the Tertiary Vendor for Group 4 or Group 5?

Thank you,

Good afternoon Robin,

Due to my Father's passing and obtaining the two groups with conditions of serious neglect, rampant call from building mangers of various site to service their site first; I found it to be overwhelming along with having to deal with my Father's passing out of state. I was in a emotional crisis will trying to satisfy everyone. Now that I have had time to pray and grieve and refocus I would like to continue with Groups 4 & 4 or just Group 4 if it is possible.

With sincere appreciation for your well wishes,

Tammy Buffington

Good morning Robin. Due to a recent diagnosis and ongoing treatment, I can no longer service Group 4.
