WHEREAS, the Housing Finance Authority desires to enter into a Trust Indenture between The Bank of New York Mellon Trust Company, N.A., a national banking association, as trustee, paying agent, and registrar (the “Trustee”) and the Housing Finance Authority (the “Indenture”), in substantially the form attached hereto as Exhibit “A”, for the purpose of setting forth the terms, conditions, and covenants (i) upon which the Housing Finance Authority will issue the Bonds, which proceeds shall be used in order for the Housing Finance Authority to make the Loan to finance the acquisition, rehabilitation, and equipping of the Project, and (ii) that are necessary to secure the Bonds and protect the rights of the holder of the Bonds; and

WHEREAS, the Ordinance requires that all contracts of the Housing Finance Authority in connection with the issuance of the Bonds be approved by the Board.

NOW THEREFORE, BE IT RESOLVED BY THE HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA:

Section 1. Declaration of Findings. The Housing Finance Authority hereby finds, determines and declares the matters hereinabove set forth.

Section 2. Ratification of Public Hearing. The Housing Finance Authority hereby ratifies the actions of the Housing Finance Authority staff in (i) publishing the TEFRA Notice in the *Sun Sentinel* on April 10, 2019, and (ii) conducting the TEFRA Hearing on April 25, 2019, all prior to and in connection with the issuance of the Bonds.

Section 3. Authorization of the Bonds. The Housing Finance Authority hereby authorizes, under the authority of the Act and the Ordinance, and subject to the terms as hereinafter set forth, the issuance of the Bonds to be designated "Housing Finance Authority of Broward County, Florida Multifamily Housing Revenue Bonds, 2019 Series B (Praxis of Deerfield Beach)" in an aggregate principal amount of not to exceed \$25,000,000.

Section 4. Details of Bonds. The Bonds shall be issued under and secured by the Indenture, by which reference is hereby incorporated into this Resolution as if set forth in full herein. The proceeds of the Bonds shall be applied as provided in the Indenture, and the Bonds shall mature in the amounts and at the times, bear interest at such rates, be subject to redemption at the prices and upon the terms, and shall have such other characteristics as shall be provided in the Indenture, attached hereto as Exhibit "A", and the Bond Purchase Agreement, attached hereto as Exhibit "D"; provided, that (i) the interest rate on the Bonds shall not exceed 6.00% per annum, and (ii) the Bonds shall finally mature not later than 40 years from the date of issuance thereof. The Bonds shall be executed, authenticated and delivered by the officers of the Housing Finance Authority authorized below in substantially the form set forth in the Indenture in fully registered form.

The Housing Finance Authority has no taxing power. The Bonds and obligations arising thereunder do not create or reflect liability of the Housing Finance Authority or any member, official, or employee thereof, except as otherwise described in this Section 5.

Section 6. Execution of Bonds. The Chair or Vice Chair and Secretary or Assistant Secretary of the Housing Finance Authority are hereby authorized and directed to execute by manual or facsimile signature, and place the seal of the Housing Finance Authority, in manual or facsimile form, on the Bonds. ("Bond Counsel") and the County Attorney's Office of Broward County (the "County Attorney"), may deem necessary and appropriate, and as are not inconsistent with the Indenture and this Resolution. The execution and delivery of the Bonds by the aforementioned persons shall be conclusive evidence of the Housing Finance Authority's approval and authorization thereof.

Section 7. Authentication and Delivery of the Bonds. Upon the execution of the Bonds, the Housing Finance Authority shall deliver the Bonds to the Trustee for authentication, and the

RBC Capital Markets, LLC is hereby appointed to act as Bidding Agent under the Bond Purchase Agreement for certain Permitted Investments (as defined in the Indenture) to be purchased with amounts on deposits in certain funds under the Indenture.

Such execution and delivery shall be conclusive evidence of the approval and authorization thereof by the Housing Finance Authority.

Section 13. Appointment of Trustee, Paying Agent and Registrar. The Bank of New York Mellon Trust Company, N.A., having its designated corporate trust office in Jacksonville, Florida, is hereby appointed Trustee, Paying Agent, and Registrar under the Indenture, and the Housing Finance Authority approves the form and content of the Trustee Fee Agreement presented at this meeting and attached hereto as Exhibit "F". The Chair or Vice Chair of the Housing Finance Authority is hereby authorized to execute and deliver the Trustee Fee Agreement, and the Secretary or Assistant Secretary is hereby authorized to place the Housing Finance Authority's seal thereon and attest thereto, in substantially the form presented at this meeting and attached hereto as Exhibit "F", with such changes, modifications, deletions, and insertions as the Chair or Vice Chair, with the

advice of Bond Counsel and the County Attorney, may deem necessary and appropriate. Such execution and delivery shall be conclusive evidence of the approval thereof by the Housing Finance Authority.

Section 14. Subordinate Financing. The Housing Finance Authority hereby acknowledges that the Borrower intends to secure subordinate financing for the Project in the form of a loan from (i) Stafford Place Praxis Limited Partnership, the seller of the Project (the "Seller"), in the approximate principal amount of \$2,000,000 (the "Seller Loan"), and (ii) Sterling Bank of equity bridge funds in the approximate principal amount of \$3,600,000 (the "Bridge Loan" and, together with the Seller Loan, the "Subordinate Financing"). Given the need for additional affordable rental units in the County, the high development costs associated with the Project, and the favorable financing terms of the Subordinate Financing, the Housing Finance Authority hereby determines that it is in the public interest to consent to such Subordinate Financing in this instance. Accordingly, the Housing Finance Authority (i) authorizes the Chair or Vice Chair of the Housing Finance Authority to consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Bond Counsel and the County Attorney may deem necessary and appropriate, and (ii) directs the Trustee to, as necessary, consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Bond Counsel and the County Attorney may deem necessary and appropriate.

Section 15. Waiver of Audit Fee. The Ordinance no longer requires an audit of multifamily developments. Accordingly, the Borrower has requested a waiver of the fee required to be paid by the Borrower for the services of the Housing Finance Authority's auditor to audit the

Project and the Bonds annually. The Housing Finance Authority waives such audit fee in connection with the Project.

Section 16. Sale of Bonds. It is hereby found and determined that due to the characteristics of the financing and the prevailing and anticipated market conditions, it is in the best interest of the Housing Finance Authority to negotiate the sale of the Bonds. The negotiated sale of the Bonds, upon substantially the terms and conditions set forth in the Bond Purchase Agreement, attached hereto as Exhibit "D", is hereby approved. The Bonds shall be sold (subject to such terms and conditions) in the amounts, at the prices and upon the final terms set forth in the Bond Purchase Agreement as may be approved by the Chair or Vice Chair and attested to by the Secretary; provided, that (a) the purchase price of the Bonds shall be not less than 100% of the original principal amount thereof, and (b) the gross underwriting spread or compensation to be paid to the Purchaser shall not exceed 1.00% of the principal amount of the Bonds.

Section 17. Further Actions and Ratifications of Prior Actions. The officers, agents, and employees of the Housing Finance Authority and the officers, agents, and employees of the Trustee are hereby authorized and directed to do all acts and things required of them by the provisions of the Bonds, the Indenture, the Loan Agreement, the Land Use Restriction Agreement, the Bond Purchase Agreement, the Preliminary Official Statement, the Official Statement, the Trustee Fee Agreement (collectively, the "Bond Documents") and this Resolution, and to execute and deliver any and all additional documents, instruments, certificates, and affidavits necessary or advisable to effectuate the foregoing. All actions heretofore undertaken by the officers, agents, and employees of the Housing Finance Authority with respect to (i) the provisions of the Bonds and the Bond Documents, and (ii) the issuance of the Bonds, are hereby ratified and approved.

hereby authorized and approved by the Housing Finance Authority, and the Chair or Vice Chair of the Housing Finance Authority is hereby authorized to execute and deliver the Subordinate Loan Agreement, and the Secretary or Assistant Secretary is hereby authorized to place the Housing Finance Authority's seal thereon and attest thereto, in the form presented at this meeting and attached hereto as Exhibit "H", together with such changes, modifications, and deletions as they, with the advice of Note Counsel and the County Attorney, may deem necessary and appropriate. Such execution and delivery shall be conclusive evidence of the approval and authorization thereof by the Housing Finance Authority.

Section 16. Approval of Assignment of Subordinate Mortgage. The form and content of the Assignment of Subordinate Mortgage and Loan Documents made by the Housing Finance Authority to and in favor of the Seller (the "Assignment of Subordinate Mortgage"), as presented at this meeting and attached hereto as Exhibit "I", is hereby authorized and approved by the Housing Finance Authority, and the Chair or Vice Chair of the Housing Finance Authority is hereby authorized to execute and deliver the Assignment of Subordinate Mortgage, and the Secretary or Assistant Secretary is authorized to place the Housing Finance Authority's seal thereon and attest thereto, in the form presented at this meeting and attached hereto as Exhibit "I", together with such changes, modifications, and deletions as they, with the advice of Note Counsel and the County Attorney, may deem necessary and appropriate. Such execution and delivery shall be conclusive evidence of the approval and authorization thereof by the Housing Finance Authority.

Section 17. Subordinate Financing. The Housing Finance Authority hereby acknowledges that the Borrower intends to secure subordinate financing for the Project in the form of a loan from (i) the County of affordable housing funds in the approximate principal amount of \$1,500,000 (the "County Loan"), (ii) Great Southern Bank of equity bridge funds in the approximate principal amount of \$4,500,000 (the "Bridge Loan"), and (iii) the City of Pompano Beach, Florida of State Housing

Initiatives Partnership (SHIP) Program funds in the approximate principal amount of \$202,977, which existing loan Borrower will assume from the Seller (the “SHIP Loan” and, together with the County Loan and the Bridge Loan, the “Subordinate Financing”). Given the need for additional affordable rental units in the County, the high development costs associated with the Project, and the favorable financing terms of the Subordinate Financing, the Housing Finance Authority hereby determines that it is in the public interest to consent to such Subordinate Financing in this instance. Accordingly, the Housing Finance Authority (i) authorizes the Chair or Vice Chair of the Housing Finance Authority to consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Note Counsel and the County Attorney may deem necessary and appropriate, and (ii) directs the Fiscal Agent to, as necessary, consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Note Counsel and the County Attorney may deem necessary and appropriate.

Section 18. Waiver of Audit Fee. The Ordinance no longer requires an audit of multifamily developments. Accordingly, the Borrower has requested a waiver of the fee required to be paid by the Borrower for the services of the Housing Finance Authority’s auditor to audit the Project and the Notes annually. The Housing Finance Authority waives such audit fee in connection with the Project.

Section 19. Sale of Notes. It is hereby found and determined that due to the characteristics of the financing and the prevailing and anticipated market conditions, it is in the best interest of the Housing Finance Authority to negotiate the sale of the Notes. The negotiated sale of the 2019 Series A-1 Note to Citibank, N.A., or its affiliates, at a price of par pursuant to the terms of the 2019 Series A-1 Term Sheet attached hereto as Exhibit “J”, is hereby approved. Additionally, the negotiated sale of the 2019 Series A-2 Note to the Seller, at a price of par pursuant to the terms of the 2019 Series A-2 Term Sheet attached hereto as Exhibit “K”, is hereby approved. The Chair or

Vice Chair and the Secretary or Assistant Secretary are authorized to make any and all changes to the form of the Notes which shall be necessary to conform the same to the 2019 Series A-1 Term Sheet and/or the 2019 Series A-2 Term Sheet, as applicable, and which they, with the advice of Note Counsel and the County Attorney, may deem necessary and appropriate. The purchase of such Notes shall constitute a "loan to a lending institution" within the meaning of Section 159.608(5), Florida Statutes. Additionally, the Notes shall constitute "Bonds" for purposes of, and as defined under, the Act.

Section 20. Certificated Notes. It is in the best interest of the Housing Finance Authority and the Borrower that the Notes be issued utilizing a certificated form and not utilizing a book-entry system of registration.

Section 21. Further Actions and Ratification of Prior Actions. The officers, agents, and employees of the Housing Finance Authority and the officers, agents, and employees of the Fiscal Agent are hereby authorized and directed to do all acts and things required of them by the provisions of the Notes, the Funding Loan Agreement, the Project Loan Agreement, the Land Use Restriction Agreement, the Assignment of Security Instrument, the Assignment of Project Note, the Placement Agent Agreement, the Fiscal Agent Fee Agreement, the Subordinate Loan Agreement, the Assignment of Subordinate Mortgage (collectively, the "Note Loan Documents") and this Resolution, and to execute and deliver any and all additional documents necessary or advisable to effectuate the foregoing. All actions heretofore undertaken by the officers, agents, and employees of the Housing Finance Authority with respect to (i) the provisions of the Notes and the Note Loan Documents, and (ii) the issuance of the Notes, are hereby ratified and approved.

Section 22. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meaning ascribed to such terms in the Funding Loan Agreement, the Project Loan Agreement and the Subordinate Loan Agreement, as applicable.

Section 23. Resolution Effective. This Resolution shall take effect immediately upon its adoption.

The countersignature of the Authorized Officer of the Servicer (and the Bridge Lender with respect to a disbursement from the Bridge Loan Account) on a Requisition shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Continuing Covenant Agreement (and the Bridge Loan Documents with respect to the Bridge Loan Account) applicable to such disbursement have been fully satisfied or waived. The Fiscal Agent shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer (and the Bridge Lender with respect to a disbursement from the Bridge Loan Account), initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained herein, no signature of an Authorized Officer of the Borrower or the Bridge Lender shall be required during any period in which a default has occurred and is then continuing under the Loans or any Financing Document (notice of which default has been given in writing by the Funding Lender Representative or the Servicer to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default).

(d) If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer (and the Bridge Lender with respect to a disbursement from the Bridge Loan Account) or (as permitted hereunder) solely by an Authorized Officer of the Servicer, is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all

amounts on deposit in the Project Loan Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Loan Fund.

(e) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to Section 3.01(b)(i) hereof, any amount then remaining in the Project Loan Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Loan Prepayment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Project Account of the Project Loan Fund following completion of the rehabilitation of the Project in accordance with the Continuing Covenant Agreement, evidenced by an instrument signed by the Funding Lender Representative or the Servicer, shall be transferred to the Loan Prepayment Fund and used to prepay the Funding Loan in accordance with Section 3.01(b)(ii) hereof, unless the Fiscal Agent receives an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that a use of such money for other than prepayment of the Funding Loan will not adversely affect the tax exempt status of the Governmental Note; provided, that any amounts in the Project Account of the Project Loan Fund in excess of the amount needed to fund the related prepayment of the Funding Loan shall be transferred to the Rebate Fund. In the event there are funds remaining in the Borrower Equity Account following completion of the rehabilitation of the Project in accordance with the Continuing Covenant Agreement [and the Stabilization Requirements (as defined in the Continuing Covenant Agreement)] have been satisfied, evidenced by an instrument signed by the Funding Lender Representative, and provided no default by the Borrower exists under this Funding Loan Agreement or any Project Loan Document, such funds shall be paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative or the Servicer.

(f) Amounts on deposit in the Project Loan Fund shall be invested as provided in Section 4.08 hereof. All Investment Income on amounts on deposit in the Project Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Loan Fund, and shall constitute part of any transfers required by subsection (b) or (e) of this Section 4.02.

Section 4.03 Application of Revenues.

(a) All Revenues received by the Fiscal Agent shall be deposited by the Fiscal Agent, promptly upon receipt thereof, to the Revenue Fund, except (i) the proceeds of the Funding Loan received by the Fiscal Agent on the Delivery Date, which shall be applied in accordance with the provisions of Section 2.11 hereof; (ii) as otherwise specifically provided in subsection (c) of this Section 4.03 with respect to certain deposits into the Loan Prepayment Fund; (iii) with respect to Investment Income to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (iv) with respect to amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) Subject to Section 2.12 hereof, on each Interest Payment Date or any other date on which payment of principal of or interest on the Funding Loan becomes due and payable, the Fiscal Agent, out of money in the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations hereinafter indicated with respect thereto, as follows:

FIRST: to the Loan Payment Fund, an amount equal to the principal of and interest due on the Funding Loan on such date (including scheduled principal pursuant to the Funding Loan Amortization Schedule); and

SECOND: to the Loan Prepayment Fund, an amount equal to the principal and interest due on the Funding Loan on such date with respect to a mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b) hereof (other than an extraordinary mandatory prepayment as described in Section 4.03(c)(i) or (iii) below).

(c) Promptly upon receipt, the Fiscal Agent shall deposit directly to the Loan Prepayment Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Project Loan, such amount to be applied to provide for the extraordinary mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b)(i) hereof; (ii) funds paid to the Fiscal Agent to be applied to the optional prepayment of all of the Funding Loan pursuant to Section 3.01(a); and (iii) amounts transferred to the Loan Prepayment Fund from the Project Loan Fund pursuant to Section 4.02(e) hereof.

(d) Subject to Section 2.12 hereof, should the amount in the Loan Payment Fund be insufficient to pay the amount due on the Funding Loan on any given Interest Payment Date, the Fiscal Agent shall credit to the Loan Payment Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the Revenue Fund; and (2) the Loan Prepayment Fund, except no such charge to the Loan Prepayment Fund shall be made from money to be used to effect a prepayment for which notice of prepayment has been provided for hereunder.

Section 4.04 Application of Loan Payment Fund. Subject to Section 2.12 hereof, the Fiscal Agent shall charge the Loan Payment Fund, on each Interest Payment Date, an amount equal to the unpaid interest and principal due on the Funding Loan on such Interest Payment Date as provided in Section 4.03(a) and (b), and shall cause the same to be applied to the payment of such interest and principal when due. Any money remaining in the Loan Payment Fund on any Interest Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Loan Prepayment Fund to prepay the Funding Loan if called for prepayment on such Interest Payment Date, be transferred to the Loan Prepayment Fund to be applied for such purpose.

Any Investment Income on amounts on deposit in the Loan Payment Fund shall be deposited by the Fiscal Agent upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Loan Payment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.05 Application of Loan Prepayment Fund. Any money credited to the Loan Prepayment Fund shall be applied as set forth in Sections 4.03(b) and 4.03(c) hereof; provided, however, that to the extent any money credited to the Loan Prepayment Fund is in excess of the amount necessary to effect the prepayments described in Sections 4.03(b) and 4.03(c) hereof it shall be applied to make up any deficiency in the Loan Payment Fund on any Interest Payment Date, to the extent money then available in accordance with Section 4.03(d) hereof in the Revenue Fund is insufficient to make up such deficiency; provided that no money

to be used to effect a prepayment for which a notice of prepayment has been provided shall be so transferred to the Loan Payment Fund.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Loan Prepayment Fund shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Loan Prepayment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

Section 4.06 Administration Fund. Subject to Section 2.12 hereof, the Fiscal Agent shall deposit into the Administration Fund, promptly upon receipt thereof, all amounts received from the Servicer (or the Borrower and/or the Guarantor if no Servicer exists for the Loans) designated for deposit into such fund. Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent and used **FIRST**, to pay to the Fiscal Agent when due the Ordinary Fiscal Agent's Fees and Expenses; **SECOND**, to pay to the Governmental Lender when due the Ongoing Governmental Lender Fee; **THIRD**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under this Funding Loan Agreement and the Project Loan Agreement, upon receipt of an invoice from the Rebate Analyst; **FOURTH**, to pay to the Fiscal Agent any Extraordinary Fiscal Agent's Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and the Servicer; **FIFTH**, to pay to the Governmental Lender any extraordinary expenses it may incur in connection with the Loans or this Funding Loan Agreement from time to time, as set forth in an invoice submitted to the Fiscal Agent and the Servicer; **SIXTH**, to pay to the Funding Lender Representative any unpaid amounts due under the Continuing Covenant Agreement, as certified in writing by the Funding Lender Representative to the Fiscal Agent; **SEVENTH**, to make up any deficiency in the Loan Prepayment Fund on any prepayment date of the Funding Loan, to the extent money then available in accordance with Section 4.03(d) hereof in the Loan Prepayment Fund is insufficient to prepay the Funding Loan scheduled for prepayment on such prepayment date; and **EIGHTH**, to transfer any remaining balance not required for the forgoing purposes as aforesaid to the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give written notice to the Borrower and the Servicer of such deficiency and of the amount of such deficiency and request payment within two (2) Business Days to the Fiscal Agent of the amount of such deficiency. Upon payment by the Borrower (or the Guarantor with respect to a deficiency in the payment to the Governmental Lender of the Subordinate Ongoing Governmental Lender Fee caused by the Surplus Cash Limitation (as defined in the following paragraph)) or the Servicer of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Notwithstanding anything in this Funding Loan Agreement to the contrary, in no event shall the Borrower use or be required to use more than 75% of Surplus Cash (as defined herein) then available toward the payment of the Subordinate Ongoing Governmental Lender Fee (the "Surplus Cash Limitation"). Notwithstanding the immediately preceding sentence, the Guarantor shall, pursuant to the Fee Payment Guaranty, be responsible for paying or causing to be paid any

and all deficiencies in the amount available to pay the Subordinate Ongoing Governmental Lender Fee as a result of the Surplus Cash Limitation. For the avoidance of doubt, the payment provisions relating to the Subordinate Ongoing Governmental Lender Fee are included in this Funding Loan Agreement solely as an administrative matter at the request of the Governmental Lender to provide a procedure for the collection and payment thereof to the Governmental Lender, and the obligation to pay the Subordinate Ongoing Governmental Lender Fee is solely an obligation (i) of the Borrower under the Subordinate Loan Documents, and (ii) upon a deficiency in the amount available to pay the Subordinate Ongoing Governmental Lender Fee as a result of the Surplus Cash Limitation, of the Guarantor under the Fee Payment Guaranty, and a failure to pay the Subordinate Ongoing Governmental Lender Fee, in whole or in part, shall not constitute a breach of an obligation or an Event of Default under this Funding Loan Agreement or any other Financing Document.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in this Article IV and Section 6.05 hereof.

Section 4.07 [Reserved].

Section 4.08 Investment of Funds. The money held by the Fiscal Agent shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Fiscal Agent, at the written direction of the Borrower (or, in the case of the Rebate Fund, as provided in Section 5.07(b)), in Qualified Investments which mature or shall be subject to prepayment or withdrawal at par without penalty on or prior to the earlier of (i) six months from the date of investment and (ii) the date such money is needed; provided, that if the Fiscal Agent shall have entered into any investment agreement requiring investment of money in any fund or account hereunder in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such requirements. Such investments may be made through the investment or securities department of the Fiscal Agent. The Fiscal Agent may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Fiscal Agent shall be entitled to assume, absent receipt by the Fiscal Agent of written notice to the contrary, that any investment which at the time of purchase is a Qualified Investment remains a Qualified Investment thereafter.

The Fiscal Agent may conclusively rely upon the Borrower's written instructions as to both the suitability and legality of the directed investments so long as the directed investment is a Qualified Investment. In the absence of investment instructions from the Borrower, the Fiscal Agent shall hold the moneys held by it hereunder uninvested.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof

shall be charged against the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Fiscal Agent shall not be liable or responsible for any loss resulting from any investment made in accordance herewith.

The Governmental Lender acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Governmental Lender the right to receive brokerage confirmations of the security transactions as they occur, to the extent permitted by law, the Governmental Lender specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Fiscal Agent hereunder, that no brokerage confirmations need be sent relating to the security transactions as they occur.

In computing for any purpose hereunder the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

Section 4.09 [Reserved].

Section 4.10 Accounting Records. The Fiscal Agent shall maintain accurate books and records for all funds and accounts established hereunder.

Section 4.11 Amounts Remaining in Funds. After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender and the Servicer and other amounts required to be paid hereunder or under any Project Loan Document, including, but not limited to, the Continuing Covenant Agreement (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender and by the Funding Lender Representative or the Servicer on its behalf with respect to amounts owed under the Continuing Covenant Agreement and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

Section 4.12 Rebate Fund; Compliance with Tax Certificate. The Rebate Fund shall be established by the Fiscal Agent and held and applied as provided in this Section 4.12. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the government of the United States of America, and neither the Governmental Lender, the Borrower nor the Funding Lender shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 4.12 and by the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Governmental Lender, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not

be required to take any actions under the Tax Certificate in the absence of written instructions from the Governmental Lender, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Rebate Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Rebate Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “**Rebatable Arbitrage**”). Pursuant to Section 2.04 of the Project Loan Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Governmental Lender. In the event that the Borrower fails to provide such information to the Fiscal Agent and the Governmental Lender within 55 days of the end of each fifth Rebate Year, the Fiscal Agent, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Governmental Lender, and shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage as required herein.

Within 55 days of the end of each fifth Rebate Year, upon the written direction of the Governmental Lender, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Fiscal Agent from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Fiscal Agent shall pay, as directed by the Governmental Lender, Bond Counsel or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

- (i) Not later than 60 days after the end of (A) the fifth Rebate Year, and (B) each applicable fifth Rebate Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Rebate Year; and
- (ii) Not later than 60 days after the payment in whole of the Funding Loan, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Rebate Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Fiscal Agent.

Notwithstanding any provision of this Funding Loan Agreement to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States of America and to comply with all other requirements of Sections 2.04 and 4.03 of the Project Loan Agreement and this Section 4.12, and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Funding Loan.

Any funds remaining in the Rebate Fund after payment in full of the Funding Loan and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Fiscal Agent, shall be withdrawn and remitted to the Borrower.

The Fiscal Agent shall obtain and keep such records of the computations made pursuant to this Section 4.12 as are required under Section 148(f) of the Code to the extent furnished to the Fiscal Agent. The Borrower shall or shall cause the Rebate Analyst to provide to the Governmental Lender and the Fiscal Agent copies of all rebate computations made pursuant to this Section 4.12. The Fiscal Agent shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Funding Loan and the investments of earnings from those investments made by the Fiscal Agent as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Governmental Note, a copy of which shall be provided to the Fiscal Agent and the Funding Lender Representative, at the expense of the Borrower.

Section 4.13 Cost of Issuance Fund. The Fiscal Agent shall use money on deposit to the credit of the Cost of Issuance Fund to pay the costs of issuance on the Delivery Date or as soon as practicable thereafter in accordance with a Requisition in the form of Exhibit D to be given to the Fiscal Agent by the Borrower on the Delivery Date, along with appropriate invoices for such expenses. Amounts in the Cost of Issuance Fund funded with proceeds of the Funding Loan, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment Income on amounts on deposit in the Cost of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Cost of Issuance Fund six (6) months after the Delivery Date shall be transferred to the Borrower. Upon such final disbursement, the Fiscal Agent shall close the Cost of Issuance Fund.

Section 4.14 Reports From the Fiscal Agent. The Fiscal Agent shall, on or before the fifteenth (15th) day of each month, file with the Funding Lender Representative, the Servicer, the Governmental Lender (at its written request) and the Borrower a statement setting forth in respect of the preceding calendar month:

- (i) the amount withdrawn or transferred by it, and the amount deposited within or on account of each fund and account held by it under the provisions of this Funding Loan Agreement, including the amount of investment income on each fund and account;
- (ii) the amount on deposit with it at the end of such month to the credit of each fund and account;
- (iii) a brief description of all obligations held by it as an investment of money in each such fund and account; and

(iv) any other information which the Funding Lender Representative or the Governmental Lender may reasonably request and to which the Fiscal Agent has access in the ordinary course of its operations.

Upon the written request of the Funding Lender, the Fiscal Agent, at the cost of the Borrower, shall provide a copy of such statement to Funding Lender. All records and files pertaining to the Pledged Security shall be open at all reasonable times to the inspection of the Governmental Lender and the Funding Lender Representative or the Servicer and their agents and representatives upon reasonable prior notice during normal business hours.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal and Interest. The Governmental Lender covenants that it will promptly pay or cause to be paid, but only from the sources identified herein, sufficient amounts to provide for the payment of the principal of, premium, if any, and interest on the Funding Loan at the place, on the dates and in the manner provided herein and in the Governmental Note, according to the true intent and meaning thereof.

Section 5.02 Performance of Covenants. The Governmental Lender covenants that it will faithfully perform at all times any and all of its covenants, undertakings, stipulations and provisions contained in this Funding Loan Agreement, in the Governmental Note and in all proceedings pertaining thereto.

Section 5.03 Instruments of Further Assurance. The Governmental Lender covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such supplements hereto, and such further acts, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Fiscal Agent all and singular its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Funding Loan. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Governmental Lender or the Fiscal Agent, become and be subject to the lien of this Funding Loan Agreement as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Governmental Lender under this Section 5.03. The Governmental Lender covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in the Pledged Security or the revenues or receipts therefrom.

The Governmental Lender will promptly notify the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any of the following:

(i) the submission of any claim or the initiation of any legal process, litigation or administrative or judicial investigation against the Governmental Lender with respect to the Loans of which the Governmental Lender has actual knowledge;

(ii) any change in the location of the Governmental Lender's principal office or any change in the location of the Governmental Lender's books and records relating to the transactions contemplated hereby;

(iii) the occurrence of any default or Event of Default of which the Governmental Lender has actual knowledge;

(iv) the commencement of any proceedings or any proceedings instituted by or against the Governmental Lender in any federal, state or local court or before any governmental body or agency, or before any arbitration board, relating to the Notes of which the Governmental Lender has actual knowledge; or

(v) the commencement of any proceedings by or against the Governmental Lender under any applicable bankruptcy, reorganization, liquidation, rehabilitation, insolvency or other similar law now or hereafter in effect or of any proceeding in which a receiver, liquidator, conservator, trustee or similar official shall have been, or may be, appointed or requested for the Governmental Lender or any of its assets relating to the Loans of which the Governmental Lender has actual knowledge.

Section 5.04 Inspection of Project Books. The Governmental Lender covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior written notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Fiscal Agent or the Funding Lender Representative may from time to time reasonably designate.

Section 5.05 No Modification of Security; Additional Indebtedness. The Governmental Lender covenants to and for the benefit of the Funding Lender that it will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

(i) alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement to which the Governmental Lender is a party, or which has been assigned to the Governmental Lender, and which relates to or affects the security for the Loans or the payment of any amount owed under the Financing Documents; or

(ii) create or suffer to be created any lien upon the Pledged Security or any part thereof other than the lien created hereby and by the Security Instrument.

Section 5.06 Damage, Destruction or Condemnation. Net Proceeds resulting from casualty to or condemnation of the Project shall be applied as provided in the Continuing Covenant Agreement and, to the extent consistent therewith, Section 3.01(b)(i) hereof.

Section 5.07 Tax Covenants.

(a) *Governmental Lender's Covenants.* The Governmental Lender covenants to and for the benefit of the Funding Lender that it will:

(i) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Funding Loan or the money and investments held in the funds

and accounts in any manner which would cause the Governmental Note to be an “arbitrage bond” under Section 148 of the Code and the Regulations issued under Section 148 of the Code (the “**Regulations**”) or which would otherwise cause the interest payable on the Governmental Note to be includable in gross income for federal income tax purposes;

(ii) enforce or cause to be enforced all obligations of the Borrower under the Tax Regulatory Agreement in accordance with its terms;

(iii) not take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Governmental Note to be includable in gross income for federal income tax purposes;

(iv) at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Funding Loan will be excluded from the gross income for federal income tax purposes, of the Funding Lender pursuant to the Code, except in the event where the Funding Lender is a “substantial user” of the facilities financed with the Loans or a “related person” within the meaning of the Code; and

(v) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Governmental Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations.

In furtherance of the covenants in this Section 5.07, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which is by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Fiscal Agent acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Funding Loan Agreement by this reference and agrees to comply with the terms specifically applicable to it.

(b) *Fiscal Agent’s Covenants.* The Fiscal Agent agrees that it will invest funds held under this Funding Loan Agreement in accordance with the covenants and terms of this Funding Loan Agreement and the Tax Certificate (this covenant shall extend through the term of the Funding Loan, to all funds and accounts created under this Funding Loan Agreement and all money on deposit to the credit of any such fund or account). The Fiscal Agent covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other Financing Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Governmental Note to be classified as an “arbitrage bond” within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Governmental Note to be includable in gross income for federal income tax purposes; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, the Funding Lender Representative, Bond Counsel or the Rebate Analyst. This covenant shall extend, throughout the term of the Funding Loan, to all funds created under this Funding Loan

Agreement and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Funding Loan Agreement, the Fiscal Agent obligates itself to comply throughout the term of the Funding Loan with the requirements of Sections 103(b) and 148 of the Code; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, Bond Counsel or the Rebate Analyst. The Fiscal Agent further covenants that should the Governmental Lender or the Borrower file with the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so file), or should the Fiscal Agent receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Funding Loan would cause the Governmental Note to become an "arbitrage bond," then the Fiscal Agent will comply with any written instructions of the Governmental Lender, the Borrower, the Funding Lender Representative or Bond Counsel regarding such investment (which shall, in any event, be a Qualified Investment) or use so as to prevent the Governmental Note from becoming an "arbitrage bond," and the Fiscal Agent will bear no liability to the Governmental Lender, the Borrower, the Funding Lender or the Funding Lender Representative for investments made in accordance with such instructions.

Section 5.08 Representations and Warranties of the Governmental Lender. The Governmental Lender hereby represents and warrants as follows:

- (a) The Governmental Lender is a public body corporate and politic duly created, organized and existing under the laws of the State.
- (b) The Governmental Lender has all necessary power and authority to issue the Governmental Note and to execute and deliver this Funding Loan Agreement, the Project Loan Agreement and the other Financing Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.
- (c) The revenues and assets pledged for the repayment of the Funding Loan are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Funding Loan Agreement, and all action on the part of the Governmental Lender to that end has been duly and validly taken.
- (d) The Financing Documents to which the Governmental Lender is a party have been validly authorized, executed and delivered by the Governmental Lender, and assuming due authorization, execution and delivery by the other parties hereto and thereto, constitute valid and binding obligations of the Governmental Lender, enforceable against the Governmental Lender in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors' rights generally and the application of equitable principles.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES OF FISCAL AGENT AND FUNDING LENDER

Section 6.01 Events of Default. Each of the following shall be an event of default with respect to the Funding Loan (an “Event of Default”) under this Funding Loan Agreement:

(a) failure to pay the principal of, premium, if any, or interest on the Funding Loan when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for prepayment thereof, by acceleration or otherwise; or

(b) failure to observe the covenants set forth in Section 5.05 hereof; or

(c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Governmental Lender (other than those set forth in Sections 5.01 and 5.05 hereof) set forth in this Funding Loan Agreement or in the Governmental Note and the continuance thereof for a period of thirty (30) days (or such longer period, if any, as is specified herein for particular defaults) after written notice thereof to the Governmental Lender from the Fiscal Agent or the Funding Lender Representative specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such thirty (30) day period through the exercise of diligence and the Governmental Lender commences the required cure within such thirty (30) day period and continues the cure with diligence and the Governmental Lender reasonably anticipates that the default could be cured within sixty (60) days, the Governmental Lender shall have sixty (60) days following receipt of such notice to effect the cure; or

(d) receipt by the Fiscal Agent of written notice from the Funding Lender Representative of the occurrence of an “Event of Default” under the Project Loan Agreement or the Continuing Covenant Agreement.

The Fiscal Agent will promptly notify the Borrower, the Governmental Lender, the Servicer and the Funding Lender Representative in writing after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

Section 6.02 Acceleration; Other Remedies Upon Event of Default.

Upon the occurrence of an Event of Default, the Fiscal Agent shall, upon the written request of the Funding Lender Representative, by notice in writing delivered to the Governmental Lender, declare the principal of the Funding Loan and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

At any time after the Funding Loan shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or

entered, the Fiscal Agent may, but only if directed in writing by the Funding Lender Representative, by written notice to the Governmental Lender and the Fiscal Agent, rescind and annul such declaration and its consequences if the Governmental Lender or the Borrower shall pay to or deposit with the Fiscal Agent a sum sufficient to pay all principal on the Funding Loan then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on the Funding Loan then due, with interest at the rate borne by the Funding Loan on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Fiscal Agent (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Financing Documents (collectively, the “**Cure Amount**”) shall have been paid in full, and all other defaults hereunder shall have been made good or cured or waived in writing by the Funding Lender Representative; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Fiscal Agent in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Funding Lender, may also proceed to protect and enforce any rights of the Fiscal Agent and, to the full extent that the Funding Lender itself might do, the rights of the Funding Lender under the laws of the State or under this Funding Loan Agreement by such of the following remedies as the Fiscal Agent shall deem most effectual to protect and enforce such rights; provided that, the Fiscal Agent may undertake any such remedy only upon the receipt of the prior written consent of the Funding Lender Representative (which consent may be given in the sole discretion of the Funding Lender Representative):

- (i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Funding Loan and to require the Governmental Lender to carry out any covenants or agreements with or for the benefit of the Funding Lender and to perform its duties under the Act, this Funding Loan Agreement, the Project Loan Agreement or the Tax Regulatory Agreement (as applicable) to the extent permitted under the applicable provisions thereof;
- (ii) by pursuing any available remedies under the Project Loan Agreement, the Tax Regulatory Agreement or any other Financing Document;
- (iii) by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder; and
- (iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Funding Lender and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Fiscal Agent in order to have the claim of the Funding Lender against the Governmental Lender allowed in any bankruptcy or other proceeding.

No remedy by the terms of this Funding Loan Agreement conferred upon or reserved to the Fiscal Agent or to the Funding Lender is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Fiscal Agent or the Funding Lender hereunder or under the Project Loan Agreement,

the Tax Regulatory Agreement, the Continuing Covenant Agreement or any other Financing Document, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Fiscal Agent or the Funding Lender, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

Section 6.03 Funding Lender Representative Control of Proceedings. If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Funding Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Funding Loan Agreement. In addition, subject to Section 7.06 of the Project Loan Agreement, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender (and in connection therewith the Fiscal Agent shall transfer or assign to the Funding Lender Representative all of its interest in the Pledged Security at the request of the Funding Lender Representative). In no event shall the exercise of any of the foregoing rights result in an acceleration of the Funding Loan without the express direction of the Funding Lender Representative.

Section 6.04 Waiver by Governmental Lender. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Governmental Lender nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or prepayment laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and prepayment to which it may be entitled under the laws of the State and the United States of America.

Section 6.05 Application of Money After Default. All money collected by the Fiscal Agent at any time pursuant to this Article shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Fiscal Agent to the Revenue Fund. Such money so credited to the Revenue Fund and all other money from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article IV hereof and this Section 6.05.

In the event that at any time the money credited to the Revenue Fund, the Loan Payment Fund and the Loan Prepayment Fund available for the payment of interest or principal then due with respect to the Governmental Note shall be insufficient for such payment, such money shall be applied as follows and in the following order of priority:

- (a) For payment of all amounts due to the Fiscal Agent incurred in performance of its duties under this Funding Loan Agreement, including, without

limitation, the payment of all reasonable fees and expenses of the Fiscal Agent incurred in exercising any remedies under this Funding Loan Agreement.

(b) To the extent directed in writing by the Funding Lender Representative, to the reimbursement of any unreimbursed advances made by or on behalf of the Funding Lender pursuant to the Continuing Covenant Agreement or the Security Instrument.

(c) Unless the full principal amount of the Funding Loan shall have become or have been declared due and payable:

FIRST: to the Funding Lender, all installments of interest then due on the Funding Loan in the order of the maturity of such installments; and

SECOND: to the Funding Lender, unpaid principal of and premium, if any, on the Funding Loan which shall have become due, whether at maturity or by call for repayment, in the order in which they became due and payable.

(d) If the full principal amount of the Governmental Note shall have become or have been declared due and payable, to the Funding Lender for the payment of the principal of, premium, if any, and interest then due and unpaid on the Funding Loan without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest.

Section 6.06 Remedies Not Exclusive. No right or remedy conferred upon or reserved to the Fiscal Agent, the Funding Lender or the Funding Lender Representative by the terms of this Funding Loan Agreement is intended to be exclusive of any other right or remedy, but each and every such remedy shall be cumulative and shall be in addition to every other right or remedy given to the Fiscal Agent, the Funding Lender or the Funding Lender Representative under this Funding Loan Agreement or existing at law or in equity or by statute (including the Act).

Section 6.07 Fiscal Agent May Enforce Rights Without Governmental Note. All rights of action and claims, including the right to file proof of claims, under this Funding Loan Agreement may be prosecuted and enforced by the Fiscal Agent at the written direction of the Funding Lender Representative without the possession of the Governmental Note or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Funding Lender Representative to direct proceedings hereunder, any such suit or proceeding instituted by the Fiscal Agent shall be brought in its name as Fiscal Agent without the necessity of joining as plaintiffs or defendants any Funding Lender, and any recovery or judgment shall be for the benefit as provided herein of the Funding Lender.

Section 6.08 [Reserved].

Section 6.09 Termination of Proceedings. In case the Fiscal Agent (at the written direction of the Funding Lender Representative) or the Funding Lender Representative shall have proceeded to enforce any right under this Funding Loan Agreement by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the

Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower and the Funding Lender shall be restored to their former positions and rights hereunder with respect to the Pledged Security herein conveyed, and all rights, remedies and powers of the Fiscal Agent and the Funding Lender Representative shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Fiscal Agent shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Funding Loan upon the written direction of the Funding Lender Representative. In case of any such waiver or rescission, or in case any proceeding taken by the Fiscal Agent on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Borrower, the Servicer, the Funding Lender Representative and the Funding Lender shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Interest on Unpaid Amounts and Default Rate for Nonpayment. In the event that principal of or interest payable on the Funding Loan is not paid when due, there shall be payable on the amount not timely paid, on each Interest Payment Date, interest at the Default Rate, to the extent permitted by law. Interest on the Funding Loan shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 6.12 Assignment of Project Loan; Remedies Under the Project Loan.

(a) The Funding Lender Representative shall have the right, with respect to the Project Loan, in its sole and absolute discretion, without directing the Fiscal Agent to effect an acceleration of the Funding Loan, to instruct the Fiscal Agent in writing to assign the Project Note, the Security Instrument and the other Project Loan Documents to the Funding Lender Representative, in which event the Fiscal Agent shall (a) endorse and deliver the Project Note to the Funding Lender Representative and assign (in recordable form) the Security Instrument, (b) execute and deliver to the Funding Lender Representative all documents prepared by the Funding Lender Representative necessary to assign (in recordable form) all other Project Loan Documents to the Funding Lender Representative and (c) execute all such documents prepared by the Funding Lender Representative as are necessary to legally and validly effectuate the assignments provided for in the preceding clauses (a) and (b). The Fiscal Agent's assignments to the Funding Lender Representative pursuant to this Section 6.12 shall be without recourse or warranty except that the Fiscal Agent shall represent and warrant in connection therewith (A) that the Fiscal Agent has not previously endorsed or assigned any such documents or instruments and (B) that the Fiscal Agent has the corporate authority to endorse and assign such documents and instruments and such endorsements and assignments have been duly authorized.

(b) The Funding Lender Representative shall have the right, in its own name or on behalf of the Governmental Lender or the Fiscal Agent, to declare any default and exercise any remedies under the Project Loan Agreement, the Project Note or the Security Instrument, whether or not the Governmental Note has been accelerated or declared due and payable by reason of an Event of Default or the occurrence of a mandatory prepayment.

Section 6.13 Substitution. Upon receipt of written notice from the Funding Lender Representative and the approval and consent of the Governmental Lender, as and to the extent

permitted under the Tax Regulatory Agreement, the Fiscal Agent shall exchange the Project Note and the Security Instrument for a new Project Note and Security Instrument, evidencing and securing the loan, as assumed (the “New Project Loan”), which may be executed by a person other than the Borrower (the “New Borrower”), provided that if the Fiscal Agent, the Funding Lender or a nominee of the Fiscal Agent or the Funding Lender has acquired the Project through foreclosure, by accepting a deed in lieu of foreclosure or by comparable conversion of the Project, no approval from the Governmental Lender of such exchange shall be required. Prior to accepting a New Project Loan, the Fiscal Agent shall have received (i) written evidence that the New Borrower shall have executed and recorded a document substantially in the form of the Tax Regulatory Agreement (or executed and recorded an assumption of all of the Borrower’s obligations under the Tax Regulatory Agreement in form and substance acceptable to the Governmental Lender and approved by its governing body) and that the Project Loan Documents have been modified as necessary to be applicable to the New Project Loan, and (ii) an opinion of Bond Counsel, to the effect that such exchange and modification, in and of itself, shall not affect the exclusion, from gross income, for federal income tax purposes of the interest payable on the Governmental Note.

ARTICLE VII

CONCERNING THE FISCAL AGENT

Section 7.01 Standard of Care. The Fiscal Agent, prior to an Event of Default as defined in Section 6.01 hereof and after the curing or waiver of all such events which may have occurred (i) shall perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and (ii) no implied covenants or obligations should be read into this Funding Loan Agreement against the Fiscal Agent. The Fiscal Agent, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by this Funding Loan Agreement and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person’s own affairs.

The permissive right of the Fiscal Agent to do things enumerated in this Funding Loan Agreement or the Project Loan Agreement shall not be construed as a duty. No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligence or willful misconduct, except that:

(a) prior to an Event of Default hereunder, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Fiscal Agent shall be determined solely by the express provisions of this Funding Loan Agreement, and the Fiscal Agent shall not be liable except with regard to the performance of such duties and obligations as are specifically set forth in this Funding Loan Agreement; and

(ii) in the absence of bad faith on the part of the Fiscal Agent, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion

furnished to the Fiscal Agent by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Fiscal Agent shall not be liable for any error of judgment made in good faith by an officer or employee of the Fiscal Agent except for willful misconduct or negligence by the officer or employee of the Fiscal Agent as the case may be; and

(ii) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Funding Lender Representative relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any trust or power conferred upon the Fiscal Agent under this Funding Loan Agreement.

Before taking any action under this Funding Loan Agreement relating to an Event of Default or in connection with its duties under this Funding Loan Agreement other than making payments of principal and interest on the Governmental Note as they become due or causing an acceleration of the Governmental Note whenever required by the Funding Loan Agreement, the Fiscal Agent may require that satisfactory indemnity be furnished to it for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances, but except for liability which is adjudicated to have resulted from the Fiscal Agent's own negligence or willful misconduct in connection with any action so taken.

When the Fiscal Agent incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 7.02 Reliance Upon Documents. Except as otherwise provided in Section 7.01 hereof:

(a) the Fiscal Agent may rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting and relying upon any resolution, certificate, statement, instrument, opinion (including an opinion of independent counsel), report, notice, notarial seal, stamp, affidavit, letter, telegram acknowledgment, verification, request, consent, order, bond or other paper or document in good faith deemed by it to be genuine and correct and to have been signed or sent by the proper party or parties, including any Electronic Notice as permitted hereunder or under the Project Loan Agreement;

(b) any notice, request, direction, election, order or demand of the Governmental Lender mentioned herein shall be sufficiently evidenced by an instrument

signed in the name of the Governmental Lender by an Authorized Officer of the Governmental Lender (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Governmental Lender may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by an Authorized Officer of the Governmental Lender;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or certification of the Borrower may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Servicer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Servicer by an Authorized Officer of the Servicer (unless other evidence in respect thereof be herein specifically prescribed);

(e) any notice, request, direction, election, order or demand of the Funding Lender Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Funding Lender Representative by any Authorized Officer of the Funding Lender Representative (unless other evidence in respect thereof be herein specifically prescribed);

(f) [Intentionally Omitted];

(g) [Intentionally Omitted];

(h) in the administration of the trusts of this Funding Loan Agreement, (i) the Fiscal Agent may execute any of the trusts or powers hereby granted directly or through its agents, custodians, nominees, receivers or attorneys appointed with due care, and (ii) the Fiscal Agent may consult with counsel (who may be counsel for the Governmental Lender, the Servicer or the Funding Lender Representative) concerning all matters of trusts hereof and duties hereunder, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(i) whenever in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, such matters (unless other evidence in respect thereof be herein specifically prescribed), may in the absence of negligence or willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Governmental Lender or the Borrower and such certificate shall in the absence of bad faith on the part of the Fiscal Agent be full warrant to the Fiscal Agent for any action taken or permitted by it under the provisions of this Funding Loan Agreement, but in its

discretion the Fiscal Agent may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable;

(j) the recitals herein and in the Governmental Note (except the Fiscal Agent's certificate of authentication thereon) shall not be considered as made by or imposing any obligation or liability upon the Fiscal Agent. The Fiscal Agent makes no representations as to the value or condition of the Pledged Security or any part thereof, or as to the title of the Governmental Lender or the Borrower to the Pledged Security, or as to the security of this Funding Loan Agreement, or of the Governmental Note issued hereunder, and the Fiscal Agent shall incur no liability or responsibility in respect of any of such matters;

(k) the Fiscal Agent shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Pledged Security except for its own willful misconduct or negligence; and every provision of this Funding Loan Agreement relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 7.02(k);

(l) the Fiscal Agent shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Fiscal Agent) herein or in any contracts or securities assigned or conveyed to or pledged with the Fiscal Agent hereunder, except Events of Default that are evident under Section 6.01(a) hereof. The Fiscal Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default specified in Section 6.01 hereof (except defaults under Section 6.01(a) hereof to the extent they are collecting loan payments hereunder) unless the Fiscal Agent shall receive from the Governmental Lender or the Funding Lender Representative written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Fiscal Agent may conclusively assume that there is no such default. Every provision contained in this Funding Loan Agreement or related instruments or in any such contract or security wherein the duty of the Fiscal Agent depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.02(l);

(m) the Fiscal Agent shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Fiscal Agent, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Funding Lender; and

(n) the Fiscal Agent shall be under no obligation to exercise those rights or powers vested in it by this Funding Loan Agreement, other than such rights and powers which it shall be obliged to exercise in the ordinary course of acting as Fiscal Agent under the terms and provisions of this Funding Loan Agreement and as required by law, at the request or direction of the Funding Lender Representative pursuant to Section 6.03 hereof, unless the Funding Lender Representative shall have offered to the Fiscal Agent

reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction.

None of the provisions contained in this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Fiscal Agent is authorized and directed to execute in its capacity as Fiscal Agent, the Project Loan Agreement and the Tax Regulatory Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the delivery of the Governmental Note. In acting or omitting to act pursuant to the Project Loan Agreement, the Tax Regulatory Agreement or any other documents executed in connection herewith, the Fiscal Agent shall be entitled to all of the rights, immunities and indemnities accorded to it under this Funding Loan Agreement, including, but not limited to, this Article VII.

The Fiscal Agent or any of its affiliates may act as advisor or sponsor with respect to any Qualified Investments.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Funding Loan Agreement.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Fiscal Agent pursuant to this Section 7.02 shall remain in effect until the Fiscal Agent receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Fiscal Agent shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.17 hereof.

Section 7.03 Use of Proceeds. The Fiscal Agent shall not be accountable for the use or application of the Governmental Note authenticated or delivered hereunder or of the proceeds of the Funding Loan except as provided herein.

Section 7.04 Escrowed Funds.

In connection with the issuance of the Governmental Note, certain moneys may be deposited with the Fiscal Agent before the Delivery Date pursuant to one or more letters of instruction from the provider or providers of such moneys. Such moneys, if any, will be held by the Fiscal Agent subject to the terms and conditions of this Funding Loan Agreement in addition to terms provided in such letter(s) of instruction. For such purpose the standards of care, provisions regarding responsibilities, and indemnification and other sections relating to the Fiscal Agent contained in this Funding Loan Agreement (the "Effective Provisions") shall be effective as of the first date of receipt by the Fiscal Agent of such moneys. The Effective Provisions shall be deemed incorporated into such letter(s) of instructions.

Section 7.05 Trust Imposed. All money received by the Fiscal Agent shall, until used or applied as herein provided, be held in trust for the purposes for which it was received.

Section 7.06 Compensation of Fiscal Agent. The Fiscal Agent shall be entitled to its Ordinary Fiscal Agent's Fees and Expenses in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Fiscal Agent hereunder or under any Financing Document to the extent money is available therefor, in accordance with Section 4.06 hereof, exclusive of Extraordinary Services. The Fiscal Agent shall be entitled to Extraordinary Fiscal Agent's Fees and Expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Financing Documents; provided the Fiscal Agent shall not incur any Extraordinary Fiscal Agent's Fees and Expenses without the consent of the Funding Lender Representative. If any property, other than cash, shall at any time be held by the Fiscal Agent subject to this Funding Loan Agreement, or any supplement hereto, as security for the Funding Loan, the Fiscal Agent, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Funding Loan Agreement as such security for the Funding Loan, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Fiscal Agent for its services and reimbursement to the Fiscal Agent for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Project Loan Agreement and in Sections 4.06, 4.11 and 6.05 hereof. The Governmental Lender shall have no liability for Fiscal Agent's fees, costs or expenses. Subject to the provisions of Section 7.09 hereof, the Fiscal Agent agrees that it shall continue to perform its duties hereunder and under the Financing Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the event that the Borrower fails to pay the Ordinary Fiscal Agent's Fees and Expenses or, if applicable, the Extraordinary Fiscal Agent's Fees and Expenses as required by the Project Loan Agreement.

The Borrower shall indemnify and hold harmless the Fiscal Agent and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against (a) any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Funding Loan Agreement or transactions contemplated hereby, the Project, or the delivery of the Governmental Note or the Loans; (b) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, or the delivery of the Governmental Note or the Loans; and (c) all costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Borrower shall not be required to indemnify any person for damages caused by the negligence, willful misconduct or unlawful acts of such person or which arise from events occurring after the Borrower ceases to own the Project. In the event that any action or proceeding is brought or claim made against the Fiscal Agent, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses (except for matters attributable to negligence or willful misconduct of such person). The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section 7.06 shall survive the termination of this Funding Loan Agreement.

Section 7.07 Qualifications of Fiscal Agent. There shall at all times be a Fiscal Agent hereunder which shall be an association or a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers. Any successor Fiscal Agent shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.11 hereof. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this Section 7.07, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Fiscal Agent shall cease to be eligible in accordance with the provisions of this Section 7.07 and another association or corporation is eligible, the Fiscal Agent shall resign immediately in the manner and with the effect specified in Section 7.09 hereof.

Section 7.08 Merger of Fiscal Agent. Any association or corporation into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Fiscal Agent hereunder and vested with all the title to the whole property or Pledged Security and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and become successor Fiscal Agent in respect of the legal interest of the Fiscal Agent in the Loans.

Section 7.09 Resignation by the Fiscal Agent. The Fiscal Agent may at any time resign from the trusts hereby created by giving written notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative. Such notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Fiscal Agent shall not be effective until a successor Fiscal Agent has been appointed as provided herein and such successor Fiscal Agent shall have agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.10 Removal of the Fiscal Agent. The Fiscal Agent may be removed upon 30 days' written notice at any time, either with or without cause, with the consent of the Funding Lender Representative (which consent of the Funding Lender Representative shall not be unreasonably withheld), by a written instrument signed by the Governmental Lender and delivered to the Fiscal Agent, the Servicer and the Borrower. The Fiscal Agent may also be removed upon 30 days' written notice by a written instrument signed by the Funding Lender Representative and delivered to the Fiscal Agent, the Servicer, the Governmental Lender and the Borrower. In each case written notice of such removal shall be given to the Servicer, the Borrower and to the Funding Lender. Any such removal shall take effect on the day specified in such written instrument(s), but the Fiscal Agent shall not be discharged from the trusts hereby created until a successor Fiscal Agent has been appointed and has accepted such appointment

and has agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.11 Appointment of Successor Fiscal Agent.

(a) In case at any time the Fiscal Agent shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Fiscal Agent or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Fiscal Agent or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Fiscal Agent hereunder, and the Governmental Lender, shall as soon as practically possibly appoint a successor Fiscal Agent. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Governmental Lender. If the Governmental Lender fails to appoint a successor Fiscal Agent within ninety (90) days following receipt of notice of the resignation or removal of the Fiscal Agent pursuant to Section 7.09 or Section 7.10 hereunder, as applicable, the Funding Lender Representative may appoint a successor Fiscal Agent.

(b) If, in a proper case, no appointment of a successor Fiscal Agent shall be made pursuant to subsection (a) of this Section 7.11 within sixty (60) days following delivery of all required notices of resignation given pursuant to Section 7.09 hereof or of removal of the Fiscal Agent pursuant to Section 7.10 hereof, the retiring Fiscal Agent may apply to any court of competent jurisdiction to appoint a successor Fiscal Agent. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Fiscal Agent.

Section 7.12 Concerning Any Successor Fiscal Agent. Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Governmental Lender a written instrument accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Pledged Security and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Governmental Lender, the Borrower or the Funding Lender Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Fiscal Agent all the Pledged Security and the rights, powers and trusts of such predecessor hereunder; and every predecessor Fiscal Agent shall deliver all securities and money held by it as Fiscal Agent hereunder to its successor. Should any instrument in writing from the Governmental Lender be required by a successor Fiscal Agent for more fully and certainly vesting in such successor the Pledged Security and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, and at the expense of the Borrower, be executed, acknowledged and delivered by the Governmental Lender. The resignation of any Fiscal Agent and the instrument or instruments removing any Fiscal Agent and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Fiscal Agent in each recording office where this Funding Loan Agreement shall have been filed and/or recorded. Each successor Fiscal Agent shall mail notice by first class mail, postage prepaid, at least once within 30 days of such appointment, to the Funding Lender.

Section 7.13 Successor Fiscal Agent. In the event of a change in the office of Fiscal Agent, the predecessor Fiscal Agent which shall have resigned or shall have been removed shall cease to be Fiscal Agent with respect to the Governmental Note, and the successor Fiscal Agent shall become such Fiscal Agent.

Section 7.14 Appointment of Co-Fiscal Agent or Separate Fiscal Agent. It is the intent of the Governmental Lender and the Fiscal Agent that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under or connected with this Funding Loan Agreement, the Project Loan Agreement or any of the other Financing Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Fiscal Agent or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent, with the written consent of the Governmental Lender and the Funding Lender Representative, appoint an additional individual or institution as a co-fiscal agent or separate fiscal agent.

In the event that the Fiscal Agent appoints an additional individual or institution as a co-fiscal agent or separate fiscal agent, in the event of the incapacity or lack of authority of the Fiscal Agent, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Fiscal Agent herein or to hold title to the Pledged Security or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement to be imposed upon, exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be imposed upon, exercisable by and vest in such separate fiscal agent or co-fiscal agent, but only to the extent necessary to enable such co-fiscal agent or separate fiscal agent to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-fiscal agent or separate fiscal agent shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.14. Such co-fiscal agent or separate fiscal agent shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Governmental Lender and the Fiscal Agent.

Should any instrument in writing from the Governmental Lender be required by the co-fiscal agent or separate fiscal agent so appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender, the Fiscal Agent and the Borrower. If the Governmental Lender shall fail to deliver the same within thirty (30) days of such request, the Fiscal Agent is hereby appointed attorney-in-fact for the Governmental Lender solely for the purpose of executing, acknowledging and delivering such instruments in the Governmental Lender's name and stead. In the event Fiscal Agent is appointed attorney-in-fact for the Governmental Lender solely for the limited purposes described in the immediately preceding sentence, such appointment shall not extend to or be deemed to apply to any subsequent failure of Governmental Lender to execute, acknowledge and deliver such written instruments described above in this Section 7.14 within the thirty (30) day time period provided herein. In case any

co-fiscal agent or separate fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-fiscal agent or separate fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a new Fiscal Agent or successor to such co-fiscal agent or separate fiscal agent.

Every co-fiscal agent or separate fiscal agent shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Governmental Note shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Funding Loan Agreement conferred upon the Fiscal Agent in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Fiscal Agent;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Fiscal Agent shall be conferred or imposed upon or exercised or performed by the Fiscal Agent, or by the Fiscal Agent and such co-fiscal agent, or separate fiscal agent jointly, as shall be provided in the instrument appointing such co-fiscal agent or separate fiscal agent, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Fiscal Agent shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-fiscal agent or separate fiscal agent;

(c) any request in writing by the Fiscal Agent to any co-fiscal agent or separate fiscal agent to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-fiscal agent or separate fiscal agent;

(d) any co-fiscal agent or separate fiscal agent to the extent permitted by law shall delegate to the Fiscal Agent the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Fiscal Agent at any time by an instrument in writing with the concurrence of the Governmental Lender evidenced by a certified resolution may accept the resignation of or remove any co-fiscal agent or separate fiscal agent appointed under this Section 7.14 and in case an Event of Default shall have occurred and be continuing, the Fiscal Agent shall have power to accept the resignation of or remove any such co-fiscal agent or separate fiscal agent without the concurrence of the Governmental Lender, and upon the request of the Fiscal Agent, the Governmental Lender shall join with the Fiscal Agent in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-fiscal agent or separate fiscal agent so resigned or removed may be appointed in the manner provided in this Section 7.14;

(f) no Fiscal Agent or co-fiscal agent hereunder shall be personally liable by reason of any act or omission of any other Fiscal Agent hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Funding Lender Representative and/or the Governmental Lender and delivered to the Fiscal Agent shall be deemed to have been delivered to each such co-fiscal agent or separate fiscal agent; and

(h) any money, papers, securities or other items of personal property received by any such co-fiscal agent or separate fiscal agent hereunder shall forthwith, so far as may be permitted by law, be turned over to the Fiscal Agent.

The total compensation of the Fiscal Agent and any co-fiscal agent or separate fiscal agent shall be as, and may not exceed the amount, provided in Section 7.06 hereof.

Section 7.15 Notice of Certain Events. The Fiscal Agent shall give written notice to the Governmental Lender, the Servicer and the Funding Lender Representative of any failure by the Borrower to comply with the terms of the Tax Regulatory Agreement or any Determination of Taxability of which a Responsible Officer has actual knowledge.

Section 7.16 Intentionally Omitted.

Section 7.17 Filing of Financing Statements. The Fiscal Agent shall, at the expense of the Borrower, file or record or cause to be filed or recorded all UCC continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed on or approximately on the Delivery Date in connection with the security for the Funding Loan pursuant to the authority of the UCC. Upon the filing of any such continuation statement the Fiscal Agent shall immediately notify the Governmental Lender, the Borrower, the Funding Lender Representative and the Servicer that the same has been done. If direction is given by the Servicer or the Funding Lender Representative, the Fiscal Agent shall file all continuation statements in accordance with such directions.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent shall not be responsible for any initial filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code, and unless the Fiscal Agent shall have been notified by the Funding Lender that any such initial filing or description of collateral was or has become defective, the Fiscal Agent shall be fully protected in relying on such initial filing and descriptions in filing any continuation statements or modifications thereto pursuant to this Section 7.17 and in filing any continuation statements in the same filing offices as the initial filings were made.

Section 7.18 USA Patriot Act Requirements of the Fiscal Agent. To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a trust, or other legal entity, the Fiscal Agent may request documentation to verify such Person's formation and existence as a legal entity. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

ARTICLE VIII

AMENDMENTS OF CERTAIN DOCUMENTS

Section 8.01 Amendments to this Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Note may be amended or waived only by an instrument signed by the Fiscal Agent and the Governmental Lender, and with the prior written consent of the Funding Lender Representative.

Section 8.02 Amendments to Financing Documents Require Consent of Funding Lender Representative. Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of any Financing Document without the prior written consent of the Funding Lender Representative. The Fiscal Agent shall enter into such amendments to the Financing Documents as shall be directed in writing by the Funding Lender Representative.

Section 8.03 Opinion of Bond Counsel Required. No amendment to this Funding Loan Agreement, the Governmental Note, the Project Loan Agreement, the Project Note, the Security Instrument or the Tax Regulatory Agreement shall become effective unless and until (i) the Funding Lender Representative shall have consented to the same in writing in its sole discretion and (ii) the Funding Lender Representative, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower, (A) an opinion of Bond Counsel to the effect that such amendment, change or modification will not, in and of itself, cause interest on the Governmental Note to be includable in gross income of the holders thereof for federal income tax purposes, and (B) an opinion of counsel acceptable to the Funding Lender Representative to the effect that any such proposed such amendment, change or modification is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE IX

SATISFACTION AND DISCHARGE OF FUNDING LOAN AGREEMENT

Section 9.01 Discharge of Lien. If the Governmental Lender shall pay or cause to be paid to the Funding Lender the principal, interest and premium, if any, to become due with respect to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Note, in any one or more of the following ways:

- (a) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan; or
- (b) prior to the Window Period, by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium and interest to the Maturity Date; or
- (c) by the delivery of the Governmental Note by the Funding Lender to the Fiscal Agent for cancellation;

and shall have paid all amounts due and owing under the other Financing Documents, and shall have paid all fees and expenses of and any other amounts due to the Fiscal Agent, the Servicer and the Rebate Analyst, and if the Governmental Lender shall keep, perform and observe all and singular the covenants and promises in the Governmental Note and in this Funding Loan Agreement expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights hereby granted shall cease, determine and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and premium, if any, on the Governmental Note, the payment of any amounts owed to the United States of America pursuant to Section 4.12 hereof.

Prior to the Window Period and subject to the satisfaction of the conditions set forth in Section 4.04(c) of the Project Loan Agreement, the Funding Loan shall, prior to the Maturity Date, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section 9.01 based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 9.01(b) if, under circumstances which do not cause interest on the Governmental Note to become includable in the holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Qualified Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up to and on the Maturity Date; (b) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender Representative as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan; (c) the Fiscal Agent and the Funding Lender Representative shall have received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any general partner, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code (x) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and (y) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan; (d) the Fiscal Agent and the Funding Lender Representative shall have received an opinion of Bond Counsel to the effect that the defeasance of the Funding Loan is in accordance with the provisions of the Funding Loan Agreement and that such defeasance will not adversely affect the exclusion of interest on the Governmental Note from gross income for federal income tax purposes; and (e) the Fiscal Agent shall have received written confirmation that all fees, expenses or reimbursement of any advances due to the Funding Lender and the Servicer under the Financing Documents have been fully paid.

Section 9.02 Discharge of Liability on Funding Loan. Upon the deposit with the Fiscal Agent, in trust, at or before maturity, of money or securities in the necessary amount (as

provided in Section 9.01 above) to pay or prepay the Funding Loan (whether upon or prior to their maturity or the prepayment date of the Funding Loan) provided that, if the Funding Loan is to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as in Article III provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 9.03 hereof.

Section 9.03 Payment of Funding Loan After Discharge of Funding Loan Agreement. Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the State, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or premium on the Governmental Note remaining unclaimed for five (5) years after the maturity or earlier payment date: (a) shall be reported and disposed of by the Fiscal Agent in accordance with applicable unclaimed property laws; or (b) to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

INTENTIONALLY OMITTED

ARTICLE XI

MISCELLANEOUS

Section 11.01 Servicing of the Loans. The Funding Lender Representative may appoint a Servicer (which may be the Funding Lender Representative if the Funding Lender Representative elects to service the Loans) to service the Loans as provided in Section 3.02 of the Project Loan Agreement.

Section 11.02 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Funding Loan Agreement or the Governmental Note is intended or shall be construed to give to any Person other than the Parties hereto, the Funding Lender, the Funding Lender Representative, the Servicer and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Funding Loan Agreement or any covenants, conditions and provisions hereof.

Section 11.03 Construction of Conflicts; Severability. If any provision of this Funding Loan Agreement shall be held or deemed to be, or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Funding Loan Agreement contained, shall not affect the remaining portions of this Funding Loan Agreement, or any part thereof.

Section 11.04 Notices.

(a) Whenever in this Funding Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth below or as may be required or permitted by this Funding Loan Agreement by Electronic Notice. A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and by any party to the Funding Lender Representative to the Servicer.

A duplicate copy of each notice or other communication given hereunder by any party to the Borrower shall also be given to the Investor Limited Partner (as such term is defined in the Tax Regulatory Agreement).

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Funding Loan Agreement. Notwithstanding the immediately preceding sentence, the Fiscal Agent shall have the right to accept and act upon instructions involving funds transfer instructions ("Instructions") given pursuant to this Funding Loan Agreement and related financing documents and delivered using Electronic Notice; provided, however, that the Governmental Lender and/or the Borrower, as applicable, shall provide to the Fiscal Agent an incumbency certificate listing its Authorized Officers with the authority to provide such Instructions and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Governmental Lender and/or the Borrower, as applicable, whenever a person is to be added or deleted from the listing. If the Governmental Lender and/or the Borrower, as applicable, elects to give the Fiscal Agent Instructions using Electronic Notice and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The Governmental Lender and the Borrower understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. The Governmental Lender and the Borrower shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Fiscal Agent and that the Governmental Lender, the Borrower and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Governmental Lender and/or the Borrower, as applicable. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction.

The Governmental Lender and the Borrower agree: (i) to assume all risks arising out of the use of Electronic Notice to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Governmental Lender and/or the Borrower, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default pursuant to Section 6.01 hereof and (ii) any written information or other written communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative and the Servicer for any such information or other communication.

Section 11.05 Funding Lender Representative.

(a) The Initial Funding Lender is the initial Funding Lender Representative with respect to the Governmental Note. Upon the Freddie Mac Purchase Date, Freddie Mac shall be the Funding Lender Representative. The Funding Lender Representative shall be entitled to all the rights and privileges of the Funding Lender hereunder and under the other Financing Documents.

(b) The Funding Lender Representative may provide written notice to the Fiscal Agent designating particular individuals or Persons authorized to execute any consent, waiver, approval, direction or other instrument on behalf of the Funding Lender Representative, and such notice may be amended or rescinded by the Funding Lender Representative at any time by subsequent written notice. The Funding Lender Representative may be removed and a successor appointed by a written notice in the form of Exhibit B hereto given by the Funding Lender to the Fiscal Agent, the Governmental Lender, the Servicer and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Fiscal Agent. The Funding Lender may appoint any Person to act as Funding Lender Representative, including, without limitation, the Servicer. If, for any reason, a Funding Lender Representative resigns by written notice provided to the Fiscal Agent, the Funding Lender, the Governmental Lender, the Servicer and the Borrower, all references to Funding Lender Representative herein and in the other Financing Documents shall be deemed to refer to the Funding Lender until a successor Funding Lender Representative is appointed by the Funding Lender.

(c) Whenever pursuant to this Funding Loan Agreement or any other Financing Document, the Funding Lender Representative exercises any right given to it to approve or disapprove, any arrangement or term hereof, the decision of the Funding Lender Representative to approve or disapprove or to decide whether arrangements or terms are acceptable or not acceptable shall be in the sole discretion of the Funding Lender Representative, except as otherwise specifically indicated.

(d) Each Funding Lender, by their purchase or other acquisition of the Funding Loan, shall be deemed to have acknowledged and agreed to the provisions of this Funding Loan Agreement and the other Financing Documents with respect to the Funding Lender Representative and the rights and privileges thereof, including but not limited to the right to control all remedies in respect of the Governmental Note and the Loans.

Section 11.06 Payments Due on Non-Business Days. In any case where a date of payment with respect to the Funding Loan shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period after such date provided that payment is made on such next succeeding Business Day.

Section 11.07 Counterparts. This Funding Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.08 Laws Governing Funding Loan Agreement. The effect and meanings of this Funding Loan Agreement and the rights of all parties hereunder shall be governed by, and construed according to, the internal laws of the State without regard to conflicts of laws principles.

Section 11.09 No Recourse. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Funding Loan Agreement or in the Governmental Note, or under any judgment obtained against the Governmental Lender, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Funding Loan Agreement, shall be had against any of the members, officers, commissioners, directors, agents or employees of the Governmental Lender (past, present or future), either directly or through the Governmental Lender or otherwise, for the payment for or to the Governmental Lender or any receiver of the Governmental Lender, or for or to the owner of the Governmental Note, or otherwise, of any sum that may be due and unpaid by the Governmental Lender upon the Governmental Note. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director, agent or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owner of the Governmental Note or otherwise of any sum that may remain due and unpaid upon the Governmental Note secured by this Funding Loan Agreement or any of them is, by the acceptance of the Governmental Note, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the execution, delivery and placement of the Governmental Note. Anything in this Funding Loan Agreement to the contrary notwithstanding, it is expressly understood by the parties to this Funding Loan Agreement that (a) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Servicer, the Borrower, the Initial Funding Lender or the Funding Lender Representative as to the existence of any fact or state of affairs, (b) the Governmental Lender shall not be under any obligation under this Funding Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Borrower or the Servicer and its respective counsel, as applicable, and (c) none of the provisions of this Funding

Loan Agreement shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Funding Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Governmental Note or for the satisfaction of any liability arising from, founded upon or existing by reason of the execution, delivery and placement, purchase or ownership of the Governmental Note shall be had against any officer, member, commissioner, director, agent or employee of the Governmental Lender, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Funding Loan Agreement and the execution, delivery and placement of the Governmental Note. No covenant, stipulation, obligation or agreement of the Governmental Lender contained in this Funding Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, commissioner, director, agent or employee of the Governmental Lender in other than that person's official capacity. No member, officer, commissioner, director, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Governmental Note or be subject to any personal liability or accountability by reason of the execution, delivery and placement of the Governmental Note.

It is recognized that notwithstanding any other provision of this Funding Loan Agreement, none of the Borrower, the Fiscal Agent or any holder of the Governmental Note shall look to the Governmental Lender for damages suffered by the Borrower, the Fiscal Agent or such owner as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Funding Loan Agreement, the Project Loan Agreement, the Governmental Note or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, or for any other reason. Although this Funding Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Funding Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

Section 11.10 Successors and Assigns. All the covenants and representations contained in this Funding Loan Agreement by or on behalf of the parties hereto shall bind and inure to the benefit of their successors and assigns, whether so expressed or not.

**HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA
MULTIFAMILY MORTGAGE REVENUE NOTE, 2019 SERIES A-1
(REGENCY GARDENS APARTMENTS)**

\$ _____

June ____, 2019

FOR VALUE RECEIVED, the undersigned, HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of CITIBANK, N.A. (the “**Funding Lender**”), and its assigns, the principal sum of _____ MILLION _____ HUNDRED THOUSAND AND NO/100 DOLLARS (\$ _____ .00), plus premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This \$ _____ Housing Finance Authority of Broward County, Florida Multifamily Mortgage Revenue Note, 2019 Series A-1 (Regency Gardens Apartments) (this “**Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of June 1, 2019 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and The Bank of New York Mellon Trust Company, N.A. (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan in the original principal amount of \$ _____ (the “**Funding Loan**”), and this Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to Pompano Beach Leased Housing Associates II, LLLP, a Minnesota limited liability limited partnership (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of June 1, 2019 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent.

1. **Defined Terms.** As used in this Note, (i) the term “Funding Lender” means the holder of this Note, and (ii) the term “Indebtedness” means the principal of, premium, if any, and interest on or any other amounts due at any time under this Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Note shall have the meanings given to such term in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing August, 2019, interest on this Note at the rate of ___% per annum (or such higher rate of interest borne by the Funding Loan upon any default) (the “**Interest Rate**”) on the outstanding principal balance of this Note, and shall also pay interest on this Note at the Interest Rate on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Note subject to prepayment (each such date for payment an “**Interest Payment Date**”). Interest on this Note shall be computed on the basis of a 360-day year and the actual number of days elapsed.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Note in full on July 1, 2035 (the “**Maturity Date**”) and in monthly installments on each date set forth on the Funding Loan Amortization Schedule attached as Schedule 1 hereto in an amount equal to the corresponding amounts set forth thereon, or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium, if any, shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Note and all other third-party obligors.

10. **Loan Charges.** Neither this Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid principal balance of this Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Note.

11. **Governing Law.** This Note shall be governed by the internal laws of the State of Florida (the "**Property Jurisdiction**").

12. **Captions.** The captions of the paragraphs of this Note are for convenience only and shall be disregarded in construing this Note.

13. **Address for Payment.** All payments due under this Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Servicer.

14. **Default Rate.** So long as (a) any monthly installment under this Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Note shall accrue on the unpaid principal balance from the earlier of the due date of the first

unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the “**Default Rate**”) equal to the lesser of (i) the Interest Rate otherwise in effect notwithstanding the default plus four percent (4%) per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

15. **Limited Obligation.** Notwithstanding any other provision of the Funding Loan Agreement or this Note to the contrary:

THIS NOTE IS EXECUTED AND DELIVERED PURSUANT TO THE COUNTY AUTHORIZATION, THE RESOLUTION AND IN ACCORDANCE WITH THE ACT, AND IS A LIMITED OBLIGATION OF THE OBLIGOR. NEITHER THE OBLIGOR NOR ANY OFFICIAL OR EMPLOYEE OF THE OBLIGOR NOR ANY PERSON EXECUTING THIS NOTE SHALL BE LIABLE PERSONALLY ON THIS NOTE OR BE SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF ITS EXECUTION, DELIVERY AND PLACEMENT. THIS NOTE AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE OBLIGOR, PAYABLE ONLY FROM THE SOURCES DESCRIBED IN THE FUNDING LOAN AGREEMENT. NEITHER THE OBLIGOR, THE STATE NOR ANY OTHER POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF THIS NOTE, PREMIUM, IF ANY, OR THE INTEREST THEREON OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE MONEY PLEDGED THEREFOR. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE OBLIGOR IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THIS NOTE OR OTHER COSTS INCIDENT THERETO. THE OBLIGOR HAS NO TAXING POWER. THIS NOTE IS NOT A DEBT OF THE UNITED STATES OF AMERICA.

Re: Regency Gardens Apartments

Ladies and Gentlemen:

The undersigned (the "Funding Lender") hereby acknowledges receipt of that certain \$_____ Housing Finance Authority of Broward County, Florida Multifamily Mortgage Revenue Note, 2019 Series A-1 (Regency Gardens Apartments), dated June __, 2019 (the "Governmental Note") delivered pursuant to the Funding Loan Agreement dated as of June 1, 2019 (the "Funding Loan Agreement"), among CITIBANK, N.A., a national banking association, in its capacity as Initial Funding Lender (the "Initial Funding Lender"), the HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA, a public body corporate and politic created, organized and existing under the laws of the State of Florida (the "Governmental Lender") and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., a national banking association, as fiscal agent (the "Fiscal Agent"). Capitalized terms used herein and not otherwise defined have the meanings given to such terms in the Funding Loan Agreement.

In connection with the [origination/purchase] of the Funding Loan by the Funding Lender, the Funding Lender hereby makes the following representations upon which you may rely:

1. The Funding Lender has authority to [origination/purchase] the Funding Loan and to execute this letter, and any other instruments and documents required to be executed by the Funding Lender in connection with the [origination/purchase] of the Funding Loan.

2. The Funding Lender is an "accredited investor" under Regulation D of the Securities Act of 1933 (the "Act") or a "qualified institutional buyer" under Rule 144(a) of said Act (such "accredited investor" or "qualified institutional buyer", a "Qualified Transferee"), and therefore, has sufficient knowledge and experience in financial and business matters (i) in general, and the purchase and ownership of municipal and tax-exempt obligations in particular, and (ii) with respect to the evaluation of residential real estate developments such as the Project, and the Funding Lender is capable of evaluating the risks and merits of its investment represented by the Funding Loan.

3. The Funding Lender acknowledges that it is [originating/purchasing] the Funding Loan for investment for its own account and not with a present view toward resale or the distribution thereof (except as set forth below), in that it does not now intend to resell or otherwise dispose of all or any part of its interests in the Funding Loan (except as set forth below). The Funding Lender understands that it may need to bear the risks of this investment for an indefinite time, including the total loss of such investment, since any sale prior to maturity may not be possible. The Funding Lender is able to bear such risks. Notwithstanding the foregoing and the terms of Paragraph 4 below, the Funding Lender may, (i) transfer the Funding Loan to any affiliate or other party related to the Funding Lender that is a Qualified Transferee or (ii) sell or transfer the Funding Loan to a special purpose entity, a trust or a custodial or similar pooling arrangement from which the Funding Loan or securitized interests therein are not expected to be sold except to (x) owners or beneficial owners thereof that are Qualified Transferees or (y) in circumstances where secondary market credit enhancement is provided for such securitized interests resulting in a rating thereof of at least “A” or better; provided, however, the Funding Lender has originated and funded the Funding Loan with the expectation that the Funding Loan will be sold to the Federal Home Loan Mortgage Corporation (“Freddie Mac”) pursuant to the commitment dated _____, 2019.

4. In addition to the right to sell or transfer the Funding Loan as set forth in Paragraph 3 above, the Funding Lender further acknowledges its right to sell or transfer the Funding Loan, subject, as required under the Funding Loan Agreement, to the delivery to the Governmental Lender and the Fiscal Agent of a transferee representations letter from the transferee to substantially the same effect as this Transferee Representations Letter or in such other form authorized by the Funding Loan Agreement with no revisions except as may be approved in writing by the Governmental Lender. The Funding Lender will not utilize any offering memorandum, placement memorandum or any other similar document in connection with any sale or transfer solely of the Funding Loan without providing the Governmental Lender with a draft of any such offering memorandum, placement memorandum or other similar document to be provided to any subsequent transferee, buyer or beneficial owner of the Funding Loan (or any interest therein), and the Governmental Lender shall have the right to approve any description of the Governmental Lender and the Funding Loan therein (which approval shall not be unreasonably withheld). The Funding Lender acknowledges that any costs associated with any such approval by the Governmental Lender shall be paid or caused to be paid by the Funding Lender or any such transferee.

5. The Funding Lender understands that the Governmental Note is not registered under the Act and that such registration is not legally required as of the date hereof; and further understands that the Governmental Note (a) is not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, (c) will not carry a rating from any rating service and (d) will be delivered in a form which may not be readily marketable.

6. The Funding Lender understands that (a) the Governmental Note and the Funding Loan are limited obligations of the Governmental Lender, (b) the Funding Loan is not secured by any pledge of any moneys received or to be received from taxation by the State of Florida or any political subdivision thereof (including Broward County, Florida (the “County”)) and that the Governmental Lender has no taxing power, (c) the Funding Loan does not and will not represent or constitute a general obligation or a pledge of the faith and credit of the Governmental Lender,

the State of Florida or any political subdivision thereof (including the County); and (d) the liability of the Governmental Lender with respect to the Funding Loan is limited to the Pledged Security as set forth in the Funding Loan Agreement.

7. The Funding Lender has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and which information the Funding Lender considers necessary to make an informed decision in connection with the [origination/purchase] of the Funding Loan, and the Funding Lender has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Borrower, the Project, the Funding Loan, the use of proceeds of the Funding Loan and the security therefor so that, as a reasonable investor, the Funding Lender has been able to make its decision to purchase the Funding Loan. The Funding Lender acknowledges that it has made the decision to purchase the Funding Loan based on its own independent investigation regarding the Funding Loan, the Borrower and the Project and has not relied upon either of the addressees hereof for any information in connection with the Funding Lender's purchase of the Funding Loan. In addition, the Funding Lender has not relied upon the use of any offering memorandum, placement memorandum or any other similar document with regards to its decision to purchase the Funding Loan. The Funding Lender is making its decision to purchase the Funding Loan directly through its credit review and due diligence concerning the Project and the Borrower. The undersigned is purchasing the Funding Loan directly from the Governmental Lender and not through a placement of the Funding Loan with the Funding Lender through any financial institution acting as an intermediary between the Governmental Lender and the Funding Lender.. The Funding Lender has not relied upon the Governmental Lender for any information in connection with its purchase of the Funding Loan.

8. The Funding Lender has made its own inquiry and analysis with respect to the Funding Loan and the security therefor, and other material factors affecting the security and payment of the Funding Loan. The Funding Lender is aware that the business of the Borrower involves certain economic variables and risks that could adversely affect the security for the Funding Loan.

9. The Funding Lender acknowledges and understands that the addressees to this Transferee Representations Letter are relying and will continue to rely on the statements made herein.

All agreements, representations and warranties made herein shall survive the execution and delivery of this letter agreement and, notwithstanding any investigation heretofore or hereafter, shall continue in full force and effect.

LOAN PAYMENTS

Section 4.01 *Payments Under the Project Note; Independent Obligation of Borrower.*

(a) **Payment Obligations.** The Borrower agrees to repay the Project Loan on each Project Loan Payment Date as provided in the Project Note, and in all instances at the times and in the amounts necessary to enable the Fiscal Agent, on behalf of the Governmental Lender, or the Servicer, to pay all amounts payable with respect to the Funding Loan, when due, whether at maturity or upon prepayment (with premium, if applicable), acceleration or otherwise. To ensure such timely payment, the Servicer shall collect from the Borrower, and the Borrower shall provide to the Servicer the foregoing payments not less than two (2) Business Days prior to each respective Project Loan Payment Date.

The obligation of the Borrower to make the payments set forth in this Article IV shall be an independent obligation of the Borrower, separate from its obligation to make payments under the Project Note, provided that in all events payments made by the Borrower under and pursuant to the Project Note shall be credited against the Borrower's obligations hereunder on a dollar for dollar basis. If for any reason the Project Note or any provision of the Project Note shall be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Project Note or such provision of the Project Note shall be deemed to be the obligation of the Borrower pursuant to this Project Loan Agreement to the full extent permitted by law and such holding shall not invalidate or render unenforceable any of the provisions of this Article IV and shall not serve to discharge any of the Borrower's payment obligations hereunder or eliminate the credit against such obligations to the extent of payments made under the Project Note.

(b) **Obligations Unconditional; No Set-Off.** The obligation of the Borrower to repay the Project Loan, to perform all of its obligations under the Project Loan Documents, to provide indemnification pursuant to Section 6.01 hereof, to pay costs, expenses and charges pursuant to Section 4.02 hereof and to make any and all other payments required by this Project

(c) **Payments from Borrower to Fiscal Agent or Servicer.** Each payment by the Borrower hereunder or under the Project Note shall be made in immediately available funds to the Servicer on each Project Loan Payment Date or such other date when such payment is due; provided, however, such Project Loan Payment shall be made directly to the Fiscal Agent if there is no Servicer or if the Borrower is so directed in writing by the Funding Lender Representative. Each such payment shall be made to the Fiscal Agent or the Servicer, as applicable, by deposit to such account as the Fiscal Agent or the Servicer may designate by written notice to the Borrower. Whenever any Project Loan Payment or any other payment under this Project Loan Agreement or under the Project Note shall be stated to be due on a day that is not a Business Day, such payment shall be made on the first Business Day immediately thereafter.

To the extent that any portion of the Fee Component, the Servicing Fee, and amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents remain due and owing at any time, such amounts remaining due and owing shall be payable from money on deposit in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement or from other money of the Borrower, to the extent that money in the Administration Fund is insufficient for such purposes. All other fees and expenses shall be payable from money of the Borrower as provided in subsection (b) of this Section 4.02.

(b) In addition to the funding of the initial deposits required of the Borrower described in Section 3.03, the Borrower shall pay (or cause to be paid by the Servicer or the Fiscal Agent (to the extent paid from money on deposit in the Administration Fund or the Cost of

Notwithstanding anything in this Project Loan Agreement to the contrary, the payment provisions relating to the Subordinate Ongoing Governmental Lender Fee are included in this Project Loan Agreement solely as an administrative matter at the request of the Governmental Lender to provide a procedure for the collection and payment thereof to the Governmental Lender, and the obligation to pay the Subordinate Ongoing Governmental Lender Fee is solely an obligation (i) of the Borrower under the Subordinate Loan Documents, and (ii) upon a deficiency in the amount available to pay the Subordinate Ongoing Governmental Lender Fee as a result of the Surplus Cash Limitation, of the Guarantor under the Fee Payment Guaranty, and a failure to pay the Subordinate Ongoing Governmental Lender Fee, in whole or in part, shall not constitute a breach of an obligation or an Event of Default under this Project Loan Agreement or any other Financing Document.

(vii) To the Rebate Analyst, the reasonable fees and expenses of such Rebate Analyst in connection with the computations relating to arbitrage rebate required under the Funding Loan Agreement and this Project Loan Agreement when due from time to time.

In connection therewith, the Borrower will give written notice (a “**Defeasance Notice**”) to the Funding Lender Representative, the Servicer, the Governmental Lender and the Fiscal Agent of the date the Borrower desires to defease the Funding Loan (the “**Defeasance Date**”). The Defeasance Date may not be more than 60 calendar days, nor less than 30 calendar days, after the delivery of the Defeasance Notice. Section 4.05 *Borrower’s Obligations Upon Prepayment.* In the event of any prepayment, the Borrower will timely pay, or cause to be paid through the Servicer, an amount equal to the principal amount of the Funding Loan or portion thereof called for prepayment, together with interest accrued to the prepayment date and premium, if any. In addition, the Borrower will timely pay all fees, costs and expenses associated with any prepayment of the Funding Loan.

Section 4.06 *Limits on Personal Liability.*

(a) Except as otherwise set forth in Section 9 of the Project Note and subsection 4.06(b) below, the obligations of the Borrower under this Project Loan Agreement and the other Financing Documents are non-recourse liabilities of the Borrower which shall be enforced only against the Project and other property of the Borrower encumbered by the Financing Documents and not personally against the Borrower or any partner of the Borrower or any successor or assign of the Borrower. However, nothing in this Section 4.06 shall limit the right of the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to proceed against the Borrower to recover any fees owing to any of them or any actual out-of-

pocket expenses (including but not limited to actual out-of-pocket attorneys' fees incurred by any of them) incurred by any of them in connection with the enforcement of any rights under this Project Loan Agreement or the other Financing Documents. Nothing in this Section 4.06 shall limit any right that the Servicer or the Funding Lender Representative may have to enforce the Project Note, the Security Instrument, or any other Financing Document in accordance with their terms.

Section 5.06 *Borrower to Remain Qualified in State and Appoint Agent.* The Borrower will remain duly qualified to transact business in the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

Section 5.08 *Right to Perform Borrower's Obligations.* In the event the Borrower fails to perform any of its obligations under this Project Loan Agreement, the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, after giving requisite notice, if any, and subject to Section 5.05 of the Funding Loan Agreement, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced shall become an additional obligation of the Borrower hereunder, secured by the applicable security instrument and payable on demand and if not paid on demand with interest thereon at the default rate of interest payable under the Project Loan Documents.

Section 5.09 *Notice of Certain Events.* The Borrower shall promptly advise the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice or both, would constitute an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.10 *Survival of Covenants.* The provisions of Sections 2.04, 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

Section 5.11 *Access to Project; Records.* Subject to reasonable notice and the rights of tenants at the Project, the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, and the respective duly authorized agents of each, shall have the right (but not any duty or obligation) at all reasonable times and during normal business hours: (a) to enter the Project and any other location containing the records relating to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; (b) to inspect and audit any and all of the Borrower's records or accounts pertaining to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and

Section 5.12 *Tax Regulatory Agreement.* The covenants of the Borrower in the Tax Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the Tax Regulatory Agreement. The Borrower covenants to file of record in the Recorder's Office the Tax Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the Tax Regulatory Agreement will, subject to the terms of the Tax Regulatory Agreement, be binding upon all owners of the Project. Section 5.14 *Obligation of the Borrower To Rehabilitate the Project.* The Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the rehabilitation, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of such acquisition, rehabilitation, development and equipping, the Borrower shall pay such additional costs from its own funds or from other funds available to the Borrower. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Servicer,

the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer makes any representation or warranty, either express or implied, that money, if any, which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the rehabilitation of the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer, or any of their respective successors and assigns, shall be liable to the Borrower or any other person if for any reason the rehabilitation of the Project is not completed.

Section 5.15 *Filing of Financing Statements.* The Borrower shall file or record or cause to be filed or recorded on or prior to the Delivery Date all UCC financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests. The Borrower shall cooperate with the Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements.

ARTICLE VI

INDEMNIFICATION

Section 6.01 *Indemnification.*

(a) **Indemnified Losses.** To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and each of their respective officers, governing commissioners, members, directors, officials, employees, attorneys and agents (collectively, the “**Indemnified Parties**” and each, an “**Indemnified Party**”), against any and all losses, damages (including, but not limited to, consequential and punitive damages), claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise (collectively, “**Losses**”), to the extent arising, directly or indirectly, out of or based upon or in any way relating to:

(i) any breach by the Borrower of its obligations under the Financing Documents or the execution, amendment, restructuring or enforcement thereof, or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Governmental Note;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning,

design, acquisition, installation, construction or equipping of, the Project or any part thereof;

(iii) any accident, injury to, or death of persons or loss of or damage to property occurring in, on or about the Project or any part thereof;

(iv) any lien (other than liens permitted under the Continuing Covenant Agreement) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Servicer hereunder, or any Taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender or the Fiscal Agent in respect of any portion of the Project (other than income and similar taxes on fees received or earned in connection therewith);

(v) any violation of any environmental law, rule or regulation with respect to, or the release of any hazardous materials from, the Project or any part thereof;

(vi) [Reserved];

(vii) the enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative related to remedies under this Project Loan Agreement, the Funding Loan Agreement or any other Financing Document;

(viii) any untrue statement of a material fact or alleged untrue statement of a material fact by the Borrower contained in any offering statement or document for the Governmental Note or any of the Financing Documents to which the Borrower is a party, or any omission or alleged omission by the Borrower of a material fact from any offering statement or document for the Governmental Note necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(ix) any declaration of taxability of interest on the Governmental Note or allegations (or regulatory inquiry) that interest on the Governmental Note is includable in gross income for federal income tax purposes;

(x) any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Governmental Note; or

(xi) the Fiscal Agent's acceptance or administration of the trust of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Note to which it is a party;

except (A) in the case of the foregoing indemnification of the Fiscal Agent, or any of its respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are found by a court of competent jurisdiction in a final judgement to have been caused by the breach of contractual duty, negligence, unlawful acts or willful misconduct of such Indemnified Party; or (B) in the case of the foregoing indemnification of the Servicer, the Funding Lender or the Governmental Lender or any of their respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the

extent such Losses are caused by the gross negligence or willful misconduct of such Indemnified Party.

(b) **Procedures.** In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from such Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected or approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that such Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may employ separate counsel at the expense of the Borrower only if, in such Indemnified Party's good faith judgment, a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(c) **Borrower to Remain Obligated.** Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Project Loan Agreement, the Security Instrument and the Tax Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer unless (i) such subsequent owner assumed in writing at the time of such transfer all obligations of the Borrower under this Section 6.01 (including obligations under this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer) and (ii) any such transfer is in compliance with the requirements of the Financing Documents.

(d) **Survival.** The provisions of this Section 6.01 shall survive the termination of this Project Loan Agreement.

Section 6.02 *Limitation With Respect to the Funding Lender.* Notwithstanding anything in this Project Loan Agreement to the contrary, in the event that the Funding Lender (or its nominee) shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure, or comparable conversion of the Project Loan, the Funding Lender (or its nominee) shall not be liable for any breach or default of any prior owner of the Project under this Project Loan Agreement and shall only be responsible for defaults and obligations incurred or occurring during the period that the Funding Lender (or its nominee) is the owner of the Project. Accordingly, during any period that the Funding Lender (or its nominee) owns the Project and that this Article VI is applicable to the Funding Lender (or its nominee), the Funding Lender's (or its nominee's) obligations under this Article VI shall be limited to acts and omissions of the Funding Lender (or its nominee) occurring during the period of the Funding Lender's (or its nominee's) ownership of the Project.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01 *Events of Default.* The following shall be “**Events of Default**” under this Project Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Project Loan Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement, the Project Note or the Security Instrument at the times and in the amounts required by this Project Loan Agreement, the Project Note and the Security Instrument, as applicable;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in the Funding Lender Representative’s sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower, the Limited Partner, and/or the Administrative Limited Partner shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative’s judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Agreement, result in harm to the Funding Lender, impairment of this Project Loan Agreement or any other Financing Document;

(d) The occurrence of a default under the Continuing Covenant Agreement or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder. The occurrence of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents.

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents.

Section 7.02 Remedies on Default. Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, declaring the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Note to be immediately due and payable).

(b) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may, without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(c) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of and interest and any premium on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

Section 7.03 No Remedy Exclusive. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available

remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

Section 7.04 *Agreement to Pay Attorneys' Fees and Expenses.* In the event the Borrower shall default under any of the provisions of this Project Loan Agreement and the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Note or in the Tax Regulatory Agreement, the Borrower shall on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

Section 7.05 *No Additional Waiver Implied by One Waiver.* In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.06 *Control of Proceedings.*

(a) If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (i) prosecute any action with respect to a lien on the Project; or
- (ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or

(iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any event of default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may:

(i) specifically enforce the tax covenants of the Borrower specified in Section 2.04 and 2.05 hereof or seek injunctive relief against acts which may be in violation thereof;

(ii) specifically enforce the Tax Regulatory Agreement or seek injunctive relief against acts which may be in violation of the Tax Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Internal Revenue Code and state law (but in neither the case of subsection (c)(i) above or this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement).

In addition, notwithstanding Section 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other Unassigned Rights (provided no monetary damages are sought), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or any Indemnified Party related to the Governmental Lender or the Fiscal Agent under Section 6.01 (each a "Related Indemnified Party") to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent's right to receive payment of reasonable fees and expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an event of default with respect to the Funding Loan, which reasonable fees and expenses of the Fiscal Agent shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

Section 7.07 Assumption of Obligations. In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Note, the Tax Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

ARTICLE VIII

MISCELLANEOUS

Section 8.01 Notices.

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth in Section 11.04 of the Funding Loan Agreement or as required or permitted by this Project Loan Agreement by Electronic Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and a duplicate copy of each notice or other communication given hereunder by any party to the Funding Lender Representative shall be given to the Servicer. Additionally, a duplicate copy of each notice or other communication given hereunder by any party to the Borrower shall also be given to the Limited Partner and the Administrative Limited Partner. The Limited Partner and the Administrative Limited Partner shall have the right, but not the obligation, to cure any default by Borrower hereunder and such cure shall be accepted or rejected on the same basis as if tendered by Borrower.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Project Loan Agreement. Notwithstanding the immediately preceding sentence, the Fiscal Agent shall have the right to accept and act upon instructions involving funds transfer instructions (“Instructions”) given pursuant to this Project Loan Agreement and related financing documents and delivered using Electronic Notice; provided, however, that the Governmental Lender and/or the Borrower, as applicable, shall provide to the Fiscal Agent an incumbency certificate listing its Authorized Officers with the authority to provide such Instructions and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Governmental Lender and/or the Borrower, as applicable, whenever a person is to be added or deleted from the listing. If the Governmental Lender and/or the Borrower, as applicable, elects to give the Fiscal Agent Instructions using Electronic Notice and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent’s understanding of such Instructions shall be deemed controlling. The Governmental Lender and the Borrower understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. The Governmental Lender and the Borrower shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Fiscal Agent and that the Governmental Lender, the Borrower and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Governmental Lender and/or the Borrower, as applicable. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Governmental Lender and the Borrower agree: (i) to assume all risks arising out of the use of Electronic Notice to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Governmental Lender and/or the Borrower, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default hereunder and (ii) any written information or other communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative for any such information or other communication.

Section 8.02 Concerning Successors and Assigns. All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the financing herein contemplated and shall continue in full force and effect so long as the obligations hereunder are outstanding. Whenever in this Project Loan Agreement any of the

parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the benefit of the successors and assigns of the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and the Funding Lender Representative, as applicable.

Section 8.03 *Governing Law.* This Project Loan Agreement and the Exhibits attached hereto shall be construed in accordance with and governed by the internal laws of the State and, where applicable, the laws of the United States of America.

Section 8.04 *Modifications in Writing.* Modification or the waiver of any provisions of this Project Loan Agreement or consent to any departure by the parties therefrom, shall in no event be effective unless the same shall be in writing approved by the parties hereto and shall require the prior written consent of the Funding Lender Representative and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

Section 8.05 *Further Assurances and Corrective Instruments.* The Governmental Lender, the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement.

Section 8.06 *Captions.* The section headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation of this Project Loan Agreement.

Section 8.07 *Severability.* The invalidity or unenforceability of any provision of this Project Loan Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

Section 8.08 *Counterparts.* This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 8.09 *Amounts Remaining in Loan Payment Fund or Other Funds.* It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof (and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents), shall be paid in accordance with the Funding Loan Agreement.

Section 8.10 *Effective Date and Term.* This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in

full force from the date hereof, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

Section 8.11 *Cross References.* Any reference in this Project Loan Agreement to an “Exhibit,” an “Article,” a “Section,” a “Subsection” or a “Paragraph” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit attached to this Project Loan Agreement, an article of this Project Loan Agreement, a section of this Project Loan Agreement, a subsection of the section of this Project Loan Agreement in which the reference appears and a paragraph of the subsection within this Project Loan Agreement in which the reference appears. All exhibits attached to or referred to in this Project Loan Agreement are incorporated by reference into this Project Loan Agreement.

Section 8.12 *Funding Lender Representative and Servicer as Third-Party Beneficiaries.* The parties hereto agree and acknowledge that the Funding Lender Representative and the Servicer are third party beneficiaries of this Project Loan Agreement.

Section 8.13 *Reserved.*

Section 8.14 *Non-Liability of Governmental Lender.* The Governmental Lender shall not be obligated to pay the principal (or Prepayment Premium) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (or Prepayment Premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or Prepayment Premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Prepayment Premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

Section 8.15 *No Liability of Officers.* No recourse under or upon any obligation, covenant, or agreement or in the Governmental Note, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable

proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Note.

Section 8.16 *Capacity of the Fiscal Agent.* The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

In connection with the making of the Loans, certain moneys may be deposited with the Fiscal Agent before the Delivery Date pursuant to one or more letters of instruction from the provider or providers of such moneys. Such moneys, if any, will be held by the Fiscal Agent subject to the terms and conditions of the Funding Loan Agreement and this Project Loan Agreement in addition to terms provided in such letter(s) of instruction. For such purpose the standards of care, provisions regarding responsibilities, and indemnification and other sections relating to the Fiscal Agent contained herein and in the Funding Loan Agreement (the “Effective Provisions”) shall be effective as of the first date of receipt by the Fiscal Agent of such moneys. The Effective Provisions shall be deemed incorporated into such letter(s) of instructions.

Section 8.17 *Reliance.* The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Project Loan Agreement and under the Funding Loan Agreement in good faith and in conformity with the opinion of such counsel. It is expressly understood and agreed by the parties to this Project Loan Agreement (other than the Governmental Lender) that:

- (a) the Governmental Lender may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental

Lender by the Fiscal Agent, the Funding Lender or the Borrower as to the existence of a fact or state of affairs required under this Project Loan Agreement to be noticed by the Governmental Lender;

(b) the Governmental Lender shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender Representative, the Servicer or the Borrower, as applicable; and

(c) none of the provisions of this Project Loan Agreement shall require the Governmental Lender or the Fiscal Agent to expend or risk its own funds (apart from the proceeds of Funding Loan issued under the Funding Loan Agreement) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Project Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

[COUNTERPART SIGNATURE PAGES TO FOLLOW]

Section 2. Residential Rental Property. The Owner hereby represents, covenants, warrants and agrees that:

- (a) (1) The Owner will acquire, rehabilitate, equip, own and operate the Project for the purpose of providing a “qualified residential rental project” as such phrase is used in Sections 142(a)(7) and 142(d)(1) of the Code, (2) the Owner shall own the entire Project for federal tax purposes, and (3) the Project shall be owned, managed and operated as multifamily residential rental property, comprised of a building or structure or several buildings or structures containing similarly constructed units, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Sections 1.103-8(b)(4) and 1.103-8(a)(3) of the Regulations, and in accordance with such requirements as may be imposed thereby on the Project from time to time.
- (b) Each residential unit in the Project shall be contained in one or more buildings or structures located on the Land and shall be similarly designed, furnished and constructed (except as to number of bedrooms), each of which will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for an individual or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range or microwave oven, refrigerator and sink, all of which are separate and distinct from the other units.
- (c) None of the units in the Project will at any time be (1) utilized on a transient basis, (2) used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, nursing home, hospital, sanitarium, rest home, trailer court or park, or (3) rented for initial lease periods of less than six (6) months. No part of the Project will, at any time, be owned or used by a cooperative housing corporation or converted to condominiums.
- (d) All of the units will be rented or available for rent on a continuous basis to members of the general public (other than units for a resident manager or maintenance personnel), and the Owner will not give preference to any particular class or group of persons in renting the units in the Project, except to the extent that units are required to be leased or rented to Lower-Income Persons or Eligible Persons. Lower-Income Persons who are residents of the Project will have equal access to and enjoyment of all common facilities of the Project at all times. The Owner will not discriminate against children of any age when renting the units in the Project.
- (e) The Land primarily consists of a parcel of real property or parcels of real property that are contiguous except for the interposition of a road, street, stream or similar property, and the Project primarily comprises buildings, structures and facilities that are geographically contiguous and functionally related. Any common facilities financed with proceeds of the Notes (such as swimming pools, recreational facilities, parking areas and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment or units for resident managers or maintenance or security

personnel) are functionally related and subordinate to the Project and are commensurate with its size and intended use.

- (f) The Owner or an Affiliated Party of the Owner shall not occupy any of the units in the Project; provided, however, that the Owner or an Affiliated Party of the Owner may occupy a unit in a building or structure in the Project that contains five or more units if the Owner or an Affiliated Party of the Owner is a resident manager or other necessary employee (e.g., maintenance and security personnel). No more than two units in the Project shall be occupied by resident managers or maintenance or security personnel.
- (g) None of the proceeds of the Notes (including investment earnings) may be used to provide a skybox or any other private luxury box, an airplane, or a store the principal business of which is the sale of alcoholic beverages for consumption off premises or a facility used primarily for gambling.

The requirements of this Section 2 shall remain in effect during the term of this Agreement (as defined in Section 13 below).

Section 3. Lower-Income Persons and Eligible Persons. The Owner hereby represents, warrants and covenants as follows:

- (a) At all times during the Qualified Project Period, not less than forty percent (40%) of the residential units in the Project shall be occupied (or held available for occupancy) on a continuous basis by persons or families who at the time of their initial occupancy of such units are Lower-Income Persons. This occupancy requirement is referred to herein as the “Lower-Income Requirement.”

During the Transition Period, the failure to satisfy the set-aside requirements in this paragraph (a) for Lower-Income Persons will not cause the Project to fail to qualify as a “qualified residential rental project” within the meaning of Section 142 of the Code. However, failure on the part of the Owner to have satisfied the set-aside requirements described in this paragraph (a) as of the end of such Transition Period shall cause the Project to not qualify as a “qualified residential rental project.”

- (b) At all times during the term of this Agreement (as defined in Section 13 below), at least sixty percent (60%) of the completed units in the Project shall be rented to or be available for rent by Eligible Persons.
- (c) For purposes of paragraphs (a) and (b) of this Section 3, a unit occupied by an individual or family who at the commencement of the occupancy of such unit is a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) during such individual’s or family’s tenancy in such unit, even though such individual or family ceases to be a Lower-Income Person (or Eligible Person). However, a Lower-Income Person whose income as of the most recent Income Certification (as described in Section

4(a) below) exceeds one hundred forty percent (140%) of the Applicable Income Limit shall not continue to be treated as a Lower-Income Person if after delivery of such Income Certification, but before the delivery of the next Income Certification, any residential unit in the Project of comparable or smaller size is occupied by a new resident who is not a Lower-Income Person. In addition, a unit that was occupied by a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) until it is reoccupied other than for a temporary period of not more than thirty-one (31) days, at which time the unit shall be considered to be occupied by a Lower-Income Person (or Eligible Person) only if the individual or family then occupying the unit satisfies the definition of a Lower-Income Person (or Eligible Person).

Section 4. Reporting Requirements; Payment of Issuer's Compliance Fee and Late Reporting Fee; Maintenance.

- (a) The Owner shall obtain and maintain on file an Income Certification from each Lower-Income Person and Eligible Person dated immediately prior to the initial occupancy of such tenant in the Project in the form and containing such information as may be required by Section 142(d) of the Code, as the same may be from time to time amended by the Issuer on the advice of Bond Counsel in the exercise of its opinion that any such amendment is necessary, or in such other form and manner as may be required by applicable rules, rulings, procedures, official statements, regulations or policies now or hereafter promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. Photocopies of each such Income Certification and any verifications of such income, to the extent requested by the Issuer, shall be submitted to the Issuer (i) within 10 days following the end of the calendar month during which the tenant first occupies a unit in the Project, (ii) within 10 days following the end of the calendar month thereafter in which the lease is renewed or extended, and (iii) as reasonably requested by the Issuer or the Fiscal Agent, which may be as often as may be necessary, in the opinion of Note Counsel, to comply with the provisions of Section 142(d) of the Code. To the extent permitted by the Issuer, such submissions may be made electronically.
- (b) The Owner shall file with the Issuer, on the tenth (10th) business day of each month, copies of the Income Certifications specified in Section 4(a) hereof obtained by the Owner during the previous month.
- (c) At all times during the term of this Agreement, the Owner will obtain and maintain on file from each Lower-Income Person residing in the Project the information demonstrating each tenant's income eligibility.
- (d) The Owner shall maintain complete and accurate records pertaining to the incomes of (as of the date of initial occupancy of each tenant) and rentals charged

to Lower-Income Persons and Eligible Persons residing in the Project, and shall permit, upon five (5) business days' notice to the Owner, any duly authorized representative of the Issuer or the Fiscal Agent to inspect the books and records of the Owner pertaining to the incomes of and rentals charged to all tenants residing in the Project.

- (e) The Owner shall prepare and submit at the beginning of the Qualified Project Period, subject to the Transition Period provisions in Section 3(a) hereof, and on the tenth (10th) day of each month thereafter, to the Issuer, rent rolls and a Certificate of Continuing Program Compliance in the form and content approved by the Issuer, executed by the Owner stating (i) the percentage of residential units that were occupied by Lower-Income Persons and Eligible Persons as of the 20th day of the previous month, (ii) that at all times during the previous month 60% of the residential units, were occupied (or held available for occupancy) by Eligible Persons (as determined in accordance with Section 3 of this Agreement), (iii) that at all times during the previous month at least 40% of the residential units were occupied (or held available for occupancy) by Lower-Income Persons (as determined in accordance with Section 3 of this Agreement), and (iv) that no default has occurred under this Agreement or, if such a default has occurred, the nature of such default and the steps, if any, the Owner has taken or proposes to take to correct such default.
- (f) During the Qualified Project Period, the Owner shall submit to the Secretary of the Treasury (the "Secretary") (at such time and in such manner as the Secretary shall prescribe) an annual certification required by Section 142(d)(7) of the Code. As of the date of this Agreement, the Owner shall make such certification to the Secretary annually by completing and submitting IRS Form 8703 by March 31 after the close of the calendar year for which the certification is made. The Owner shall be responsible for making such certification at such other time or in such other manner as the Secretary may prescribe from time to time.
- (g) In the event the Issuer transfers responsibility for compliance monitoring to the Fiscal Agent or a newly designated Compliance Agent under Section 23 hereof, the Issuer may direct the Owner to provide and the Owner shall provide to the Fiscal Agent or the newly designated Compliance Agent copies of all of the reports, documents and certificates required under this Section. The Owner shall pay all reasonable fees and expenses of the Fiscal Agent or the newly designated Compliance Agent in connection with such responsibilities. Upon the designation of the Fiscal Agent or the Compliance Agent as the compliance monitor under this Agreement, all references herein to the Issuer as the recipient of reports and filings shall be deemed to be the Fiscal Agent and/or the Compliance Agent, as applicable.
- (h) The Owner shall immediately notify the Fiscal Agent and the Issuer of any change in the management of the Project.

- (i) If at any time during the term of this Agreement the Notes are no longer outstanding (as provided in the Funding Loan Agreement and/or the Subordinate Loan Agreement), the Owner shall pay the Issuer's Compliance Fee.
- (j) The Owner will keep the buildings, parking areas, roads and walkways, recreational facilities, landscaping and all other improvements of any kind now or hereafter erected as part of the Project, in good condition and repair (normal wear and tear excepted), will not commit or suffer any waste and will not do or suffer to be done anything which would or could increase the risk of fire or other hazard to the Project or any part thereof. In order to ensure the Owner's compliance with this covenant, the Issuer or its representatives are hereby authorized to enter upon and inspect the Project at any time during normal business hours upon reasonable notice and subject to the rights of tenants. Notwithstanding the foregoing, the Issuer has no affirmative duty to make such inspection.
- (k) The Owner will rehabilitate and operate the Project so that it conforms in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990.
- (l) The Owner hereby agrees to pay a late fee in the amount of \$100 per day (including weekends) for each day that the Owner fails to timely submit (in the sole, reasonable opinion of the Issuer) any of the information, Income Certifications, rent rolls, Certificates of Continuing Program Compliance, reports, documents and/or certificates (collectively, the "Compliance Reporting Information") required by this Section 4, as may be amended from time to time (the "Late Reporting Fee"). The Owner acknowledges and hereby agrees that, notwithstanding anything in this Agreement to the contrary, a Late Reporting Fee shall apply to and be payable in connection with each separate instance in which any of the Compliance Reporting Information (including individual components thereof) is not timely submitted pursuant to this Section 4, as may be amended from time to time.

Section 5. Indemnification. The Owner hereby covenants and agrees that it shall indemnify and hold harmless the Issuer, the County and the Fiscal Agent and their respective officers, directors, officials, employees and agents from and against any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Agreement, the Funding Loan, the Subordinate Loan, the Project or the sale of the Governmental Note to finance the Funding Loan or the making of the Project Loan to finance the Project or the sale of the Subordinate Governmental Note to finance the Subordinate Loan to finance the Project, any and all claims arising from any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees in connection with the Project or the sale of the Notes to finance the Project, and all costs, reasonable counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Owner shall not be required to indemnify any person for damages caused by the negligence or willful misconduct of such

person or for losses relating to principal and interest. In the event that any action or proceeding is brought against the Issuer, the County the Fiscal Agent or any of their respective officers, directors, officials, employees or agents, with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the indemnified party (which notice shall be given in a timely manner so as not to impair Owner's rights to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably acceptable to the indemnified party and the payment of all expenses. The indemnified party shall have the right to employ separate counsel in any such action or proceedings and to participate in the defense thereof, but, unless such separate counsel is employed with the approval and consent of the Owner, or because of a conflict of interest between the Owner and the indemnified party, the Owner shall not be required to pay the fees and expenses of such separate counsel. The Owner agrees to execute any additional documents deemed necessary by the Issuer, the County or the Fiscal Agent to evidence the indemnification provided for in this Section 5. At the request of the Issuer or County, Owner agrees, in addition to the above indemnification, to pay the reasonable costs and expenses of the County Attorney of Broward County in connection with the action or proceeding giving rise to the indemnification.

While the Owner has possession of the Project, the Owner also shall pay and discharge and shall indemnify and hold harmless the Issuer and the Fiscal Agent from (a) any lien or charge upon payments by the Owner to the Issuer and the Fiscal Agent hereunder, and (b) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges other than income and other similar taxes in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges other than income and other similar taxes, are sought to be imposed, the Issuer or the Fiscal Agent shall give prompt notice to the Owner and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

In addition thereto, the Owner will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the Issuer in enforcing the provisions hereof.

Section 6. Reliance. The Issuer and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by the owners from time to time of the Notes, the County, Note Counsel and the other parties to transactions involving the issuance, sale or remarketing of the Notes and their respective counsel. In performing their duties and obligations hereunder, the Issuer and the Fiscal Agent may rely upon statements and certificates of the Owner, Lower-Income Persons and Eligible Persons reasonably believed by the Owner, its agents and employees to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Owner pertaining to occupancy of the Project. In addition, the Issuer and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the Issuer or the Fiscal Agent hereunder in good faith and in conformity with the opinion of such counsel. In performing its duties and obligations hereunder, the Owner may rely upon certificates of Lower-Income Persons and Eligible Persons reasonably believed to be genuine and to have been executed by the proper person or persons.

Section 7. Fair Housing Laws.

The Owner will comply with all fair housing laws, rules, regulations or orders applicable to the Project and shall not discriminate on the basis of race, creed, color, sex, age or national origin in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project. All advertising and promotional material used in connection with the Project shall contain the phrase “Fair Housing Opportunity.”

Section 8. Tenant Lists. All tenants lists, applications, and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Owner which is unrelated to the Project, and shall be maintained, as required by the Issuer, the Funding Lender or the Subordinate Lender from time to time, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer, the Funding Lender, the Fiscal Agent or the Subordinate Lender. Failure to keep such lists and applications or to make them available to the Issuer, the Funding Lender, the Fiscal Agent or the Subordinate Lender after written request therefor will be a default hereunder.

Section 9. Tenant Lease Restrictions. All tenant leases shall contain clauses, among others, wherein each individual lessee:

- (a) Certifies the accuracy of the statements made in the Income Certification;
- (b) Agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of such lessee’s tenancy; that such lessee will comply promptly with all requests for information with respect thereto from the Owner, the Fiscal Agent, the Funding Lender, the Issuer or the Subordinate Lender, and that such lessee’s failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of such lessee’s tenancy; and
- (c) Agrees not to sublease to any person or family who does not execute and deliver an Income Certification.

Section 10. Sale, Assignment, Conveyance or other Disposition of Project or Interest in Owner. Except with respect to transfer of interests within the Owner, as permitted under the terms and conditions of the Owner’s [Amended and Restated Agreement of Limited Partnership], dated as of June 1, 2019 (as may be further amended, the “Partnership Agreement”) or the Loan Documents, the Owner shall not sell, assign, convey or transfer any material portion of the Land, fixtures or improvements constituting a part of the Land or Project, or any material portion of the personal property constituting a portion of the Project during the term of this Agreement without (i) the prior written consent of the Issuer, which consent shall not be unreasonably withheld, (ii) the Fiscal Agent (solely as to the interest on the Governmental Note) and the Issuer having received an opinion of Note Counsel to the effect that, in reliance upon

such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, conveyance, transfer, or assignment will not result, under then-existing law, in interest on the Notes, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes, and (iii) upon receipt by the Issuer of a fee from the Owner upon transfer of ownership in excess of fifty percent (50%) interest in the Project or the Owner (which fee shall be refunded by the Issuer to the Owner in the event the Issuer does not approve the transfer of the Project to the proposed purchaser or assignee thereof, or in the event such transfer is not consummated) in the amount of one-half (1/2) of one percent (1%) of the amount of the Notes outstanding on the date of the written transfer request ("Transfer Fee"). Provided that the above conditions have been satisfied, the Issuer will provide to the Owner and the purchaser or transferee on request its written consent to any transfer in accordance with this Section and an estoppel certificate. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Agreement. Nothing contained in this Section 10 shall affect any provision of the Mortgages or any other document or instrument to which the Owner is a party which requires the Owner to obtain the consent of the holder of the Notes or any other person as a precondition to sale, transfer or other disposition of the Project. The Transfer Fee will apply if a material portion of the Project financed with proceeds from the Loans is sold during the term hereof and such material portion of such Project consisted of personal property or equipment, the proceeds from the sale thereof may be used by the Owner to purchase property of similar function to be used in connection with the Project, otherwise, the proceeds from such sale shall be applied in accordance with the Mortgages (in order of priority thereof). If such material portion of such Project consists of real property and improvements, the purchaser thereof must execute and deliver to the Owner and the Fiscal Agent (solely in connection with the Governmental Note) a document in form and substance reasonably satisfactory to the Issuer, the Funding Lender and the Subordinate Lender pursuant to which such purchaser shall agree to operate such property in compliance with the terms and conditions of this Agreement. Notwithstanding the foregoing, ownership of the Project may be transferred in connection with a foreclosure thereof under the Mortgages, or the acceptance of the Project by the mortgagee or its designee in lieu of foreclosure under the Mortgages, without complying with this Section 10; provided, however, that this sentence shall cease to apply if, at any time during that part of the Qualified Project Period subsequent to such transfer, the Owner or an Affiliated Party with respect to any of such parties obtains an ownership interest in the Project for federal tax purposes.

Except as permitted under the terms and conditions of the Partnership Agreement or the Loan Documents, the Owner shall not sell or otherwise transfer the Project in whole, nor shall there be substituted a new general partner of the Owner or a change in the controlling ownership of the general partner of the Owner, or other merger, transfer or consolidation of the Owner, unless (a) the Owner has received the prior written consent of the Issuer (which shall respond within a reasonable period of time and shall not unreasonably withhold such consent), (b) the fees and expenses of the Issuer and its professionals have been paid, including the Transfer Fee, (c) the Owner shall not be in default hereunder, (d) it is reasonably expected that continued operation of the Project will comply with the requirements of this Agreement, (e) the subsequent purchaser or assignee shall execute any document reasonably requested by the Issuer and, for so

long as (i) the Project Loan is outstanding, the Funding Lender, and (ii) the Subordinate Loan is outstanding, the Subordinate Lender, with respect to assuming the obligations of the Owner under this Agreement, (f) the Funding Lender, if the Project Loan is outstanding, the Subordinate Lender, if the Subordinate Loan is outstanding, and the Issuer shall not have any reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee relating to the Project, (g) the purchaser or assignee shall have satisfied such other conditions as may be reasonable under the circumstances, (h) the purchaser or assignee shall have first executed a document in recordable form addressed to the Issuer, the Funding Lender, if the Project Loan is outstanding, the Subordinate Lender, if the Subordinate Loan is outstanding, and the Fiscal Agent to the effect that such purchaser or assignee will comply with the terms and conditions of this Agreement, the Project Loan Agreement, the Subordinate Loan Agreement and the other Loan Documents, (i) the Fiscal Agent (solely as to the Governmental Note), the Funding Lender, if the Project Loan is outstanding, the Subordinate Lender, if the Subordinate Loan is outstanding, and the Issuer shall receive an opinion of counsel reasonably acceptable to the Issuer to the effect that the purchaser's or assignee's obligations under this Agreement, the Project Loan Agreement, the Subordinate Loan Agreement and other Loan Documents relating to the Notes are enforceable against such purchaser or assignee in accordance with their terms, and (j) the Fiscal Agent (solely in connection with the interest on the Governmental Note), the Funding Lender, if the Project Loan is outstanding, the Subordinate Lender, if the Subordinate Loan is outstanding, and the Issuer shall have received an opinion of Note Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, transfer, disposition or assignment will not result, under then-existing law, in interest on the Notes, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section shall be ineffective to relieve the Owner of its obligations under this Agreement or the Project Loan Agreement or the Subordinate Loan Agreement. In the event that the purchaser or assignee shall assume the obligations of the Owner under the Project Loan, the Project Loan Agreement, the Subordinate Loan, the Subordinate Loan Agreement, and/or this Agreement, the Owner shall be released from its obligations thereunder and hereunder, other than its obligations hereunder, under the Project Loan Agreement and under the Subordinate Loan Agreement arising prior to such date of assumption (unless such obligations are assumed by the purchaser or transferee).

Notwithstanding anything in this Section 10 to the contrary, the restrictions set forth above on the sale, transfer or other disposition or encumbrance of the Project or any portion thereof shall not be applicable to any of the following: (i) leases of apartment units as contemplated by this Agreement, (ii) grants of utility related easements and service or concession related leases or easements, including, without limitation, coin-operated laundry service leases and/or television cable easements on the Project, providing same are granted in connection with the operation of the Project as contemplated by this Agreement, (iii) any sale or conveyance to a condemning governmental authority as a direct result of the condemnation or a governmental taking or a threat thereof, (iv) the placing of a subordinate mortgage lien, assignment of leases and/or rents or security interest on or pertaining to the Project which is made expressly subject

and subordinate hereto and, to the extent still outstanding, to the Mortgages, or (v) subject to the provisions of the Mortgages, any transfer of partnership interests in the Owner or in the entities which are partners in the Owner.

Section 11. Negative Covenants. During the term of this Agreement, the Owner shall not:

- (a) Except pursuant to the provisions of this Agreement, the Project Loan Agreement, the Subordinate Loan Agreement and the other Loan Documents, or except upon a sale or transfer of the Project in accordance with the terms of this Agreement, the Project Loan Agreement, the Subordinate Loan Agreement and the Mortgages, encumber any of the mortgaged property, including the grant of commercial leases (other than for vending machines, coin operated laundry facilities and similar amenities functionally related and subordinate to the Project and granted in connection with the day to day operation of an apartment complex), or permit the conveyance, transfer or encumbrance of such property (except for such leases and for apartment leases) for the Qualified Project Period. Nothing in this paragraph shall prohibit the granting of easements for the purpose of providing utility services (including cable television or private satellite television) to the Project;
- (b) Demolish any part of the Project necessary for the operation thereof for its intended purposes or substantially subtract from any real or personal property of the Project; or
- (c) Permit the use of the dwelling accommodations of the Project for any purpose except rental residences in compliance with Section 142(d) of the Code.

Section 12. Covenants to Run with the Land. This Agreement and the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 13 hereof, shall pass to and be binding upon the Owner's assigns and successors and all subsequent owners of the Land (whether fee simple or leasehold) or the Project or any interest therein; provided, however, that upon the termination of this Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Except as provided in Section 13 hereof, each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Project or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Land or the Project are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Land or the Project.

Section 13. Term. This Agreement shall remain in full force and effect until the expiration of the Qualified Project Period; provided, however, that this Agreement shall automatically terminate in the event of involuntary noncompliance with the provisions of this Agreement caused by fire or other casualty, seizure, requisition, foreclosure or transfer by deed

in lieu of foreclosure, change in a federal law or an action of a federal agency that prevents the Issuer from enforcing the provisions hereof, or condemnation or a similar event (as determined by Note Counsel), but only if within a reasonable period thereafter (i) the Notes are retired in full or (ii) the proceeds received as a result of such event are used to finance a project that complies with the provisions hereof and any other applicable requirements of the Code and the Regulations. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event (as determined by Note Counsel), such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period following such event, the Owner or an Affiliated Party to the Owner, obtains an ownership interest in the Project for federal tax purposes.

Upon the termination of the Qualified Project Period, and the satisfaction by the Owner of all obligations under this Agreement, the Issuer, the Fiscal Agent and the Owner shall, upon the written request of the Owner, and at Owner's sole expense, execute and record a Notice of Termination of Land Use Restriction Agreement, the form of which is attached hereto as Exhibit B.

Section 14. Correction of Noncompliance. The failure of the Owner to comply with any of the provisions of this Agreement shall not be deemed a default hereunder unless such failure has not been corrected within a period of 60 days following the date that the Owner, or with respect to the requirements of Sections 2 or 3 hereof, any of the parties hereto, learned of such failure or should have learned of such failure by the exercise of reasonable diligence (which 60-day period may be extended if (i) such failure cannot reasonably be corrected within such 60-day period, (ii) diligent action to correct such failure commences within such 60-day period, (iii) such action is diligently pursued until such failure is corrected, and (iv) with respect to a failure to comply with any of the requirements of Sections 2 or 3 hereof, the Owner delivers to the Issuer and, solely as to the Governmental Note, the Fiscal Agent, an opinion of Note Counsel to the effect that such longer cure period will not adversely affect the exclusion of interest on the Notes from gross income for federal income tax purposes). After the Fiscal Agent learns of such failure, the Fiscal Agent shall attempt with reasonable diligence to notify the Owner and the Issuer of such failure by telephonic and written communication. Notwithstanding anything to the contrary herein, the Investor Limited Partner and the Administrative Limited Partner shall have the right, but not the obligation, to cure a default hereunder within the applicable cure period, and such cure will be accepted or rejected on the same basis as if tendered by the Owner.

Section 15. Modification of Tax Covenants. Notwithstanding the provisions of Section 22(b) hereof, to the extent any amendments, modifications or changes to the Regulations or the Code shall, in the written opinion of Note Counsel addressed to the Issuer, the Owner and, solely as to the Governmental Note, the Fiscal Agent, impose requirements upon the ownership, occupancy or operation of the Project different than those imposed by the Regulations or the Code and stated herein, and the Owner's failure to comply with such different requirements would produce a material and substantial risk that interest on the Notes will become subject to federal income taxation, then this Agreement shall be amended and modified in accordance with such requirements. The parties hereto agree to execute, deliver, and record, if applicable, any and all documents or instruments necessary in the opinion of and in the form approved by Note Counsel to effectuate the intent of this Section 15.

Section 16. Burden and Benefit. The Issuer, the Fiscal Agent and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Fiscal Agent, the Issuer and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and the Project by Lower-Income Persons and Eligible Persons, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Notes were issued. The Owner hereby expressly acknowledges that this Agreement is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Notes issued by the Issuer to finance the Project Loan and the Subordinate Loan and covenants and agrees that in connection with the acquisition, rehabilitation, ownership and operation of the Project, it shall, and shall require any subsequent purchaser of the Project to, fully comply with all terms and conditions of this Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project.

Section 18. Application of Insurance and Condemnation Proceeds. Subject to the provisions of the Project Loan Agreement, the Subordinate Loan Agreement and the other Loan Documents, if during the Qualified Project Period, the Project is damaged or destroyed or if all or a portion of the Land or Project is taken through eminent domain proceedings, or under the threat thereof, proceeds from insurance on the Project or any condemnation awards pertaining to such eminent domain proceedings shall be applied as provided in the Mortgages.

Section 19. Remedies; Enforceability. The benefits of this Agreement shall inure to, and may be enforced by, respectively, the Issuer and the Fiscal Agent and its successors, the holders of the Notes and their successors and assigns to the extent permitted by the Funding Loan Agreement and/or the Subordinate Loan Agreement, and solely as to Sections 2, 3 and 7 of this Agreement, the Lower-Income Persons and Eligible Persons and their successors who shall reside or be eligible to reside in units set aside for their occupancy pursuant to Section 3 of this Agreement for the period set forth in Section 13 hereof, whether or not the Project Loan and/or the Subordinate Loan may be paid in full, and whether or not the Notes are outstanding. If a material violation of any of the provisions hereof occurs and is not cured within the period provided by Section 14 hereof, any or all of such parties may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation, or to compel specific performance hereunder, it being recognized that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of the Owner's default. The remedies of the beneficiaries of this Agreement other than the Issuer and the Fiscal Agent shall be limited to those described in the preceding sentence. In addition to such other remedies as may be provided for herein, if a violation of any of the provisions hereof occurs which is not corrected during the period provided in Section 14 hereof, the Issuer shall have the right (but not the obligation), and is specifically authorized by the Owner, to terminate the manager and appoint a new manager of the Project to operate the Project in accordance with this Agreement, the Project Loan Agreement and the Subordinate Loan Agreement and take all actions necessary, in the reasonable judgment of the Issuer, to cure any

default by the Owner hereunder, and such new manager assuming such management hereunder shall be paid by or on behalf of the Owner, from the rents, revenues, profits and income from the Project, a management fee not to exceed the prevailing management fee paid to managers of similar housing projects in the area of Broward County, Florida. Subject to Section 13 hereof, the provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times. All rights and remedies provided in this Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the parties and beneficiaries hereof may otherwise have.

The Owner hereby agrees that the appointment of a new manager may be necessary to serve the public purpose for which the Notes were issued and to preserve the exclusion from gross income for federal income tax purposes of interest on the Notes following a violation of the provisions of this Agreement which is not cured within the period provided in Section 14 hereof. The Owner hereby expressly consents to, and agrees not to contest, the appointment of a new manager to operate the Project following a violation by the Owner of the provisions of this Agreement which is not cured as provided in Section 14 hereof and hereby waives any and all defenses and objections that might otherwise be raised to any such appointment of a new manager in accordance with the terms hereof. The Owner further agrees that the Issuer shall have the right to require the Owner to remove any manager or managing agent whose actions or inactions present a material risk of a breach of the agreements of the Owner herein, including, without limitation, a material risk of an adverse impact on the excludability from gross income for federal income tax purposes of interest on the Notes and which action or inaction is not being corrected as provided in Section 14 hereof, upon such manager or managing agent being given thirty (30) days' written notice of any violation hereof, and such right shall be expressly acknowledged in any contract between the Owner and any such manager or managing agent.

Section 20. Filing. Upon execution and delivery by the parties hereto, the Owner shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public deed records of Broward County, Florida, and in such manner and in such other places as the Issuer may reasonably request, and shall pay all fees and charges incurred in connection therewith.

Section 21. Governing Law. This Agreement shall be governed by the laws of the State. The venue for any proceeding hereunder shall be a court of appropriate jurisdiction in Broward County, Florida.

Section 22. Amendments.

- (a) The Owner shall not assign its interest hereunder, except by writing and in accordance with the provisions of Section 10 hereof.

- (b) This Agreement shall not be amended, revised, or terminated except by a written instrument, executed by the parties hereto (or their successors in title), and duly recorded in the official public records for Broward County, Florida. Anything to the contrary notwithstanding, the parties hereby agree to amend this Agreement to the extent required in the opinion of Note Counsel, in order for interest on the Notes to remain exempt from federal income taxation under Section 103 of the Code. The Owner agrees, from time to time, to take such other actions and steps necessary to comply, and to cause the Project to comply, with the requirements of Section 142(d) of the Code and to enter into modifications and amendments to this Agreement to the extent required by federal law, by any amendment to the Code or by any Regulation promulgated thereunder, in each case so that interest on the Notes remains exempt from federal income taxes. Any such amendment, revision or termination shall be effected only in accordance with the Funding Loan Agreement and the Subordinate Loan Agreement, as applicable.

Section 23. Fiscal Agent or Compliance Agent to Monitor Compliance Upon Request of Issuer. If the Issuer requests in writing that the Fiscal Agent (and the Fiscal Agent agrees to such request) or Compliance Agent assume the role of compliance monitoring, the Fiscal Agent or Compliance Agent, as the case may be, shall receive and examine all other reports, certifications and other documents required to be delivered to the Issuer or the Fiscal Agent or Compliance Agent hereunder and shall notify the Issuer promptly of non-compliance with this Agreement. In such event the Fiscal Agent or Compliance Agent shall include in its monthly statement described above a statement as to whether it has received the rent rolls and whether any of the information in any such documents received by the Fiscal Agent or Compliance Agent indicates the Owner has failed to comply with any of the requirements contained in this Agreement. The Fiscal Agent or Compliance Agent shall be authorized to charge reasonable fees and expenses to the Owner if it assumes such role.

Section 24. Notice. All notices and other communications required or permitted under this Agreement must be in writing and shall be deemed to have been duly given (i) when delivered, if sent by registered or certified mail (return receipt requested), (ii) when delivered, if delivered personally, (iii) when transmitted, if sent by facsimile if a confirmation of transmission is produced by the sending machine (and a copy of each facsimile promptly shall be sent by first class United States mail, postage fully prepaid), (iv) when delivered, if sent by overnight mail or overnight courier, or (v) on the date delivery is refused, as indicated on the return receipt or the delivery records of the delivery service, as applicable, in each case to the parties at the addresses listed in the first paragraph of this Agreement. A duplicate copy of each notice, certificate or other communication given hereunder by either the Issuer or the Owner to the others, shall also be given to the Fiscal Agent and the Investor Limited Partner. Copies of all notices sent pursuant to this Agreement shall be sent in accordance with Section 11.04 of the Funding Loan Agreement and Section 9.01 of the Subordinate Loan Agreement.

Section 25. Severability. If any provision hereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 26. Multiple Counterparts. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 27. Release of Fiscal Agent. Notwithstanding anything in this Agreement to the contrary, on and after the date the Governmental Note is no longer outstanding under the Funding Loan Agreement, the Fiscal Agent shall be released as a party to this Agreement and discharged from any duties or obligations hereunder, and all provisions throughout this Agreement related to the duties of, or notice to or from, the Fiscal Agent shall be of no further force and effect. If any approval or consent of the Fiscal Agent is required, such approval or consent shall be obtained from the Issuer; however, multiple notices need not be provided. Notwithstanding the foregoing, any such references shall remain in effect when needed to construe land use restriction obligations under this Agreement or to provide definitions. The Fiscal Agent's rights to indemnification provided for in the Funding Loan Agreement, the Project Loan Agreement and this Agreement shall survive such release and discharge.

Section 28. Freddie Mac Rider. For so long as any of the Notes are outstanding, the provisions of this Agreement are subject to the provisions of the Freddie Mac Rider attached as Exhibit "C" hereto and made a part hereof.

1. Definitions. Terms used in this Rider as defined terms shall have the meanings given those terms in the Regulatory Agreement and the Funding Loan Agreement. In addition, the following terms shall have the following meanings:

“Freddie Mac” means the Federal Home Loan Mortgage Corporation, a shareholder-owned government-sponsored enterprise organized and existing under the laws of the United States.

“Project Loan” means the loan to the Borrower pursuant to the Project Loan Documents, which Project Loan is to be assigned to the Fiscal Agent.

“Project Loan Agreement” means the Project Loan Agreement dated as of June 1, 2019, among the Borrower, the Governmental Lender and the Fiscal Agent, as such Financing Agreement may from time to time be amended or supplemented.

“Project Loan Documents” means the Security Instrument, the Project Note, the Project Loan Agreement, the Regulatory Agreement, the Assignment, the Continuing Covenant Agreement, any Subordination Agreement(s) and any and all other instruments and other documents evidencing, securing, or otherwise relating to the Project Loan or any portion thereof.

“Project Note” means the Project Note, including applicable addenda, to be executed by the Borrower in favor of the Governmental Lender, evidencing the Borrower’s financial obligations under the Project Loan, and to be endorsed by the Governmental Lender, without recourse, to the order of the Fiscal Agent, as the same may be amended, modified, supplemented or restated from time to time.

“Security Instrument” means the Multifamily Mortgage, Assignment of Rents and Security Agreement (Florida), together with all riders thereto, securing the Project Note, to be executed by the Borrower with respect to the Project, as it may be amended, modified, supplemented or restated from time to time.

2. Applicability. The provisions of this Rider shall amend and supplement the provisions of, and in the event of a conflict shall supersede the conflicting provisions of, the Regulatory Agreement.

3. Indemnification. Inasmuch as the covenants, reservations and restrictions of the Regulatory Agreement run with the land, the indemnification obligations of the Borrower contained in the Regulatory Agreement will be deemed applicable to any successor in interest to the Borrower, but, it is acknowledged and agreed, notwithstanding any other provision of the Regulatory Agreement to the contrary, that neither the Funding Lender nor any successor in interest to the Funding Lender will assume or take subject to any liability for the indemnification obligations of the Borrower for acts or omissions of the Borrower prior to any transfer of title to Freddie Mac, whether by foreclosure, deed in lieu of foreclosure or comparable conversion of the Project Loan. The Borrower shall remain liable under the indemnification provisions for its acts and omissions prior to any transfer of title to the Funding Lender. The Funding Lender shall indemnify the Governmental Lender following acquisition of the Project by the Funding Lender, by foreclosure, deed in lieu of foreclosure or comparable conversion of the Project Loan, during, and only during, any ensuing period that the Funding Lender owns and operates the Project, provided that the Funding Lender’s liability shall be strictly limited to acts and omissions of the Funding Lender occurring during the period of ownership and operation of the Project by the Funding Lender. The Funding Lender shall have no indemnification obligations with respect to the Governmental Note or the Project Loan Documents. The Borrower shall remain liable under the Regulatory Agreement for its actions and omissions prior to any transfer of title to the Funding Lender.

4. Sale or Transfer. Restrictions on sale or transfer of the Project or of any interest in the Borrower, Governmental Lender and/or Fiscal Agent consents, transferee agreements, transferee criteria and requirements, opinion requirements, assumption fees, transfer fees, penalties and the like shall not apply to any transfer of title to the Project to the Funding Lender or to a third party by foreclosure, deed in lieu of foreclosure or comparable conversion of the Project Loan or to any subsequent transfer by the Funding Lender following foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Project Loan. No transfer of the Project shall operate to release the Borrower from its obligations under the Regulatory Agreement. Nothing contained in the Regulatory Agreement shall affect any provision of the Security Instrument or any of the other Project Loan Documents that requires the Borrower to obtain the

consent of the Funding Lender as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Project or of any direct or indirect interest in the Borrower, excluding transfers permitted by the Security Instrument. No covenant obligating the Borrower to obtain an agreement from any transferee to abide by all requirements and restrictions of the Regulatory Agreement shall have any applicability to a transfer to the Funding Lender upon foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Project Loan by the Funding Lender, or to any subsequent transfer by the Funding Lender following foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Project Loan.

5. Enforcement. Notwithstanding anything contained in the Regulatory Agreement to the contrary: (i) the occurrence of an event of default under the Regulatory Agreement shall not, under any circumstances whatsoever, be deemed or constitute a default under the Project Loan Documents, except as may be otherwise specified in the Project Loan Documents; and (ii) the occurrence of an event of default under the Regulatory Agreement shall not impair, defeat or render invalid the lien of the Security Instrument. No person other than the Funding Lender shall have the right to (a) declare the principal balance of the Project Note to be immediately due and payable or (b) commence foreclosure or other like action with respect to the Security Instrument. The Governmental Lender and the Fiscal Agent acknowledge and agree that the exercise of any rights and remedies under the Regulatory Agreement is subject to the provisions of the Project Loan Documents.

6. Notice of Violations. Promptly upon determining that a violation of the Regulatory Agreement has occurred, the Governmental Lender or the Fiscal Agent shall, by notice in writing to the Borrower, the Servicer and the Funding Lender, inform the Borrower, the Servicer and the Funding Lender that such violation has occurred, the nature of the violation and that the violation has been cured or has not been cured, but is curable within a reasonable period of time, or is incurable; notwithstanding the occurrence of such violation, neither the Governmental Lender nor the Fiscal Agent shall have, and each of them acknowledge that they shall not have, any right to cause or direct acceleration of the Project Loan, to enforce the Project Note or to foreclose on the Security Instrument.

7. Amendments. The Regulatory Agreement shall not be amended without the prior written consent of the Funding Lender.

8. Fees; Penalties. The Funding Lender shall not be liable for the payment of any compensation or any accrued unpaid fees, costs, expenses or penalties otherwise owed by the Borrower or any subsequent owner of the Project prior to the date of acquisition of the Project by the Funding Lender, whether such acquisition is by foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Project Loan.

9. Subordination. The terms, covenants and restrictions of the Regulatory Agreement, other than those set forth in Sections 2 and 3, are and shall at all times remain subject and subordinate, in all respects, to the liens, rights and interests created under the Project Loan Documents.

10. Third-Party Beneficiary. The parties to the Regulatory Agreement recognize and agree that the terms of the Regulatory Agreement and the enforcement of those terms are essential to the security of the Funding Lender and are entered into for the benefit of various parties, including the Funding Lender. The Funding Lender shall accordingly have contractual

rights in the Regulatory Agreement and shall be entitled (but not obligated) to enforce, separately or jointly with the Governmental Lender and/or the Fiscal Agent, or to cause the Governmental Lender or the Fiscal Agent to enforce, the terms of the Regulatory Agreement pursuant to the Governmental Lender's and the Fiscal Agent's rights (including permissive rights) and obligations under the Regulatory Agreement and subject to the Governmental Lender and the Fiscal Agent being indemnified to their satisfaction against the costs, expenses and liabilities which might be incurred by them in the compliance with such enforcement. In addition, the Funding Lender is intended to be and shall be a third-party beneficiary of the Regulatory Agreement.

PROJECT NOTE

(Revised 12-6-2018)

US \$[AMOUNT]

June [___], 2019

FOR VALUE RECEIVED, the undersigned, **POMPANO BEACH LEASED HOUSING ASSOCIATES II, LLLP** (together with such party's or parties' successors and assigns, the "**Borrower**"), jointly and severally (if more than one), promises to pay to the order of **HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA** (the "**Governmental Lender**"), and its assigns, the principal sum of [AMOUNT OF PROJECT LOAN] (US \$[AMOUNT]), plus premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This Project Note (this "**Project Note**") is being delivered pursuant to that certain Project Loan Agreement dated as of June [___], 2019, among the Governmental Lender, The Bank of New York Mellon Trust Company, N.A. (the "**Fiscal Agent**") and Borrower (together with any and all amendments, modifications, supplements and restatements, the "**Project Loan Agreement**") pursuant to which the Governmental Lender has made a mortgage loan in the principal amount of this Project Note to Borrower (the "**Project Loan**"), and this Project Note is entitled to the benefits of the Project Loan Agreement and is subject to the terms, conditions and provisions thereof. The Project Loan was funded from the separate loan (the "**Funding Loan**") incurred by the Governmental Lender pursuant to the Funding Loan Agreement dated as of June 1, 2019 (the "**Funding Loan Agreement**") by and among Citibank, N.A., as the Initial Funding Lender, the Governmental Lender and the Fiscal Agent. This Project Note shall be deemed to be fully advanced as of the Closing Date.

1. Defined Terms.

(a) As used in this Project Note:

"**Base Recourse**" means a portion of the Indebtedness equal to 0% of the original principal balance of this Project Note.

"**Business Day**" means any day other than (a) a Saturday or a Sunday, or (b) a day on which (i) banking institutions in the City of New York or in the city in which the Principal Office of the Fiscal Agent is located are authorized or obligated by law or executive order to be closed or (ii) the New York Stock Exchange is closed.

"**Closing Date**" means the date hereof, which is the date of initial funding of the Funding Loan and the delivery of the Governmental Note by the Governmental Lender to the Initial Funding Lender.

“**Default Rate**” means an annual interest rate equal to 4 percentage points above the Interest Rate. However, at no time will the Default Rate exceed the Maximum Interest Rate.

“**First Project Loan Payment Date**” means the first day of the first calendar month following the Closing Date.

“**Holder**” means the holder from time to time of this Project Note.

“**Indebtedness**” means the principal of, premium, if any, and interest on or any other amounts due at any time under this Project Note or the Project Loan Agreement.

“**Interest Rate**” means the annual interest rate of [____] %.

“**Lockout Period**” means the period from and including the date of this Project Note until but not including July 1, 2029.

“**Maximum Interest Rate**” means the rate of interest which results in the maximum amount of interest allowed by applicable law.

“**Prepayment Premium Period**” means the period from and including the date of this Project Note until but not including the first day of the Window Period.

“**Project Loan Payment Date**” is defined in Section 2 of this Project Note.

“**Property Jurisdiction**” means the State of Florida.

“**Security Instrument**” means the multifamily mortgage, deed to secure debt or deed of trust effective as of the effective date of this Project Note from Borrower to or for the benefit of Governmental Lender and its assigns and securing this Project Note, as amended, modified or supplemented from time to time.

“**Window Period**” means the 3 consecutive calendar month period immediately prior to the Scheduled Maturity Date. If the first day of the Window Period falls on a day which is not a Business Day, then with respect to payments made under Section 10, the “Window Period” will begin on the Business Day immediately preceding the scheduled first day of the Window Period.

“**Yield Maintenance Period**” means the period from and including the date of this Project Note until but not including January 1, 2035.

(b) Other capitalized terms used but not defined in this Project Note shall have the meanings given to such terms in the Project Loan Agreement, the Funding Loan Agreement or the Continuing Covenant Agreement.

2. Payments of Principal and Interest. Borrower shall pay on the first calendar day of each month commencing on the First Project Loan Payment Date, interest at the Interest Rate on the outstanding principal balance of this Project Note, and shall also pay interest on this Project Note at the Interest Rate in the event of an optional or mandatory prepayment or acceleration of all or a part of the Project Loan pursuant to this Project Note or the Project Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Project Note subject to prepayment (each such date for payment a “**Project Loan Payment Date**”). Interest under this Project Note will be computed, payable and allocated on the basis of a 360-day year and the actual number of days elapsed.

Borrower shall pay the outstanding principal of this Project Note in full on the Scheduled Maturity Date and in monthly installments on each date set forth on the Project Loan Amortization Schedule attached as Schedule 1 to this Project Note in an amount equal to the corresponding amounts set forth thereon, or at such earlier times and in such amounts as may be required in the event of an optional or mandatory prepayment or acceleration of the Project Loan pursuant to this Project Note or the Project Loan Agreement.

In addition to the foregoing, Borrower shall make payments hereunder in respect of the Project Loan at such times and in such amounts as are sufficient to pay, when due (whether at stated maturity, upon prepayment before maturity, upon acceleration of stated maturity or otherwise), the principal of and premium, if any, and interest on the Funding Loan at any time outstanding. To ensure timely payment, Servicer shall collect from Borrower, and Borrower shall provide to Servicer, the foregoing payments two (2) Business Days prior to the respective Project Loan Payment Date; provided, unless the Closing Date is the first day of a calendar month, the Servicer shall collect from Borrower and Borrower shall provide to Servicer on the Closing Date, interest for the period beginning on the Closing Date and ending on and including the last day of such calendar month. Except as provided in this paragraph and in Section 10, accrued interest will be payable in arrears.

Any regularly scheduled monthly installment of principal and interest payable pursuant to this Section 2 that is received by Holder before the date on which it is due will be deemed to have been received on the due date for the purpose of calculating interest due.

3. Payment of Fees and Expenses; Other Required Payments. Borrower shall also pay fees and expenses under Section 4.02 of the Project Loan Agreement, rebate amounts under Sections 2.04 and 4.03 of the Project Loan Agreement and indemnification amounts under Section 6.01 of the Project Loan Agreement and Section 10.02 of the Continuing Covenant Agreement, as well as any other amounts owed by the Borrower under the Financing Documents, when due and in accordance with the terms and provisions set forth therein.

4. Manner of Payment; Deficiencies. All payments under this Project Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Project Loan Agreement. In the event of any deficiency in the funds available under the Funding Loan Agreement for payment of the principal of, premium, if any, or interest on the Funding Loan when due, Borrower shall immediately pay the amount of the deficiency to the Fiscal Agent upon notice of the deficiency from the Governmental Lender, Servicer or the Fiscal Agent. Borrower shall be obligated to pay the deficiency regardless of the

reason for the deficiency, including any deficiency resulting from any shortfall in payments made or to be made by Borrower under this Project Note, any loss due to a default under any investment held by the Fiscal Agent, a change in value of any such investment or otherwise.

5. Application of Partial Payments. If at any time Holder receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, Holder may apply the amount received to amounts then due and payable in any manner and in any order determined by Holder, in Holder's discretion. Borrower agrees that neither Holder's acceptance of a payment from Borrower in an amount that is less than all amounts then due and payable nor Holder's application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

6. Security. The Indebtedness is secured by, among other things, the Security Instrument. Reference is made to the Security Instrument and the Project Loan Agreement for other rights of Holder with respect to collateral for the Indebtedness.

7. Acceleration. If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, any prepayment premium payable under Section 10 of this Project Note, and all other amounts payable under this Project Note and any other Financing Document, shall at once become due and payable, at the option of Holder, without any prior Notice to Borrower (except if notice is required by applicable law, then after such notice). Holder may exercise this option to accelerate regardless of any prior forbearance. For purposes of exercising such option, Holder will calculate the prepayment premium as if prepayment occurred on the date of acceleration. If prepayment occurs thereafter, Holder will recalculate the prepayment premium as of the actual prepayment date.

8. Default Rate. So long as (a) any monthly installment under this Project Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Project Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at the lesser of the Default Rate or the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Scheduled Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Scheduled Maturity Date at the lesser of the Default Rate or the Maximum Interest Rate. Borrower also acknowledges that its failure to make timely payments will cause Holder to incur additional expenses in servicing and processing the Project Loan, that, during the time that any monthly installment under this Project Note is delinquent, Holder will incur additional costs and expenses arising from its loss of the use of the money due and from the adverse impact on Holder's ability to meet its other obligations and to take advantage of other investment opportunities, and that it is extremely difficult and impractical to determine those additional costs and expenses. Borrower also acknowledges that, during the time that any monthly installment under this Project Note is delinquent or any other Event of Default has occurred and is continuing, Holder's risk of nonpayment of this Project Note will be materially increased and Holder is entitled to be compensated for such increased risk. Borrower agrees that the increase in the rate of interest payable under this Project Note to the Default Rate represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Project Note, of the additional costs and expenses Holder will incur by reason of Borrower's delinquent payment and the

additional compensation Holder is entitled to receive for the increased risks of nonpayment associated with a delinquent loan.

9. Limits on Personal Liability.

(a) Except as otherwise provided in this Section 9, none of Borrower, SPE Equity Owner, or any member or limited partner of Borrower will have any personal liability under this Project Note, the Project Loan Agreement or any other Financing Document for the repayment of the Indebtedness or for the performance of or compliance with any other obligations of Borrower under the Financing Documents, and Holder's only recourse for the satisfaction of the Indebtedness and the performance of such obligations will be Holder's exercise of its rights and remedies with respect to the Project and to any other collateral held by Holder as security for the Indebtedness. This limitation on Borrower's liability will not limit or impair Holder's enforcement of its rights against any Guarantor of the Indebtedness or any Guarantor of any other obligations of Borrower.

(b) Borrower will be personally liable to Holder for the amount of the Base Recourse, plus any other amounts for which Borrower has personal liability under this Section 9.

(c) In addition to the Base Recourse, Borrower will be personally liable to Holder for the repayment of a further portion of the Indebtedness equal to any loss or damage suffered by Holder as a result of the occurrence of any of the following events:

(i) Borrower fails to pay to Holder upon demand after an Event of Default all Rents to which Holder is entitled under Section 3 of the Security Instrument and the amount of all security deposits collected by Borrower from tenants then in residence. However, Borrower will not be personally liable for any failure described in this Section 9(c)(i) if Borrower is unable to pay to Holder all Rents and security deposits as required by the Security Instrument because of a valid order issued in, or an automatic stay applicable because of, a bankruptcy, receivership, or similar judicial proceeding.

(ii) Borrower fails to apply all Insurance proceeds and Condemnation proceeds as required by the Continuing Covenant Agreement. However, Borrower will not be personally liable for any failure described in this Section 9(c)(ii) if Borrower is unable to apply Insurance or Condemnation proceeds as required by the Continuing Covenant Agreement because of a valid order issued in, or an automatic stay applicable because of, a bankruptcy, receivership, or similar judicial proceeding.

(iii) Either of the following occurs:

(A) Borrower fails to deliver the statements, schedules and reports required by Section 6.07 of the Continuing Covenant Agreement and Holder exercises its right to audit those statements, schedules and reports.

(B) An Event of Default has occurred and is continuing, and Borrower fails to deliver all books and records relating to the Mortgaged Property or its operation in accordance with the provisions of Section 6.07 of the Continuing Covenant Agreement.

(iv) Borrower fails to pay when due in accordance with the terms of the Continuing Covenant Agreement the amount of any item below marked “Deferred”; provided however, that if no item is marked “Deferred”, this Section 9(c)(iv) will be of no force or effect.

[Collect] Property Insurance premiums or other Insurance premiums,

[Collect] Taxes or payments in lieu of taxes (PILOT)

[Deferred] Water and sewer charges (that could become a lien on the Mortgaged Property)

[N/A] Ground Rents

(v) Borrower engages in any willful act of material waste of the Mortgaged Property.

(vi) Borrower fails to comply with any provision of Section 6.13(a)(iii) through (xxvi) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with any provision of Section 6.13(b)(iii) through (v) of the Continuing Covenant Agreement (subject to possible full recourse liability as set forth in Section 9(f)(ii)).

(vii) Any of the following Transfers occurs:

(A) Any Person that is not an Affiliate creates a mechanic’s lien or other involuntary lien or encumbrance against the Mortgaged Property and Borrower has not complied with the provisions of the Continuing Covenant Agreement.

(B) A Transfer of property by devise, descent or operation of law occurs upon the death of a natural person and such Transfer does not meet the requirements set forth in the Continuing Covenant Agreement.

(C) Borrower grants an easement that does not meet the requirements set forth in the Continuing Covenant Agreement.

(D) Borrower executes a Lease that does not meet the requirements set forth in the Continuing Covenant Agreement.

(viii) Reserved.

(ix) through (xx) are Reserved.

(xxi) Borrower or any officer, director, partner, member or employee of Borrower makes an unintentional written material misrepresentation in connection with

(1) the application for or creation of the Indebtedness, (2) on-going financial or other reporting requirements or information required by the Financing Documents, or (3) any action or consent of Holder; provided that the assumption will be that any written material misrepresentation was intentional and the burden of proof will be on Borrower to prove that there was no intent.

(xxii) through (xxviii) are Reserved.

(d) In addition to the Base Recourse, Borrower will be personally liable to Holder for all of the following:

(i) Borrower will be personally liable for the performance of all of Borrower's obligations under Sections 6.12 and 10.02(b) of the Continuing Covenant Agreement (relating to environmental matters).

(ii) Borrower will be personally liable for the costs of any audit under Section 6.07 of the Continuing Covenant Agreement.

(iii) Borrower will be personally liable for any costs and expenses incurred by Holder in connection with the collection of any amount for which Borrower is personally liable under this Section 9, including Attorneys' Fees and Costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability.

(iv) through (viii) are reserved.

(ix) Borrower will be personally liable for any fees, costs, or expenses incurred by Holder in connection with Borrower's termination of any agreement for the provision of services to or in connection with the Mortgaged Property, including cable, internet, garbage collection, landscaping, security, and cleaning.

(x) Reserved.

(xi) Reserved.

(e) All payments made by Borrower with respect to the Indebtedness and all amounts received by Holder from the enforcement of its rights under the Project Loan Agreement and the other Financing Documents will be applied first to the portion of the Indebtedness for which Borrower has no personal liability.

(f) Notwithstanding the Base Recourse, Borrower will become personally liable to Holder for the repayment of all of the Indebtedness upon the occurrence of any of the following Events of Default:

(i) Borrower fails to comply with Section 6.13(a)(i) or (ii) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with Section 6.13(b)(i) or (ii) of the Continuing Covenant Agreement.

(ii) Borrower fails to comply with any provision of Section 6.13(a)(iii) through (xxvi) of the Continuing Covenant Agreement or any SPE Equity Owner fails to comply with any provision of Section 6.13(b)(iii) through (v) of the Continuing Covenant Agreement and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of Borrower or any SPE Equity Owner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code.

(iii) A Transfer that is an Event of Default under Section 7.02 of the Continuing Covenant Agreement occurs, other than a Transfer set forth in Section 9(c)(vii) above (for which Borrower will have personal liability for Holder's loss or damage); provided, however, that Borrower will not have any personal liability for a Transfer consisting solely of the involuntary removal or involuntary withdrawal of a general partner in a limited partnership or a manager in a limited liability company.

(iv) There was fraud or intentional written material misrepresentation by Borrower or any officer, director, partner, member or employee of Borrower in connection with (1) the application for or creation of the Indebtedness, (2) on-going financial or other reporting requirements or information required by the Loan Documents, or (3) any action or consent of Holder.

(v) Borrower or any SPE Equity Owner voluntarily files for bankruptcy protection under the Bankruptcy Code.

(vi) Borrower or any SPE Equity Owner voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights.

(vii) The Mortgaged Property or any part of the Mortgaged Property becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights.

(viii) An order of relief is entered against Borrower or any SPE Equity Owner pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party.

(ix) An involuntary bankruptcy or other involuntary insolvency proceeding is commenced against Borrower or any SPE Equity Owner (by a party other than Holder) but only if Borrower or such SPE Equity Owner has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. "Commercially reasonable efforts" will not require any direct or indirect interest holders in Borrower or any SPE Equity Owner to contribute or cause the contribution of additional capital to Borrower or any SPE Equity Owner.

(x) through (xiii) are Reserved.

(xiv) In the event that any of the interest payable on the Funding Loan is deemed included in any Funding Lender's (other than a Funding Lender who is a "substantial user" of the Project or a "related person" with respect thereto, each as defined in Section 147(a) of the Internal Revenue Code of 1986) gross income for federal income tax purposes as a result of any action or failure to act by Borrower or any person or entity acting on behalf of Borrower (including, but not limited to, the manager of the Mortgaged Property).

(g) For purposes of Sections 9(f) and (h), the term "**Related Party**" will include all of the following:

(i) Borrower, any Guarantor or any SPE Equity Owner.

(ii) Any Person that holds, directly or indirectly, any ownership interest (including any shareholder, member or partner) in Borrower, any Guarantor or any SPE Equity Owner or any Person that has a right to manage Borrower, any Guarantor or any SPE Equity Owner.

(iii) Any Person in which Borrower, any Guarantor or any SPE Equity Owner has any ownership interest (direct or indirect) or right to manage.

(iv) Any Person in which any partner, shareholder or member of Borrower, any Guarantor or any SPE Equity Owner has an ownership interest or right to manage.

(v) Any Person in which any Person holding an interest in Borrower, any Guarantor or any SPE Equity Owner also has any ownership interest.

(vi) Any creditor (as defined in the Bankruptcy Code) of Borrower that is related by blood, marriage or adoption to Borrower, any Guarantor or any SPE Equity Owner.

(vii) Any creditor (as defined in the Bankruptcy Code) of Borrower that is related to any partner, shareholder or member of, or any other Person holding an interest in, Borrower, any Guarantor or any SPE Equity Owner.

(h) If Borrower, any Guarantor, any SPE Equity Owner or any Related Party has solicited creditors to initiate or participate in any proceeding referred to in Section 9(f), regardless of whether any of the creditors solicited actually initiates or participates in the proceeding, then such proceeding will be considered as having been initiated by a Related Party.

(i) In addition to the Base Recourse, Borrower will be personally liable for the following obligations under the Project Loan Agreement:

(i) Borrower's obligations to the Governmental Lender and the Fiscal Agent under subsections (b)(ii), (b)(iv), (b)(v), and (b)(vi) of Section 4.02 of the Project Loan Agreement;

(ii) Borrower's tax and indemnification obligations under Sections 2.05 and 6.01 of the Project Loan Agreement;

(iii) Borrower's obligation to pay any and all rebate amounts that may be or become owing with respect to the Funding Loan and fees and expenses of the Rebate Analyst as provided in Sections 2.04 and 4.03 of the Project Loan Agreement and the Tax Certificate; and

(iv) Borrower's obligation to pay legal fees and such expenses under Section 7.04 of the Project Loan Agreement.

(j) To the extent that Borrower has personal liability under this Section 9, Holder may, to the fullest extent permitted by applicable law, exercise its rights against Borrower personally without regard to whether Holder has exercised any rights against the Mortgaged Property or any other security, or pursued any rights against any Guarantor, or pursued any other rights available to Holder under this Project Note, the Project Loan Agreement, any other Financing Document, or applicable law. To the fullest extent permitted by applicable law, in any action to enforce Borrower's personal liability under this Section 9, Borrower waives any right to set off the value of the Mortgaged Property against such personal liability.

10. Voluntary and Involuntary Prepayments During the Prepayment Premium Period; Prepayment Premium.

(a) Any receipt by Holder of principal due under this Project Note prior to the Scheduled Maturity Date, other than principal required to be paid in monthly installments pursuant to the Project Loan Amortization Schedule, constitutes a prepayment of principal under this Project Note. Without limiting the foregoing, any application by Holder, prior to the Scheduled Maturity Date, of any proceeds of collateral or other security to the repayment of any portion of the unpaid principal balance of this Project Note constitutes a prepayment under this Project Note.

(b) This Project Note, together with accrued interest hereon, and together with prepayment premium (to the extent provided in Section 10(c) below), is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) the application of any Insurance proceeds or Condemnation award to the prepayment of the Project Loan as required under the Continuing Covenant Agreement; or

(ii) in whole, upon the occurrence of a Determination of Taxability; or

(iii) in part, on the Interest Payment Date next following the completion of the rehabilitation of the Project, to the extent amounts remaining in the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to the Funding Loan Agreement to pay down the Funding Loan; or

(iv) Intentionally Omitted.

(c) Borrower may not voluntarily prepay any portion of the principal balance of this Project Note during the Lockout Period. Except as provided in Section 10(d), a prepayment premium will be due and payable by Borrower in connection with any prepayment of principal under this Project Note during the Prepayment Premium Period. The prepayment premium will be computed as follows:

- (i) For any prepayment made during the Yield Maintenance Period, the prepayment premium will be whichever is the greater of Sections 10(c)(i)(A) and (B) below:
 - (A) 1.0% of the amount of principal being prepaid; or
 - (B) the product obtained by multiplying:
 - (1) the amount of principal being prepaid or accelerated,
by
 - (2) the excess (if any) of the Monthly Project Note Rate over the Assumed Reinvestment Rate,
by
 - (3) the Present Value Factor.

For purposes of Section 10(c)(i)(B), the following definitions will apply:

Monthly Project Note Rate: 1/12 of the Interest Rate, expressed as a decimal calculated to 5 digits.

Prepayment Date: in the case of a voluntary prepayment, the date on which the prepayment is made; in the case of the application by Holder of collateral or security to a portion of the principal balance, the date of such application.

Assumed Reinvestment Rate: 1/12 of the yield rate expressed as a decimal to 2 digits, as of the close of the trading session which is 5 Business Days before the Prepayment Date, found among the Daily Treasury Yield Curve Rates, commonly known as Constant Maturity Treasury (“CMT”) rates, with a maturity equal to the remaining Yield Maintenance Period, as reported on the U.S. Department of the Treasury website. If no published CMT maturity matches the remaining Yield Maintenance Period, Holder will interpolate as a decimal to 2 digits the yield rate between (a) the CMT with a maturity closest to, but shorter than, the remaining Yield Maintenance Period, and (b) the CMT with a maturity closest to, but longer than, the remaining Yield Maintenance Period, as follows:

$$\left[\left(\frac{B-A}{D-C} \right) \times (E-C) \right] + A$$

A = yield rate for the CMT with a maturity shorter than the remaining Yield Maintenance Period

B = yield rate for the CMT with a maturity longer than the remaining Yield Maintenance Period

C = number of months to maturity for the CMT maturity shorter than the remaining Yield Maintenance Period

D = number of months to maturity for the CMT maturity longer than the remaining Yield Maintenance Period

E = number of months remaining in the Yield Maintenance Period

In the event the U.S. Department of the Treasury ceases publication of the CMT rates, the Assumed Reinvestment Rate will equal the yield rate on the first U.S. Treasury security which is not callable or indexed to inflation and which matures after the expiration of the Yield Maintenance Period.

The Assumed Reinvestment Rate may be a positive number, a negative number or zero.

If the Assumed Reinvestment Rate is a positive number or a negative number, Holder will calculate the prepayment premium using such positive number or negative number, as appropriate, as the Assumed Reinvestment Rate in 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.

If the Assumed Reinvestment Rate is zero, Holder will calculate the prepayment premium twice as set forth in (I) and (II) below and will average the results to determine the actual prepayment premium.

(I) Holder will calculate the prepayment premium using an Assumed Reinvestment Rate of one basis point (+0.01%) in Section 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.

(II) Holder will calculate the prepayment premium using an Assumed Reinvestment Rate of negative one basis point (-0.01%) in Section 10(c)(i)(B)(2) and in the calculation of the Present Value Factor.

Present Value Factor: the factor that discounts to present value the costs resulting to Holder from the difference in interest rates during the months

remaining in the Yield Maintenance Period, using the Assumed Reinvestment Rate as the discount rate, with monthly compounding, expressed numerically as follows:

$$\frac{1 - \left(\frac{1}{1 + ARR} \right)^n}{ARR}$$

n = the number of months remaining in Yield Maintenance Period; provided, however, if a prepayment occurs on a Scheduled Project Loan Payment Date, then the number of months remaining in the Yield Maintenance Period will be calculated beginning with the month in which such prepayment occurs and if such prepayment occurs on a Business Day other than a Scheduled Project Loan Payment Date (as defined below), then the number of months remaining in the Yield Maintenance Period will be calculated beginning with the month immediately following the date of such prepayment.

ARR = Assumed Reinvestment Rate

- (ii) For any prepayment made after the expiration of the Yield Maintenance Period but during the remainder of the Prepayment Premium Period, the prepayment premium will be 1.0% of the amount of principal being prepaid.

(d) Notwithstanding any other provision of this Section 10, no prepayment premium will be payable with respect to (i) any scheduled principal payment in accordance with the Project Loan Amortization Schedule, (ii) any prepayment made during the Window Period, (iii) any mandatory prepayment occurring under Section 10(b)(i) hereof as a result of the application of any Insurance proceeds or Condemnation award under the Continuing Covenant Agreement; or (iv) any prepayment under Section 10(b)(iii) hereof following the completion of the rehabilitation of the Project, to the extent amounts remaining in the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to Section 4.02(e) Funding Loan Agreement.

(e) After the expiration of the Lockout Period, Borrower may voluntarily prepay all of the unpaid principal balance of this Project Note on the first day of a calendar month (a "Scheduled Project Loan Payment Date") so long as Borrower designates the date for such prepayment in a written notice from Borrower to Holder given at least 30 days prior to the date of such prepayment. If a Scheduled Project Loan Payment Date falls on a day which is not a Business Day, then with respect to payments made under this Section 10 only, (A) the term "Scheduled Project Loan Payment Date" will mean the Business Day immediately preceding the Scheduled Project Loan Payment Date and (B) the calculation of any required prepayment premium will be made as if the prepayment had actually been made on the Scheduled Project Loan Payment Date.

(f) Notwithstanding Section 10(e) above, after the expiration of the Lockout Period, Borrower may voluntarily prepay all of the unpaid principal balance of this Project Note on a Business Day other than a Scheduled Project Loan Payment Date if Borrower provides Holder with the written notice set forth in Section 10(d) and meets the other requirements set forth in this Section 10(f). Borrower acknowledges that Holder has agreed that Borrower may prepay principal on a Business Day other than a Scheduled Project Loan Payment Date only because Holder will deem any prepayment received by Holder on any day other than a Project Loan Payment Date to have been received on the Scheduled Project Loan Payment Date immediately following such prepayment and Borrower will be responsible for all interest and any required prepayment premium that would have been due if the prepayment had actually been made on the Scheduled Project Loan Payment Date immediately following such prepayment.

(g) Unless otherwise expressly provided in the Financing Documents, Borrower may not voluntarily prepay less than all of the unpaid principal balance of this Project Note. In order to voluntarily prepay all of the principal of this Project Note, Borrower must also pay to Holder, together with the amount of principal being prepaid, (i) all accrued and unpaid interest due under this Project Note, (ii) all other fees and amounts due under the Financing Documents at the time of such prepayment, plus (iii) any prepayment premium calculated pursuant to Section 10(c).

(h) Unless Holder agrees otherwise in writing, a permitted or required prepayment of less than the unpaid principal balance of this Project Note will not extend or postpone the due date of any subsequent monthly installments or change the amount of such installments.

(i) Borrower recognizes that any prepayment of any of the unpaid principal balance of this Project Note, whether voluntary or involuntary or resulting from an Event of Default by Borrower, will result in Holder's incurring loss, including reinvestment loss, additional expense and frustration or impairment of Holder's ability to meet its commitments to third parties. Borrower agrees to pay to Holder upon demand damages for the detriment caused by any prepayment, and agrees that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore acknowledges and agrees that the formula for calculating prepayment premiums set forth in Section 10(c) of this Project Note represents a reasonable estimate of the damages Holder will incur because of a prepayment. Borrower further acknowledges that the lockout and prepayment premium provisions of this Project Note are a material part of the consideration for the Loan, and that the terms of this Project Note are in other respects more favorable to Borrower as a result of Borrower's voluntary agreement to the prepayment premium provisions.

11. Costs and Expenses. To the fullest extent allowed by applicable law, Borrower must pay all expenses and costs, including Attorneys' Fees and Costs incurred by Holder as a result of any default under this Project Note or in connection with efforts to collect any amount due under this Project Note, or to enforce the provisions of any of the other Financing

Documents, including those incurred in post-judgment collection efforts and in any bankruptcy proceeding (including any action for relief from the automatic stay of any bankruptcy proceeding) or judicial or non-judicial foreclosure proceeding. Borrower acknowledges and agrees that, in connection with each request by Borrower under this Project Note or any Financing Document, Borrower must pay all reasonable Attorneys' Fees and Costs and expenses incurred by Holder, regardless of whether the matter is approved, denied or withdrawn.

12. Forbearance. Any forbearance by Holder in exercising any right or remedy under this Project Note, the Project Loan Agreement, or any other Financing Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by Holder of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Holder's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by Holder of any security for Borrower's obligations under this Project Note shall not constitute an election by Holder of remedies so as to preclude the exercise of any other right or remedy available to Holder.

13. Waivers. Borrower and all endorsers and Guarantors of this Project Note and all other third-party obligors waive presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness.

14. Loan Charges. Neither this Project Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the Maximum Interest Rate. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower in connection with the Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Holder in excess of the permitted amounts will be applied by Holder to reduce the unpaid principal balance of this Project Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness that constitutes interest, as well as all other charges made in connection with the Indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Project Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Project Note.

15. Commercial Purpose. Borrower represents that Borrower is incurring the Indebtedness solely for the purpose of carrying on a business or commercial enterprise, and not for personal, family, household, or agricultural purposes.

16. Counting of Days. Any reference in this Project Note to a period of "days" means calendar days, not Business Days, except where otherwise specifically provided.

17. Governing Law. This Project Note shall be governed by the law of the Property Jurisdiction.

18. Captions. The captions of the Sections of this Project Note are for convenience only and shall be disregarded in construing this Project Note.

19. Address for Payment; Notices; Written Modifications.

(a) All payments due under this Project Note shall be payable at the principal office designated by the Servicer, or such other place as may be designated by written notice to Borrower from or on behalf of Holder.

(b) All Notices, demands, and other communications required or permitted to be given pursuant to this Project Note will be given in accordance with Section 8.01 of the Project Loan Agreement.

(c) Any modification or amendment to this Project Note will be ineffective unless in writing and signed by the party sought to be charged with such modification or amendment; provided, however, in the event of a Transfer under the terms of the Continuing Covenant Agreement that requires Funding Lender's consent, any or some or all of the Modifications to Multifamily Project Note set forth in Exhibit A to this Project Note may be modified or rendered void by Funding Lender at Funding Lender's option, by Notice to Borrower and the transferee, as a condition of Funding Lender's consent.

20. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Project Note shall be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies which shall arise under or in relation to this Project Note. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Project Note is intended to limit any right that Holder may have to bring any suit, action, or proceeding relating to matters arising under this Project Note in any court of any other jurisdiction.

21. WAIVER OF TRIAL BY JURY. BORROWER AND HOLDER EACH (a) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS NOTE OR THE RELATIONSHIP BETWEEN THE PARTIES AS HOLDER AND BORROWER THAT IS TRIABLE OF RIGHT BY A JURY AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

22. [Reserved].

23. Assignment. Borrower acknowledges that this Project Note is being assigned by the Governmental Lender to the Fiscal Agent as security for the Funding Loan.

FORM OF
PLACEMENT AGENT AGREEMENT
[ATTACHED]

PLACEMENT AGENT AGREEMENT

THIS PLACEMENT AGENT AGREEMENT dated as of June 1, 2019 (herein, the “Agreement”), is by and between the HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA, a public body corporate and politic organized under Part IV of Chapter 159, Florida Statutes, as amended and supplemented (together with its permitted successors and assigns, the “Issuer”), and RAYMOND JAMES & ASSOCIATES, INC. and RBC CAPITAL MARKETS, LLC, as Placement Agents (herein, collectively, the “Agents”), in connection with the issuance of the Notes (as defined below) and consented to by POMPAÑO BEACH LEASED HOUSING ASSOCIATES II, LLLP, a Minnesota limited liability limited partnership (together with its successors and permitted assigns, the “Borrower”) with respect to the Notes.

A. Background.

The Issuer proposes to issue its \$_____ Housing Finance Authority of Broward County, Florida Multifamily Mortgage Revenue Note, 2019 Series A-1 (Regency Gardens Apartments) (the “2019 Series A-1 Note”) and its \$_____ Housing Finance Authority of Broward County, Florida Subordinate Multifamily Mortgage Revenue Note, 2019 Series A-2 (Regency Gardens Apartments) (the “2019 Series A-2 Note”) and, together with the 2019 Series A-1 Note, the “Notes”) to provide financing to the Borrower for the acquisition, rehabilitation and equipping of a 94-unit multifamily residential rental development in Broward County, Florida (the “County”) known as Regency Gardens Apartments (the “Development”).

The 2019 Series A-1 Note will initially be acquired directly by Citibank, N.A., a national banking association (the “Funding Lender”) pursuant to the requirements of the Issuer’s administrative code and policies (herein, collectively the “Issuer’s Requirements”). The 2019 Series A-1 Note will initially be booked as a loan in the Funding Lender’s portfolio prior to the subsequent sale of the 2019 Series A-1 Note to Freddie Mac.

The 2019 Series A-2 Note will initially be acquired directly by Regency Gardens Apartments, Ltd., a Florida limited partnership (the “Subordinate Lender”) pursuant to the Issuer’s Requirements. The 2019 Series A-2 Note will initially be booked as a loan in the Subordinate Lender’s portfolio.

Upon satisfaction of certain conditions subsequent and in compliance with the Issuer’s Requirements, future investment banking services may be required in connection with the Notes (herein, the “Future Services”).

B. Role of Agents.

In connection with the initial issuance of the Notes, the Agents have performed, at the request of and on behalf of the Issuer, the following services on or before the closing of the Notes:

1. Assisted in the determination of the readiness to proceed of the Notes issuance with regard to the granting of private activity allocation to the financing which is to be issued on a tax-exempt basis.

2. Created a distribution list for the financing participants and financing timetable and coordinated the processing of the transaction.

3. Continuously consulted with the financing participants to ensure that the timetable was being met, and scheduled and hosted conference calls.

4. Consulted with the Issuer's staff regarding policy issues that arose in connection with the financing.

On a limited basis, reviewed and commented on the financing documents to ensure that the Issuer's Requirements were reflected therein and to improve the structure of the transaction.

Assisted in the coordination of all aspects of the financing as it relates to the Issuer or the County.

The foregoing is hereby collectively referred to as the "Agents' Services".

C. Limitations of Agents' Role; No Liability. The Issuer and Borrower acknowledge and agree that: (i) the Agents' Services contemplated by this Agreement are an arm's length, commercial transaction between the Issuer and the Agents in which the Agents are not acting as a municipal advisor, financial advisor or fiduciary to the Borrower or Issuer; (ii) the Agents have not assumed any advisory or fiduciary responsibility to the Borrower or Issuer with respect to the services contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Agents have provided other services or are currently providing other services to the Borrower or Issuer on other matters); (iii) the only obligations the Agents have to the Issuer or Borrower with respect to the services contemplated hereby expressly are set forth in this Agreement; and (iv) the Issuer and Borrower have consulted their respective legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate.

Notwithstanding the Agents' Services described above, the Agents have not done any of the following nor do they assume any responsibility or liability for such actions:

1. Advised the Funding Lender or the Subordinate Lender on the financial feasibility of the Development.

2. Prepared or disseminated any offering materials.

3. Investigated or determined the credit worthiness or accreditation of the Funding Lender or the Subordinate Lender. In that regard the Issuer will receive an accredited investor letter.

4. Provided any advice regarding obtaining a rating or credit enhancement for the transaction.

5. Taken any action in connection with the issuance of the Notes to effect a financial transaction as contemplated by the USA Patriot Act.

It should be noted that the Issuer has retained the services of a registered financial advisor in connection with the issuance of the Notes. The Agents are not acting as a financial advisor for the Issuer or Borrower for purposes of Rule G-23 of the Municipal Securities Rulemaking Board, nor acting as a municipal advisor to either the Issuer or the Borrower. Neither of the Agents shall be responsible or liable for any negligence or willful misconduct of the other Agent.

D. Fees for Agents' Services.

Simultaneously with the closing of the Notes, the Borrower will pay the Agents for the Agents' Services rendered a fee equal to \$31,000, plus reasonable, documented out-of-pocket expenses.

E. Future Services of Agents.

In the event the Borrower and the Issuer determine that there will be Future Services relating to the Notes, the Agents will act, on behalf of the Issuer, as placement agent, remarketing agent or underwriter, as the structure so dictates. The fees and expenses associated with any future engagement will be (i) determined at such time that the details of such engagement and scope of service are identified, and (ii) subject to the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

To the extent the Agents are (i) unable to perform any of the Future Services, or (ii) no longer on the Issuer's underwriting team, the Issuer may, in its sole discretion, and upon written notice to the Borrower and the Agents, assign Future Services to an entity on its then-current underwriting team.

F. Governing Law; Multiple Counterparts.

All necessary and material approvals of and licenses, permits, consents and franchises from federal, state, county, municipal or other governmental authorities having jurisdiction over the Project have been, or will be, obtained to acquire, rehabilitate, install, and operate the Project and the Borrower has obtained all necessary approvals to enter into, execute and perform its obligations under the Borrower Loan Documents.

(f) The proceeds of the Note and the Senior Loan, together with any other funds to be contributed to the Project by the Borrower, loaned to the Borrower or otherwise in accordance with this Agreement, will be sufficient to pay the cost of acquiring and rehabilitating the Project, and all costs and expenses incidental thereto, and the proceeds of the Note will be used only for the purposes contemplated hereby and allowable under the Act.

(g) The Borrower is not in the trade or business of selling properties such as the Project and is acquiring the Project for investment purposes only or otherwise for use by the

Borrower in its trade or business, and therefore the Borrower has no intention now or in the foreseeable future to voluntarily sell, surrender or otherwise transfer, in whole or part, its interest in the Project, except as permitted by Section 6.08 hereof.

(h) There are no actions, suits, or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any property of the Borrower in any court or before any federal, state, municipal or other governmental agency, which, if decided adversely to the Borrower would have a material adverse effect upon the Borrower or upon the business or properties of the Borrower; and the Borrower is not in default with respect to any order of any court or governmental agency.

(i) The Borrower is not in default in the payment of the principal of or interest on any indebtedness for borrowed money nor in default under any instrument or agreement under and subject to which any indebtedness for borrowed money has been issued.

(j) The Borrower has filed all federal and state income tax returns which, to the knowledge of the officers of the Borrower, are required to be filed and has paid all taxes shown on said returns and all assessments and governmental charges received by the Borrower to the extent that they have become due.

(k) To the Borrower's knowledge, no public official of the Issuer has a conflict of interest arising from this Agreement nor will any public official either directly or indirectly benefit financially from this Agreement.

ARTICLE III. ISSUANCE OF NOTE; LOAN OF PROCEEDS

Section 3.01 Issuance of Note by Issuer. The Issuer will issue the Note as provided in the Act and the Authorizing Resolution and will deliver the Note to the Lender to evidence the obligation to pay a portion of the purchase price of the Project. The Lender will receive the Note on the Closing Date, upon satisfaction of the terms and conditions set forth in Section 3.03 of this Loan Agreement (the "Closing"). The proceeds of the Note are considered to be loaned to the Borrower as provided in Section 3.02 of this Loan Agreement.

The Issuer will issue the Note in the authorized original principal amount of \$_____, consisting of a single fully registered note, numbered R-1, of even date herewith, substantially in the form and containing the terms and provisions set forth in Exhibit A hereto. The Note matures on the Maturity Date and will bear interest at the rates set forth in the Note and will be repaid in accordance with the Note.

Notwithstanding anything contained in this Subordinate Loan Agreement or the Note to the contrary, the Note may be transferred only to Permitted Lenders in minimum denominations of \$100,000 upon delivery by the transferee of an executed certificate in the form attached hereto as Exhibit B. The Note has not been, and will not be, registered under any federal or state securities laws, must be held for investment purposes only, and may be transferred only if an exemption from registration is available.

Section 3.02 Loan of Proceeds. The Issuer hereby lends to the Borrower the entire gross proceeds of the Note, which loan is evidenced by the Issuer's direct delivery of the Note to the Lender, on the Borrower's behalf. The obligation of the Borrower to repay the Loan, together with interest thereon shall become effective immediately upon the Issuer's delivery of the Note to the Lender and shall be evidenced by and be repayable as set forth in the Note.

Section 3.03 Conditions to the Closing. The obligation of the Lender to take delivery of, and the Issuer to deliver, the Note under Section 3.01 is conditioned upon delivery to the Lender and the Issuer on the Closing Date of the following:

- (a) An opinion of Nabors, Giblin & Nickerson, P.A., as Note Counsel, and an opinion of counsel to the Borrower, each in form and substance satisfactory to the Issuer and the Lender;
- (b) A certified copy of the Authorizing Resolution;
- (c) The executed Note, Assignment of Subordinate Mortgage and Loan Documents and executed counterparts of this Loan Agreement, the Subordinate Mortgage, and the Regulatory Agreement;
- (d) A Certificate of the Issuer, with an endorsement of the Borrower, pursuant to Section 148 of the Internal Revenue Code and pertinent regulations as to absence of arbitrage expectation;
- (e) Reserved;
- (f) An executed Lender Investor Certificate in the form attached hereto as Exhibit B.
- (g) Executed financing statements under the Uniform Commercial Code of the State, as the Lender may deem necessary or desirable in order to perfect the security interests granted by the Issuer and the Borrower to secure the Note, and completed requests for information, dated on or before the Closing Date, as to effective financing statements filed in all filing offices in which the financing statements shall have been filed;
- (h) A title insurance policy insuring the Lender's interest under the Subordinate Mortgage, in form and substance satisfactory to the Lender; and
- (i) All other documents or certificates the Lender may reasonably request relating to the existence and good standing of the Borrower, the legal authority for and the due execution and validity of the Note, the Authorizing Resolution, this Loan Agreement and the other Subordinate Loan Documents, and the tax-exempt status of interest on the Note for Federal income tax purposes and all other relevant matters, all in form and substance satisfactory to the Lender.

ARTICLE IV.
ACQUISITION AND RENOVATION OF THE PROJECT;
APPLICATION OF PROCEEDS

Section 4.01 Agreement to Acquire and Renovate the Project. On the Closing Date the Borrower will acquire fee title to the Project. The Note will be delivered to the Lender to evidence the obligation to pay a portion of the purchase price of the Project.

Section 4.02 Borrower Required to Provide Funds in Event Note Proceeds Insufficient. The Issuer and the Lender make no warranty, either express or implied, that the moneys which under the terms hereof will be available for payment of costs of the Project will be sufficient to pay such costs. The Borrower agrees that it shall pay or cause to be paid all costs of the Project and that to the extent such costs of the Project exceed the available amount of Note proceeds, that it shall not be entitled to any reimbursement therefor from the Issuer or the Lender, nor shall it be entitled to any diminution in or postponement of payments to be made under any provision hereof.

ARTICLE V. LOAN REPAYMENTS AND OTHER PAYMENTS

Section 5.01 Repayment of Loan. (a) The Borrower covenants and agrees to repay the Loan, together with interest, in Loan Repayments which shall be made at times and in amounts sufficient to pay, in full and when due, all principal and interest on the Note (whether due upon maturity, redemption, mandatory prepayment or acceleration). Such payments by the Borrower under this Section 5.01 shall be made directly by the Borrower to the Lender in such coin or currency of the United States of America as may be legal tender for the payment of public and private debts. The Borrower shall furnish to the Issuer, if the Issuer so requests, the advice of transmittal of such payments at the time of transmittal of payment. All payments under this Section 5.01 shall be Loan Repayments.

(b) The Borrower covenants and agrees to pay the Loan Repayments due hereunder solely from Available Cash Flow and Sale or Refinancing Transaction Proceeds (except for the Loan Repayment that is the payment due on the Maturity Date which shall be payable from any funds of the Borrower). Except for the Loan Repayment due on the Maturity Date, the obligation to make Loan Repayments is subject to the availability of Available Cash Flow or Sale or Refinancing Transaction Proceeds, and it shall not be an event of default under this Loan Agreement to the extent that failure to make a Loan Repayment is due to lack of Available Cash Flow or Sale or Refinancing Transaction Proceeds. Subject to the preceding sentence, in the event the Borrower shall fail to make any Loan Repayment as required by this Section 5.01, the payment not made shall continue as an obligation of the Borrower until the amount not paid shall have been fully paid, and the Borrower agrees to pay the same with interest thereon, which interest shall also constitute an obligation of the Borrower. To the extent permitted by law, interest on any overdue payment required hereby shall be paid at the default rate of interest set forth in the Note.

Section 5.02 Additional Payments. In addition to the Loan Repayments, the Borrower shall pay (a) to the Fiscal Agent, the Issuer Fee, the Fiscal Agent Fee, and amounts sufficient to pay in full all reasonable out-of-pocket expenses and costs of the Issuer and the Fiscal Agent set forth below, and (b) to the Lender, amounts sufficient to pay in full all reasonable out-of-pocket expenses and costs of the Lender set forth below. In addition to the fees and costs set forth in the immediately preceding sentence, the Borrower shall also pay to (a) the Fiscal Agent for payment

to the Issuer and the Fiscal Agent, and (b) the Lender, amounts sufficient to pay in full all reasonable out-of-pocket expenses and costs of the Issuer, the Fiscal Agent and the Lender, respectively, incurred in the issuance and payment of the Note and the making and collection of the Loan, including: (i) all costs incurred in connection with the purchase, transfer, registration, exchange, or redemption of the Note; (ii) the fees and other costs incurred for services of such engineers, architects, attorneys, management consultants, accountants, and other consultants as are employed by the Issuer, the Fiscal Agent or the Lender to make examinations or reports, provide services, or render opinions required or permitted by this Loan Agreement; (iii) all costs reasonably incurred by the Issuer or the Lender in the enforcement of the Note, the Borrower Subordinate Promissory Note or this Loan Agreement; (iv) all costs of issuing the Note; (v) all Rebate Amounts, and (vi) all reasonable fees and expenses of the Rebate Analyst in connection with the computations relating to arbitrage rebate required under the Funding Loan Agreement when due from time to time.

Notwithstanding anything in this Section 5.02 or this Loan Agreement to the contrary, the Borrower shall pay the Issuer Fee and the Fiscal Agent Fee to the Fiscal Agent for deposit and payment pursuant to Section 4.06 of the Funding Loan Agreement. Notwithstanding anything in this Loan Agreement to the contrary, payment of the Issuer Fee and the Fiscal Agent Fee shall not be subject to the availability of Available Cash Flow. The payment of the Issuer Fee shall be subject to the Surplus Cash Limitation set forth in Section 4.06 of the Funding Loan Agreement. Additionally, the Borrower shall execute and cause to be executed the Fee Payment Guaranty as provided herein.

The Borrower shall also pay when due to the Fiscal Agent any amount required to be (i) deposited in the Rebate Fund in accordance with Section 4.12 of the Funding Loan Agreement, and (ii) paid to the Rebate Analyst.

Section 5.03 No Set-Off; Borrower's Obligations Unconditional. The obligation of the Borrower to make the payments and to perform and observe the other agreements on its part contained herein, in the other Subordinate Loan Documents and in the Borrower Subordinate Promissory Note shall be absolute and unconditional. So long as any principal of the Note or the Borrower Subordinate Promissory Note is outstanding, the Borrower will pay without abatement, diminution or deduction (whether for taxes or otherwise) all Loan Repayments required to be paid hereunder, regardless of any cause or circumstance whatsoever including, without limiting the generality of the foregoing: any defense, setoff, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Lender or any other holder of the Note or any other person; any failure of the Issuer to perform any covenant or agreement contained herein or in any other agreement between the Issuer or any Noteholder and the Borrower; any indebtedness or liability at any time owing to the Borrower by the Issuer, the Lender or any other Noteholder or any other person; any acts or circumstances that may constitute failure of consideration; damage to or condemnation of the Project Facilities; eviction by paramount title; commercial frustration of purpose; bankruptcy or insolvency of the Issuer, or the Lender; enforcement of any of the other Subordinate Loan Documents; any change in the tax or other laws of the United States of America or of any State or any political subdivision of either, or any failure of the Issuer or the Lender to perform and observe any agreement, whether express or implied, or any duty, liability or obligation, arising out of or connected with this Loan Agreement, the other Subordinate Loan Documents or the Authorizing Resolution.

Section 5.04 Option to Prepay Loan. The Borrower shall have the option to prepay the Loan and cause to be redeemed the Borrower Subordinate Promissory Note and the Note, in whole or in part, upon the terms set forth in the Borrower Subordinate Promissory Note and the Note. Any partial prepayment of the Borrower Subordinate Promissory Note and the Note shall reduce the outstanding principal balance of the Borrower Subordinate Promissory Note and the Note in inverse order of the principal installments unpaid thereon. Any such partial prepayment shall be applied first to accrued interest and finally to installments of principal in the inverse order of their maturity.

In the event the Borrower elects to prepay the Loan, the Borrower shall cause to be given in the name of the Issuer due notice of redemption or prepayment of the Borrower Subordinate Promissory Note and the Note as required by the provisions thereof, and shall pay the redemption price when due to the Lender. The Issuer hereby authorizes the Borrower to give all required notices of prepayment of the Note.

Section 5.05 Tax-Exempt Status of Interest on the Note. It is the intention of the parties hereto that the interest paid on the Note will not be included in the gross income of the recipients of said interest by reason of Section 103 and related Sections of the Code. In order to confirm and carry out such intention:

(a) The Borrower shall (i) provide such Certificates of the Authorized Borrower Representative, Opinions of Counsel, and other evidence as may be necessary or reasonably requested by the Issuer, the Lender or any Holder to establish the exemption of interest on the Note under Section 103 and related Sections and the absence of arbitrage expectation under Section 148 of the Code, and (ii) file such information and statements, acting alone or with the Issuer, with the Internal Revenue Service, as may be required from the Borrower or the Issuer to establish or preserve such exemption or as may be required by Section 103 and related Sections of the Code, regulations thereunder and related provisions of law or regulation.

(b) If the Lender shall be given notice of a proposed deficiency by the Internal Revenue Service, based upon a proposed Determination of Taxability, or if a responsible officer of the Lender shall have actual knowledge of a proposed ruling by the Internal Revenue Service to the effect that interest on the Note is includable in the gross income of the Holder, the Lender shall give notice to the Borrower of such proposed deficiency or ruling as promptly as possible and permit the Borrower, to the extent reasonably possible, to participate in contesting any such proposed deficiency or ruling. Any expenses incurred by the Borrower or by any Holder at the request of the Borrower in connection with such contest shall be paid by the Borrower. Notwithstanding the foregoing, the Holder shall have the right to control all proceedings before the Internal Revenue Service and any judicial proceedings relating to taxability of interest on the Note received by the Holder, including the compromise of claims in such proceedings and abandonment of rights to appeal.

(c) If there shall occur a Determination of Taxability, the interest rate on the Note shall be adjusted as set forth in the Note.

(d) The Borrower shall (i) take or cause to be taken all actions necessary or appropriate in order to fully and timely comply with Section 4.12 of the Funding Loan

Agreement, and (ii) if required to do so under Section 4.12 of the Funding Loan Agreement, select at the Borrower's expense, a Rebate Analyst reasonably acceptable to the Issuer for the purpose of making any and all calculations required under Section 4.12 of the Funding Loan Agreement. Such calculations, if required, shall be made in the manner and at such times as specified in Section 4.12 of the Funding Loan Agreement. The Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Issuer at such times and with such directions as are necessary to comply fully with the arbitrage and rebate requirements set forth in the Funding Loan Agreement and this Loan Agreement and to comply fully with Section 148 of the Code, including the timely payment of any arbitrage rebate owed.

(e) The Borrower hereby acknowledges and confirms its obligations under Section 148 of the Code. If the Borrower shall fail to pay the full amount of any Rebate Amount required to be paid by the Borrower when such deposit is due, the Lender may make payment to the United States, and such payment shall be an advance under Section 8.05 of this Loan Agreement. In construing the Borrower's obligations hereunder, all terms used in this paragraph (e) shall have the meanings provided in said Section 148 and regulations thereunder. The Borrower agrees to make all required rebate payments to the United States, as and when required.

ARTICLE VI. USE OF FACILITIES

Section 6.01 Use of Project Facilities. The Borrower will use the Project Facilities only in furtherance of its lawful purposes and will use and operate the Project Facilities, to the extent financed by the proceeds of the Note, only as an authorized project under the Act and as permitted under the Code.

The Borrower will not knowingly use or knowingly permit any person to use the Project Facilities for any use or purpose in violation of the laws of the United States or the State, and agrees to comply with all material requirements of applicable laws, regulations and statutes of the State or other governmental authority having jurisdiction over the Project Facilities. The Borrower shall have the right to contest by appropriate legal proceedings, without cost or expense to the Issuer, the validity of any law, ordinance, order, rule, regulation or requirement of the nature herein referred to.

Section 6.02 Maintenance and Possession of Project Facilities by Borrower; Operating Expenses; Ownership of Project Facilities. The Borrower agrees that so long as the Note is outstanding, the Borrower will keep the Project Facilities in good repair and good operating condition at its own cost, ordinary depreciation excepted, making such repairs and replacements as are reasonably necessary. The Borrower will pay or cause to be paid all expenses arising from the operation and maintenance of the Project Facilities. The Borrower shall at all times use the Project Facilities only in furtherance of its lawful corporate purposes; provided, however, that so long as (i) the exemption from taxation of interest on the Note, (ii) the Borrower Loan Documents, and (iii) any contracts or agreements to which the Borrower is a party are not adversely affected, violated or breached, nothing herein contained shall be construed (i) to prevent it from ceasing to operate any portion of the Project Facilities, if in its reasonable judgment (evidenced, in the case of such a cessation other than in the ordinary course of business, by a determination by its governing body) it is advisable not to operate the same, or (ii)

to obligate it to retain, preserve, repair, renew or replace any portion of the Project Facilities, leases, rights, privileges or licenses no longer used or, in the judgment of its governing body, useful in the conduct of its business.

Section 6.03 Liens. The Borrower will pay or cause to be paid all utility charges and other charges arising from its operations at the Project Facilities which, if unpaid, would become a lien on the Project Facilities and will not permit any lien or encumbrance to be established or to remain unsatisfied against (a) the Mortgaged Property, except as permitted by the Subordinate Mortgage or Section 6.08 hereof, and (b) the Project Facilities, other than the Mortgaged Property. The Borrower may in good faith contest any such lien filed or established against the Project Facilities, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom.

Section 6.04 Taxes and Other Governmental Charges. The Borrower will pay, as the same respectively become due and before penalty attaches, any taxes, license fees and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the operation of the Project Facilities. The Borrower may, at its expense in good faith contest any such taxes, assessments, license fees and other governmental charges by appropriate proceedings and, in the event of any such contest, may permit the taxes, assessments, license fees or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom if funds sufficient to satisfy the contested amount have been deposited in an escrow account satisfactory to the Lender.

Section 6.05 Insurance. So long as the Note is Outstanding, the Borrower agrees at all times to keep the Mortgaged Property insured as required by (i) the Subordinate Mortgage, and (ii) so long as the Senior Loan is outstanding, the Senior Loan Documents.

Section 6.06 Damage; Destruction or Condemnation: Application of Insurance and Award Proceeds. In the event of damage to or destruction of the Project Facilities from any cause whatsoever or any taking of the Project Facilities, or any part thereof, whether directly or indirectly or temporarily or permanently, in or by condemnation or other eminent domain proceedings, except for any award or payment made for relocation benefits (hereinafter called a "Taking"), the Borrower agrees to repair or replace all Project Facilities and apply any insurance proceeds or proceeds of any taking as required by the Subordinate Mortgage, subject, however, to the requirements of the Senior Loan Documents.

Section 6.07 Reserved.

Section 6.08 Senior Loan Refinancing. The Lender shall not unreasonably withhold consent and agrees to subordinate to a refinancing of the Senior Loan with a new permanent mortgage loan if (i) the new loan is on commercially reasonable terms and (ii) will not exceed in principal amount the balance due on the respective Senior Loan being refinanced plus (a) reasonable financing costs, (b) reasonable repairs and improvements to the Project, and (c) any other purposes approved by the Lender. The Borrower shall submit to the Lender no later than one (1) month prior to the maturity date of the respective Senior Loan a loan commitment letter for the proposed refinancing and draft loan documents for the Lender's review. The Lender shall not unreasonably withhold consent to the refinancing loan, the loan commitment letter, and the

loan documents (and will execute a commercially reasonable subordination agreement for the refinancing lender's benefit) if (i) the loan and the loan documents (including any subordination agreement) satisfy the requirements set forth in the preceding sentence, (ii) the loan documents shall provide for the use of insurance proceeds for restoration in the event of casualty loss, and (iii) the loan documents shall allow the Lender reasonable rights to notice and opportunity to cure defaults by the Borrower.

ARTICLE VII. SPECIAL COVENANTS

Section 7.01 No Warranty of Condition or Suitability; Indemnification.

(a) The Issuer does not make any warranty, either express or implied, as to the design or capacity of the Project Facilities, as to the suitability for operation of the Project Facilities or as to the condition of the Project Facilities or that the Project Facilities will be suitable for the Borrower's purposes or needs. The Borrower releases the Issuer from, agrees that the Issuer shall not be liable for, and agrees to hold the Issuer and the County, and their respective members, commissioners, officers, employees, and agents, harmless against, any claim, cause of action, suit or liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project Facilities or the use thereof, except such loss, damage or injury as results from the gross negligence or willful misconduct of the Issuer.

(b) The Borrower and its general partner, will indemnify, defend and hold harmless the Issuer and the County, and each of their officers, commissioners, employees and agents (the "Indemnified Parties") from and against any and all claims by or on behalf of any person, firm, corporation or other legal entity arising from the conduct, operation or management of, or from, any work or thing done on the Project during the term of this Agreement, including, without limitation, (i) any condition of the Project; (ii) any breach or default on the part of the Borrower in the performance of any of its obligations under this Agreement; (iii) any act of negligence of the Borrower or of any of its agents, contractors, servants, employees or licensees or (iv) any act of negligence of any assignee or lessee of the Borrower, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the Borrower. The Borrower shall indemnify and save the Lender and the Indemnified Parties harmless from any such claim arising as aforesaid, or in connection with any action or proceeding brought thereon, and upon notice from the Lender or the Issuer, the Borrower shall defend them or either of them in any such action or proceeding, except such indemnification, defense and hold harmless provision shall not apply with respect to losses, claims, damages or liabilities arising out of the Indemnified Parties' or Lender's gross negligence or willful misconduct.

(c) The Borrower and its general partner agree to indemnify, defend and hold harmless the Indemnified Parties against any and all losses, claims, damages or liability to which the Indemnified Parties may become subject under any law in connection with the issuance and sale of the Note, the carrying out of the transactions contemplated by this Agreement or the Note, the conduct of any activity in connection with the Project, including claims for which the Indemnified Parties may be or may be claimed to be liable, and to reimburse the Indemnified Parties for any out-of-pocket legal and other expenses (including reasonable counsel fees)

incurred by the Indemnified Parties in connection with investigating any such losses, claims, damages or liabilities, or in connection with defending any actions relating thereto, and as a result of the Issuer's compliance with an audit, random or otherwise, by the Internal Revenue Service in connection with the Project or the Note, except such indemnification, defense and hold harmless provision shall not apply with respect to losses, claims, damages or liabilities arising out of the Indemnified Parties' or Lender's gross negligence or willful misconduct. The Indemnified Parties agree, at the request and expense of the Borrower, to cooperate in the making of any investigation in defense of any such claim and promptly to assert any or all of the rights and privileges and defenses identified in writing by the Borrower which may be available to the Indemnified Parties. These provisions shall survive payment of the Note and termination of this Loan Agreement.

(d) Promptly upon written notice received from the Borrower from any Indemnified Party or parties of any claim or the commencement of any action or proceeding specified in the preceding paragraph, the Borrower will at the request of such Indemnified Party or parties, assume the investigation and defense of such action or proceeding including the employment of counsel satisfactory to such Indemnified Parties and the payment of the fees and disbursements of such counsel. In the event that any Indemnified Party or parties shall determine, in the exercise of their reasonable judgment, that there exists a conflict of interest by reason of having a common counsel with the Borrower or with any other Indemnified Party, or if the Borrower elects not to defend the action with respect to any or all Indemnified Parties, then each such Indemnified Party may employ separate counsel satisfactory to the Borrower to represent or defend it in any such action or proceeding in which it may become involved or is named as defendant and the Borrower will pay as incurred the fees and disbursements of such counsel. The Borrower also agrees to notify all Indemnified Parties promptly of the assertion against it or any of its officers, directors, partners, employees or agents, as the case may be, of any claim or the commencement of any action or proceeding arising from any act or omission of the Borrower or any of its agents, servants or employees in connection with this Loan Agreement or the Project.

(e) If the Issuer or the County incurs any expense or suffers any losses, claims or damages or incurs any liabilities in connection with the transaction contemplated by this Loan Agreement, the Borrower and its general partner will indemnify, defend and hold harmless the Issuer and the County from the same and will reimburse the Issuer and the County for any reasonable legal or other expenses incurred by the Issuer or the County in relation thereof. The Borrower shall also reimburse the Issuer and the County for all other costs and expenses, including without limitation, attorneys' fees paid or incurred by the Issuer or the County in connection with: (i) the discussion, negotiation, preparation, approval, execution and delivery of this Agreement and the documents and instruments related thereto; (ii) any amendments or modifications thereto and any document, instrument or agreement related thereto and the discussion, negotiation, preparation, approval, execution and delivery of any and all documents necessary or desirable to effect such amendments or modification; and (iii) the enforcement by the Issuer during the term of this Agreement or thereafter of any of the rights or remedies of the Issuer under this Agreement or any document, instrument or agreement related thereto, including, without limitation, costs and expenses of collection in the event of default, whether or not suit is filed with respect thereto.

Section 7.02 Books and Records; Inspection and Examination; Notice of Defaults. The Borrower will keep accurate books of record and account in which true and complete entries will be made in accordance with generally accepted accounting principles consistently applied and upon request of the Lender will give any representative of the Lender access upon reasonable notice during normal business hours to, and permit such representative to examine, copy or make extracts from, any and all books, records and documents in its possession, to inspect any of its properties and to discuss its affairs, finances and accounts with any of its officers, all at such times and as often as it may reasonably be requested.

Section 7.03 Further Assurances, Financing Statements, Maintenance of Lien. At the request of the Issuer or the Lender, the Borrower shall execute any financing statement or other instrument which is or may be required to carry out the intent of the parties as expressed in this Loan Agreement, the Authorizing Resolution, or the other Subordinate Loan Documents. The Borrower shall, at its sole expense, file or cause to be filed all financing statements, including any financing statement of the Issuer, under the Uniform Commercial Code, or similar instruments, deemed necessary by the Lender to perfect and continue the security interest of the Lender in the personal property included in the Mortgaged Property and in this Loan Agreement (except for the Issuer's rights under Sections 5.02, 7.01, 8.04, 9.10 and 9.11 hereof), including any financing statements or continuation statements which the Issuer is required to file. The Lender is expressly authorized to file a financing statement naming the Issuer as debtor and describing the collateral as the Issuer's interest in this Loan Agreement and the Borrower Subordinate Promissory Note.

Section 7.04 Assignments. The Borrower consents to the pledge and assignment of the Borrower Subordinate Promissory Note, the Loan Repayments and other interests of the Issuer in this Loan Agreement by the Issuer to the Lender as provided in the Authorizing Resolution and Assignment of Subordinate Mortgage and Loan Documents. The interests and obligations of the Borrower under this Loan Agreement are non-assignable, unless consented to in writing by the Issuer and the Lender.

Section 7.05 Observance of Authorizing Resolution Covenants and Terms. The Borrower will not do, in any manner, anything which will cause or permit to occur any violation of any provision of the Authorizing Resolution, but will faithfully observe and perform, and will do all things necessary so that the Issuer may observe and perform, all the conditions, covenants and requirements of the Authorizing Resolution. The Issuer agrees that it will observe and perform all obligations imposed upon it by the Subordinate Loan Documents; provided that the Issuer has no obligation to use its own funds to perform or cause performance of any such obligations, and provided further that no covenant, representation or undertaking shall ever give rise to any liability of the Issuer, or its officers, agents or employees, or constitute a charge against their general credit. The Issuer has no taxing power.

Section 7.06 General Tax Representations, Warranties and Covenants of Borrower. The Borrower makes the following representations, understanding, after such consultation with such legal counsel as deemed appropriate, that the exclusion from gross income of interest on the Note for federal income tax purposes is dependent on the accuracy and truthfulness of such representations:

(a) The Borrower will fulfill all continuing conditions specified in Section 142 of the Code and Section 1.103-8(b) of the Regulations applicable thereunder, to qualify the Note under Section 142(d) and the Project as a "qualified residential rental project" thereunder.

(b) The Borrower will not use (or permit to be used) the Project or use or invest (or permit to be used or invested) the proceeds of the Note or any other sums treated as "bond proceeds" under Section 148 of the Code and applicable federal income tax regulations, including "investment proceeds," "sinking funds" and "replacement proceeds," in such a manner as to cause the Note to be classified "arbitrage bonds" under Section 148 of the Code or "federally guaranteed obligations" under Section 149(b) of the Code.

(c) At least 95% of the net proceeds of the Senior Loan Note and the Note will be used to finance costs properly chargeable to the capital account of a qualified residential rental project within the meaning of Section 142(d) of the Code and functionally related and subordinate property thereto.

(d) The Borrower has not permitted and will not permit any obligation or obligations other than the Senior Loan Note and the Note to be issued within the meaning of Section 103(b) of the Code so as to cause such obligations to become part of the same "issue" as the Senior Loan Note and the Note if the result thereof would impair the tax-exempt status of the Note.

(e) No portion of the proceeds of the Note will be used to provide any airplane, skybox, or other private luxury box, health club facility, facility primarily used for gambling or liquor store.

(f) No portion of the proceeds of the Note will be used to acquire (i) property to be leased to the government of the United States of America or to any department, agency or instrumentality of the government of the United States of America, (ii) any property not part of the residential rental housing portion of the Project, or (iii) any private or commercial golf course, country club, massage parlor, tennis club, skating facility (including roller skating, skateboard and ice-skating), racquet sports facility (including any handball or racquetball court), hot tub facility, suntan facility or racetrack.

(g) No portion of the proceeds of the Note (including investment earnings thereon) shall be used (directly or indirectly) for the acquisition of land (or an interest therein) to be used for farming purposes, and less than twenty-five percent (25%) of the proceeds of the Note (including investment earnings thereon) shall be used (directly or indirectly) for the acquisition of land to be used for purposes other than farming purposes.

(h) The Borrower understands that the Code imposes a penalty for failure to file with the Secretary of the Treasury an annual certification of compliance with low income occupancy requirements, and if the requirements for a "qualified residential rental project" are not met, does not allow a deduction for interest paid on the Note which accrues during the period beginning on the first day of the taxable year in which the Project ceases to meet such requirements and ending on the date the Project again meets such requirements.

(i) The average weighted maturity of the Senior Loan Note and the Note does not and will not exceed 120% of the average reasonably expected remaining economic life of the Project (_____ years) within the meaning of Section 147(b) of the Code.

(j) The Borrower shall provide on the Closing Date all information required to satisfy the informational requirements set forth in Section 149(e) of the Code, including the information necessary to complete IRS Form 8038.

(k) The Borrower will not permit the proceeds of the Note and the Senior Loan Note to be expended (or to be used to reimburse any person for an expenditure) to pay Costs of Issuance as provided by Section 147(g) of the Code.

(l) Neither the Borrower nor any "related person" under Section 147 of the Code will enter into any arrangement, formal or informal, for the Borrower or such "related person" under Section 147 of the Code to purchase the Note.

(m) The Borrower will not otherwise use proceeds of the Note, including earnings thereon, or take, or permit or cause to be taken, any action that would adversely affect the exclusion from gross income of the interest on the Note, nor otherwise omit to take or cause to be taken any action necessary to maintain such exclusion from gross income; and, if it should take or permit, or omit to take or cause to be taken, as appropriate, any such action, the Borrower shall take all lawful actions necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof.

(n) The Borrower will comply with the requirements and conditions of the Tax Certificate and the Regulatory Agreement.

ARTICLE VIII. EVENTS OF DEFAULT AND REMEDIES

Section 8.01 Events of Default. The following shall be "Events of Default" under this Loan Agreement and the term "Event of Default" shall mean, whenever used in this Loan Agreement, any one or more of the following events:

(a) If the Borrower fails to pay any amount due under the Borrower Subordinate Promissory Note or any Loan Repayment required to be paid under the Note and Section 5.01 hereof within ten (10) days of the due date (including any repayment of principal of the Note due by way of acceleration, call for redemption of the Borrower Subordinate Promissory Note and the Note or otherwise), provided that failure to pay a Loan Repayment because of an insufficiency of Available Cash Flow or Sale or Refinancing Transaction Proceeds shall not constitute an Event of Default except for the final Loan Repayment on the Maturity Date; or

(b) If the Borrower shall default in the due and punctual performance of any of the other covenants, conditions, agreements and provisions contained in the Borrower Subordinate Promissory Note or this Loan Agreement, and such default shall continue for thirty (30) days after notice thereof has been furnished to the Borrower from the Lender; provided, however, that if such default cannot be cured within 30 days, it shall not constitute a default hereunder if the Borrower provides to the Lender a proposed method and schedule of curing such default,

initiates action to cure such default within such 30 days, diligently pursues such action until such default is cured and provides the Lender with progress reports relating thereto at such intervals as may be reasonably requested by the Lender; or

(c) If an "Event of Default" or default shall occur and is continuing after the expiration of any applicable grace period under any other Subordinate Loan Documents; or

(d) If the Borrower shall (i) apply for or consent to the appointment of a receiver, trustee or liquidator for it or for any of its property, (ii) admit in writing its inability to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) be adjudicated a bankrupt or insolvent, or (v) file a voluntary petition in bankruptcy, or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation law or statute, or an answer admitting the material allegations of a petition filed against it in any proceeding under such law; or

(e) If there is filed against the Borrower any involuntary petition seeking liquidation or reorganization of the Borrower or appointing a receiver, trustee or liquidator of the Borrower or of all or a substantial part of the assets thereof, and such petition shall not be dismissed or vacated within ninety (90) days thereafter; or

(f) Any statement, representation, warranty or certification made by the Borrower under any of the Subordinate Loan Documents shall be incorrect or misleading in any material respect when made.

(g) Notwithstanding anything to the contrary contained in the Subordinate Loan Documents, Lender hereby acknowledges and agrees that the Administrative Limited Partner (defined below) has the right to cure any and all Defaults; (ii) prior to Lender exercising any remedies under the Subordinate Loan Documents, the Administrative Limited Partner will be provided notice of any and all Defaults and an opportunity to cure any such Defaults within thirty (30) days of receiving such notice from Lender; and (iii) Lender will accept any such cure made by the Administrative Limited Partner of a Default as if such cure was made by Borrower on its own behalf.

Notwithstanding anything in this Loan Agreement to the contrary, the Lender agrees that any cure made or tendered by one or more of the Borrower's limited partners shall be deemed a cure by the Borrower, and treated as if tendered by the Borrower.

Section 8.02 Remedies on Default. Whenever any Event of Default shall have happened and be subsisting, any one or more of the following steps may be taken:

(a) After ten (10) days written notice to the Borrower of the proposed action and provided that the Event of Default has not been duly cured, the Lender may declare the unpaid principal of and interest on the Borrower Subordinate Promissory Note and the Note, and all or any amounts of Loan Repayments thereafter to become due and payable under Section 5.01 hereof for the remainder of the term of this Loan Agreement to be immediately due and payable, whereupon the same shall become immediately due and payable, together with any additional payments due under Sections 5.02, 5.05, 8.04, 8.05 or otherwise under this Loan Agreement.

(b) The Lender may take whatever action at law or in equity that appears necessary or desirable to enforce this Loan Agreement or any of the other Subordinate Loan Documents in accordance with the provisions hereof or thereof.

Any amounts collected by the Lender or any other Holder pursuant to action taken under the foregoing paragraphs (other than such amounts that are payable to the Issuer) shall be applied first to advances and expenses of the Lender or other Holder, then to payment of the Note (interest first, and then principal), and any excess to the Borrower.

Whenever any Default shall occur, the Lender or any other Holder (or the Issuer with respect to Sections 5.02, 7.01, 8.04 or 9.09 hereof) may take whatever action at law or in equity, including all of the remedies available under the Uniform Commercial Code, which may appear necessary or desirable to collect any payments then due and thereafter to become due hereunder or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement.

Section 8.03 Remedies Cumulative, Delay Not to Constitute Waiver. No remedy conferred upon or reserved to the Issuer, the Lender, any other Holder or a receiver by this Loan Agreement or by the other Subordinate Loan Documents is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or the other Subordinate Loan Documents or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power, and any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer, the Lender, any other Holder or a receiver to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event any agreement contained in this Loan Agreement or the other Subordinate Loan Documents should be breached by any party and thereafter waived by the other parties, such waiver shall be limited to a particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.04 Agreement to Pay Attorneys' Fees and Expenses. In the event the Borrower should default under any of the provisions of this Loan Agreement or other Subordinate Loan Documents, and the Issuer or the Lender should employ attorneys or incur other expenses for the collection of payments due or to become due hereunder or thereunder or the enforcement of performance or observance or any obligation or agreement on the part of the Borrower contained herein or therein, the Borrower agrees that it will on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred by each of the Issuer and the Lender. The Borrower also agrees to pay all costs of the Lender to appear in and defend any action or proceeding purporting to affect the rights or powers of the Lender under this Loan Agreement or the other Subordinate Loan Documents, including the cost of reasonable attorney's fees.

Section 8.05 Advances. In the event the Borrower shall fail to pay any Loan Repayments under Section 5.01 hereof, or to do any other thing or make any other payment required to be done or made by any other provision of this Loan Agreement or the other Subordinate Loan Documents, the Lender or any other Holder, in its own discretion, may do or

cause to be done any such thing or make or cause to be made any such payment at the expense or as an advance for the account of the Borrower, and the Borrower shall pay to the Lender or any other Holder, as the case may be, upon demand, all necessary costs and expenses so incurred and advances so made, with interest at the lesser of (i) 4.00% per annum above the then current interest rate on the Note or (ii) the maximum rate permitted by law. Any such advance shall be entitled to priority of payment from any funds thereafter received from the Borrower.

Section 9.02 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, subject to the limitation that any obligation of the Issuer created by or arising out of this Loan Agreement shall not be a general debt of the Issuer but shall be payable solely out of the proceeds derived from this Loan Agreement or the other Subordinate Loan Documents.

Section 9.03 Counterparts. This Loan Agreement may be signed in any number of counterparts. Complete sets of counterparts shall be lodged with the Issuer, the Borrower and the Lender.

Section 9.04 Benefit of Holder. Except as otherwise provided herein, all covenants and agreements on the part of the Borrower and the Issuer herein are hereby declared to be for the benefit of the Lender or any Holder of the Note. Persons other than the parties hereto and such other Holders are not intended to be beneficiaries of any of the covenants and agreements set forth in this Loan Agreement.

Section 9.05 Due Dates. Should any payment on the Note become due and payable upon a day that is not a business day, such payment shall be made on the next succeeding business day.

Section 9.06 Captions. The captions or headings in this Loan Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provision of this Loan Agreement.

Section 9.07 Term of Agreement. Except as otherwise provided herein, the provisions of this Loan Agreement shall remain in full force and effect from the date of execution hereof until such time as the Borrower Subordinate Promissory Note and the Note are not outstanding.

Section 9.08 Severability. Any provision of this Loan Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.09 Limitation of Issuer's Liability. It is understood and agreed by the Borrower and the Lender that no covenant, provision or agreement contained in this Loan Agreement or the Note, or any obligation herein or therein imposed upon the Issuer or the breach thereof, shall give rise to a pecuniary liability of the Issuer or a charge against its general credit; the Note constitutes a special obligation of the Issuer, payable solely from the revenues pledged to the payment thereof pursuant to this Loan Agreement, and does not now and shall never constitute an indebtedness or a loan of the credit of the Issuer, the State or any political subdivision thereof or a charge against the general credit or taxing powers thereof within the meaning of any constitutional or statutory provision whatsoever. The Issuer has no taxing power. It is further understood and agreed by the Borrower and the Lender that the Issuer has no obligation to use due diligence regarding the financial or legal status, or any representations, of the Borrower or the Lender. It is further understood and agreed by the Borrower and the Lender that the Issuer shall not incur any pecuniary liability hereunder and shall not be liable for any expenses related hereto, all of which the Borrower agrees to pay. Notwithstanding the provisions of the immediately preceding sentence, if the Issuer incurs any expense, or suffers any losses, claims or damages or incurs any liabilities relating to this Loan Agreement, including without limitation, expenses of an audit by the Internal Revenue Service, the Borrower will indemnify and hold harmless the Issuer from the same and will reimburse the Issuer for any legal or other expenses incurred by the Issuer in relation thereto, and this covenant to indemnify, hold harmless and reimburse the Issuer shall survive delivery of and payment for the Note. Notwithstanding anything in this Agreement or this Section 9.09 to the contrary, all references to the Issuer in this Section 9.09 pertaining to the indemnification thereof shall also be deemed to refer to the Indemnified Parties.

Section 9.10 Limited Recourse. Notwithstanding any provision or obligation to the contrary set forth in this Loan Agreement, (1) the liability of the Borrower and any partner, trustee, director, officer, employee, or agent thereof (collectively, "Borrower Parties") under this Loan Agreement or the Subordinate Mortgage shall be limited to the property subject to the Subordinate Mortgage or to such other security as may from time to time be given or have been

given for payment of the Borrower's obligations under this Loan Agreement and Note, and any judgment rendered against the Borrower Parties under this Loan Agreement or the Subordinate Mortgage, the Borrower Subordinate Promissory Note and the Note shall be limited to the property subject to the Subordinate Mortgage and any other security so given for satisfaction thereof; and (2) no deficiency or other personal judgment nor any order or decree of specific performance shall be sought or rendered against the Borrower Parties, their successors, transferees or assigns, in any action or proceeding arising out of the Subordinate Mortgage, this Loan Agreement, the Borrower Subordinate Promissory Note, the Note, or any judgment, order or decree rendered pursuant to any such action or proceeding; provided, however, that nothing in this Loan Agreement, the Subordinate Mortgage, the Borrower Subordinate Promissory Note or the Note shall limit the Issuer's or Lender's ability to exercise any right or remedy that it may have with respect to any property pledged or granted to the Issuer or the Lender, or both of them, or to exercise any right against the Borrower Parties or any other person or entity on account of any damage caused by fraud or intentional misrepresentation by the Borrower or any intentional damage of the property subject to the Subordinate Mortgage. Furthermore, the Borrower shall be fully liable for the misapplication of (1) proceeds paid prior to any foreclosure under any and all insurance policies, under which the Lender and/or the Issuer is named as insured, by reason of damage, loss or destruction to any portion of the property subject to the Subordinate Mortgage, to the full extent of such misapplied proceeds and awards, (2) proceeds or awards resulting from the condemnation, or other taking in lieu of condemnation, prior to any foreclosure of the property subject to the Subordinate Mortgage, to the full extent of such misapplied proceeds and awards, (3) rents, issues, profits and revenues received or applicable to a period subsequent to the occurrence of a default under this Loan Agreement, the Subordinate Mortgage and the Note but prior to foreclosure, and (4) proceeds from the sale of all or any part of the property subject to the Subordinate Mortgage and any other proceeds that, under the terms hereof, should have been paid to the Issuer or the Lender. Furthermore, the Borrower shall be fully liable for the breach of the Borrower's covenants contained in Sections 5.02, 7.01, 8.04 and 9.09 of this Loan Agreement; provided, however in no event shall the Borrower or any Borrower Parties be personally liable for payment of the principal of, premium, if any, or interest on the Borrower Subordinate Promissory Note or the Note. The limit on the Borrower's liability set forth in this paragraph shall not, however, be construed, and is not intended in any way, to constitute a release, in whole or in part, of the Borrower's obligations under this Loan Agreement or a release, in whole or in part, or an impairment of the lien and security interest of the Subordinate Mortgage, this Loan Agreement, the Borrower Subordinate Promissory Note and the Note upon the properties described therein, or to preclude the Issuer or the Lender from foreclosing the Subordinate Mortgage in case of any default or enforcing any other right of the Issuer or the Lender, or to alter, limit or affect the liability of any person or party who may now or hereafter or prior hereto guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under the Subordinate Mortgage, this Loan Agreement, the Borrower Subordinate Promissory Note and the Note.

Section 9.11 Audit Expenses. The Borrower agrees to pay any costs incurred by the Issuer as a result of the Issuer's compliance with an audit, random or otherwise, by the Internal Revenue Service, the Florida Department of Revenue or any other governmental agency with respect to the Senior Loan Note, the Note, or the Project.

Section 9.12 General Partner Agreement. By his signature hereon, the [executive vice president] of the general partner agrees that the general partner of the Borrower accepts all duties and obligations specified of the general partner of the Borrower hereunder.

Section 9.13 Transfer of Ownership Interest in Borrower. Notwithstanding anything to the contrary in the Subordinate Loan Documents, Lender hereby acknowledges that at any time, without the consent of Lender, ownership interests in, and the partnership interest in Borrower owned by each of the following are freely transferable (which shall include the rights to encumber, pledge, convey, transfer or assign any or all legal or beneficial interest whatsoever): Alliant ALP 2019, LLC ("Administrative Limited Partner") and Alliant Credit Facility, Ltd. Notwithstanding anything to the contrary in the Loan Documents, Lender hereby acknowledges any and all rights of the Administrative Limited Partner at any time, without the consent of Lender, to remove any general partner of the Borrower and substitute an affiliate of the Administrative Limited Partner as a new general partner of the Borrower.

(REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.)

IN WITNESS WHEREOF, the Issuer and the Borrower have caused this Loan Agreement to be executed by their duly authorized officers.

**Housing Finance Authority of Broward County, Florida
Subordinate Multifamily Mortgage Revenue Note, 2019 Series A-2
(Regency Gardens Apartments)**

Dated: June ____, 2019

No. R-1

\$_____

The Housing Finance Authority of Broward County, Florida (the "Issuer"), a public body corporate and politic created and existing under and by virtue of the laws of the State of Florida (the "State"), for value received, hereby promises to pay, but solely from the sources and in the manner hereinafter provided, to Regency Garden Apartments, Ltd., a Florida limited partnership (the "Lender"), or registered assigns, the maximum principal sum of _____ and 00/100 Dollars (\$_____00), and to pay to the registered owner hereof from such sources interest on the outstanding and unpaid balance of this Note (the "Principal Balance") from the date hereof until such principal sum is paid, at the rate of ____%, compounded annually. Interest shall compound as of December 31 of each calendar year, commencing on December 31, 2019. All payments shall be applied first to accrued but unpaid interest on the unpaid Principal Balance and next to the Principal Balance.

1. This Note was issued by the Issuer for the purpose of providing purchase money financing for Pompano Beach Leased Housing Associates II, LLLP, a Minnesota limited liability limited partnership (the "Borrower"), in connection with the acquisition and rehabilitation of an existing 94-unit multifamily rental housing facility located at 1525 Northwest 17th Avenue, Pompano Beach, Broward County, Florida (the "Project"). The Borrower is obligated to repay all amounts due under this Note pursuant to a Subordinate Loan Agreement of even date herewith (the "Loan Agreement").

2. This Note shall be repaid from Available Cash Flow, as hereafter defined (except for the payment on the Maturity Date under clause (c) which shall be made regardless of the availability of Available Cash Flow), in installments of principal of and interest as follows:

(a) on or before June 1 of each year beginning June 1, 2020 (each an "Interest Payment Date"), first, all or a portion of the Available Cash Flow up to one half (1/2) of the amount equal to any and all accrued but unpaid interest due on the Note through and including December 31 of the prior calendar year (including any and all accrued but unpaid interest due on all previously accrued but unpaid interest), such amount to be applied to the payment of all such accrued but unpaid interest;

(b) on each Interest Payment Date, second, an amount equal to the balance of the Available Cash Flow after making the payment required by (a) above, such balance to be applied to the prepayment of principal of this Note on such Interest Payment Date; and

(c) on December 1, 2054 or upon an earlier acceleration of the payment, in full, of the then-outstanding Principal Balance of this Note plus the accrued but unpaid interest thereon pursuant to the terms of this Note, the Subordinate Loan Agreement, or any other document relating to the loan that this Note represents (the "Maturity Date"), the amount that is necessary to pay the then-outstanding Principal Balance of this Note plus any and all accrued but unpaid interest thereon on such date (including any and all accrued but unpaid interest due on all previously accrued but unpaid interest).

To the extent Available Cash Flow is not sufficient to pay all interest owing under Section 2(a) above, the interest not paid shall compound on the Interest Payment Date. All payments due hereunder shall be made solely from Available Cash Flow (except for the payment due on the Maturity Date) for the calendar year that precedes the applicable Interest Payment Date (e.g., the payment of Available Cash Flow to be made on June 1, 2020 will be based on Available Cash Flow, if any, for 2019). Except for the payment due on the Maturity Date, the obligation to make payments is subject to the availability of Available Cash Flow, and it shall not be an event of default under this Note or the Subordinate Loan Agreement to the extent that failure to make a payment is due to lack of Available Cash Flow. Subject to the preceding sentence, in the event the Issuer shall fail to make any payment as required by this Note, the payment not made shall continue as an obligation until the amount not paid shall have been fully paid, and the Issuer agrees to pay the same with interest thereon at the rate that is set forth in the following sentence for the period from and including the date that the payment was due to but excluding the date that the Lender receives the payment. To the extent permitted by law, interest on any overdue payment required hereby shall be paid at the rate of interest per annum equal to the sum of (i) the rate of interest per annum then-payable on this Note plus (ii) four percentage points (4.0% points).

This Note shall also be payable from Sale or Refinancing Transaction Proceeds, if any.

3. For purposes of this Note, "Available Cash Flow" shall be as defined in the Subordinate Loan Agreement.

4. After the date of a Determination of Taxability (the "Taxable Date"), as defined in the Subordinate Loan Agreement, the Principal Balance of this Note, and all accrued but unpaid interest compounded as of or before the preceding June 1, will bear interest from the Taxable Date at a fixed rate equal to the greater of (i) _____% per annum, compounded annually, which is the highest 3-month rate (within the meaning of Section 1274(d)(2) of the Internal Revenue

Code of 1986, as amended) of the long-term, unadjusted (i.e., taxable) Applicable Federal Rate for purposes of Section 1274 of the Internal Revenue Code of 1986, as amended, with respect to June, 2019 and (ii) the highest 3-month rate (within the meaning of Section 1274(d)(2) of the Internal Revenue Code of 1986, as amended) of the long-term, unadjusted (i.e., taxable) Applicable Federal Rate for purposes of Section 1274 of the Internal Revenue Code of 1986, as amended, compounded annually, with respect to the calendar month in which the Taxable Date occurs provided, however, in no event shall principal due under this Note bear interest at a rate less than the rate set forth in the opening paragraph of this Note. Accrued but unpaid interest shall continue to compound as of December 31 of each calendar year after the Taxable Date.

5. Principal and interest shall be paid to the registered owner hereof in lawful money of the United States as provided in the Subordinate Loan Agreement, at its registered address.

6. This Note is a special limited obligation of the Issuer issued pursuant to the Act and pursuant to the Authorizing Resolution of the Issuer adopted on May 8, 2019. This Note shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property of the Issuer (except for the interests of the Issuer in the Subordinate Loan Agreement, which, with certain exceptions, are assigned to the Lender; no owner of this Note shall ever have the right to compel the exercise of the taxing power of the State of Florida or any political subdivision or other public body of the State of Florida to pay this Note or the interest hereon, nor to enforce payment hereof against any property of the Issuer (except for the interests of the Issuer in the Subordinate Loan Agreement assigned to the Lender); and this Note does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation. The Issuer has no taxing power.

7. This Note is payable solely from the Loan Repayments (as defined in the Subordinate Loan Agreement) payable by the Borrower under the Subordinate Loan Agreement, pursuant to which the Borrower has agreed to make payments sufficient to provide for the payment of the Principal Balance hereof and all interest thereon, which payments are pledged to the payment hereof.

8. Pursuant to an Assignment of Subordinate Mortgage and Loan Documents, of even date herewith (the "Assignment"), the Issuer has assigned its interests in the Subordinate Loan Agreement (except its rights to indemnity, limitation of liability, payment of the Issuer Fee and repayment of expenses and advances under Sections 5.02, 7.01, 8.04, 9.09 and 9.11 thereof) to the Lender. This Note is secured by the Subordinate Loan Agreement, the Assignment and the Subordinate Mortgage described in the Subordinate Loan Agreement. Reference is hereby made to such documents and resolution for a description and limitation of the revenues and funds pledged and appropriated to the payment of this Note, the nature and extent of the security thereby created, the rights of the registered owner of this Note, and the rights, immunities and obligations of the Issuer hereunder and thereunder.

9. This Note may be prepaid, in whole or in part, at any time, without premium. Any partial prepayment shall be applied first to any and all accrued but unpaid interest and then to the then-outstanding Principal Balance.

10. Notice of any such prepayment shall be given by the Borrower to the registered owner of this Note by first class mail, addressed to it at its registered address, as set forth in the registration records maintained by the Issuer, not less than thirty (30) days prior to the date fixed for prepayment. At the date fixed for prepayment, funds shall be paid, upon the presentation and surrender hereof, to the registered owner hereof, sufficient to pay this Note, or the principal amount hereof to be prepaid and all accrued but unpaid interest hereon. Upon the happening of the above conditions, the principal portion of this Note thus called and prepaid shall not bear interest after the date specified for prepayment.

11. Subject to the legend on the face of this Note and the transfer restrictions set forth in the Subordinate Loan Agreement, this Note is transferable pursuant to entries duly made in the registration records maintained by the Issuer, by the registered owner hereof in person or by his duly authorized attorney.

12. In case an Event of Default, as defined in the Subordinate Loan Agreement, occurs and is continuing after the expiration of any cure period, this Note and the Loan Repayments thereafter to become due under the Subordinate Loan Agreement may become immediately due and payable, in the manner and with the effect and subject to the conditions provided in the Subordinate Loan Agreement. The registered owner of this Note shall have the right to enforce the provisions of the Authorizing Resolution, the Subordinate Loan Agreement, the Assignment, and the Subordinate Mortgage, but only following the surrender of this Note to the Issuer for cancellation as paid in full.

13. The right of the holder of this Note to payment of any of the indebtedness evidenced hereby is and will at all times be subordinate to the right of the Issuer, its successors and assigns, under the Senior Loan Note, as defined in the Subordinate Loan Agreement, to payment in full of the indebtedness evidenced by the Senior Loan Note. This subordination is pursuant to, and in accordance with, the Subordination Agreement dated June 1, 2019 among the Borrower, Citibank, N.A. and the initial holder of this Note, its successors and assigns.

14. To the extent allowed by law, the Issuer hereby waives presentment, demand for payment, and notice of dishonor. The terms and provisions of the Authorizing Resolution, the Subordinate Loan Agreement, the Assignment, and the Subordinate Mortgage, or of any instrument supplemental to any of them, may be modified or altered pursuant to the terms of the Subordinate Loan Agreement.

15. The principal amount stated above shall be paid in lawful currency of the United States and in immediately available funds at such times and in such amounts as principal on the Issuer Subordinate Note is payable, on or before December 1, 2054 (the "Maturity Date"). Interest hereon shall be paid in lawful currency of the United States and in immediately available funds.

This Note has been executed and delivered by the Borrower to the Issuer pursuant to the Subordinate Loan Agreement, dated as of June 1, 2019, between the Issuer and the Borrower (the "Subordinate Loan Agreement"), pursuant to which the Issuer has made a loan in the principal amount of this Note to the Borrower (the "Subordinate Loan"), which Subordinate Loan Agreement and Note have been assigned to Regency Gardens Apartments, Ltd., as the initial holder of the Issuer Subordinate Note pursuant to that certain Assignment of Subordinate Mortgage and Loan Documents dated as of June __, 2019. This Note is entitled to the benefits of the Subordinate Loan Agreement and is subject to the terms, conditions and provisions thereof. The Subordinate Loan was funded with proceeds from the Issuer Subordinate Note. Terms used but not defined herein shall have the meanings ascribed to such terms in the Subordinate Loan Agreement.

Under the Subordinate Loan Agreement, the Borrower has agreed to repay the Subordinate Loan by making payments ("Loan Payments") at the times and in the amounts set forth in this Note and in the Subordinate Loan Agreement for application to the payment of principal of and interest on the Issuer Subordinate Note as and when due.

To provide funds to pay the principal of and interest on the Issuer Subordinate Note as and when due as specified therein, the Borrower hereby agrees to and shall make Loan Payments in lawful currency of the United States and in immediately available funds at the times and in an amount equal to the principal of and interest on the Issuer Subordinate Note, when due, by acceleration or otherwise, as adjusted in accordance therewith.

If payment or provision for payment in accordance with the Subordinate Loan Agreement is made in respect of the principal of and interest on this Note from moneys other than Loan Payments, this Note shall be deemed paid to the extent such payments or provision for payment of the Issuer Subordinate Note has been made. All Loan Payments constituting principal hereof and interest hereon shall be made directly to the holder of the Issuer Subordinate Note, as assignee of the Issuer in accordance with the Subordinate Loan Agreement.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set off, recoupment or counterclaim which the Borrower may have or assert against the Issuer or any other person.

This Note is subject to prepayment by the Borrower on the same terms as the Issuer Subordinate Note, as stated therein and in the Subordinate Loan Agreement.

The payment obligations of this Note are non-recourse obligations of the Borrower. No member, partner, officer, director or employee of the Borrower shall have any personal liability for the repayment of the Subordinate Loan. **EXHIBIT A
TERM SHEET****CITI Loan Program
Freddie Mac Tax Exempt Loan Program****Regency Gardens Apartments****May 7, 2019 (Updated from April 18, 2019 and March 25, 2019)**

NOTE: This Term Sheet constitutes a brief summary of certain, but not all transaction terms and conditions for discussion purposes only. The summary that follows is subject to credit approval and does not constitute an offer or commitment.

In connection with this Term Sheet, CITI will be acting solely as a principal and not as your agent, advisor or fiduciary. CITI has not assumed a fiduciary responsibility with respect to this Term Sheet, and nothing in this transaction or in any prior relationship between you and CITI will be deemed to create an advisory, fiduciary or agency relationship between us in respect of this Term Sheet. You should consider carefully whether you would like to engage an independent advisor to represent or otherwise advise you in connection with this Term Sheet, if you have not already done so.

The Borrower understands that CITI intends to sell the permanent loan for which Borrower is applying (the “Loan”), if it is made, to Freddie Mac. If Freddie Mac purchases the Loan, the Borrower's signature on a Preliminary Application to CITI dated March 25, 2019, will constitute the Borrower's authorization for Freddie Mac to use and disclose publicly, at Freddie Mac's discretion, the name of the Property, photographs of the Property, and basic property information (for example, the number of units in the Property, the loan amount, etc.) securing the Loan.

This Term Sheet is an integral part of, and establishes terms, conditions and requirements of, the Preliminary Application dated March 25, 2019 to which it is annexed.

PRELIMINARY LOAN TERMS**Transaction
Summary:**

CITIBANK, N.A. (“CITI”) proposes to arrange a tax exempt moderate rehab/permanent loan to the Broward County Housing Finance Authority (the “Governmental Lender”). The proceeds of the Loan to Governmental Lender shall fund a moderate rehabilitation/permanent mortgage loan (the “Tax-exempt Loan”) by Governmental Lender to the Borrower for the Property described below. Upon satisfaction of all conditions and requirements including credit approval, the loan will be purchased by Freddie Mac under the Freddie Mac Tax Exempt Loan Purchase Program - Moderate Rehabilitation Execution (the “Program”). The transaction will be documented in accordance with Freddie Mac's Tax Exempt Loan Program.

Since the Property is stabilized and since the Borrower's rehabilitation plan (“Rehab”) contemplates no tenant displacement and therefore no loss of rental income, it is CITI's intent, subject to Freddie Mac approval, to underwrite the Loan as an immediate funding.

During the Rehab period, which is projected to be no more than 18 months, CITI will process and monitor Rehab draws in compliance with CITI and Freddie Mac requirements.

Property:

The acquisition and rehabilitation of an existing multifamily project containing 94 units located in Pompano Beach, FL. The property is commonly referred to as “Regency Gardens Apartments” (the “Property”).

- Set-Asides:** 84% of the units are reserved for individuals or families whose income is no greater than 60% of Area Median Income (“AMI”). 16% of the units are reserved for individuals or families whose income is no greater than 25% of AMI.
- Applicant:** Dominionium.
- Borrower:** Pompano Beach Leased Housing Associates II, LLLP. Borrower entity, its constituent entities and its operating agreement must be acceptable to CITI and Freddie Mac in all respects.
- LIHTC Investor/
Syndicator:** Alliant, the Low Income Housing Tax Credit (“LIHTC”) Investor / Syndicator, the upper tier investor(s) and the terms and conditions of the partnership agreement must be acceptable to CITI and Freddie Mac in all respects including, particularly, the timing and conditions to funding capital contributions.
- Guarantor(s):** Dominionium Holdings I, LLC and Dominionium Holdings II, LLC. The Guarantor(s)’ financial condition(s) must be acceptable to CITI and Freddie Mac in all respects.
- Subordinate Debt:** The sources of subordinate debt and the subordinate loan documents must be acceptable to CITI and Freddie Mac in all respects. All subordinate debt must fund prior to Loan funding unless CITI approves other arrangements. Subordinate Debt will be subject to CITI’s and Freddie Mac’s Subordination Agreement, which in addition to other provisions, requires that Subordinate Debt only be paid from 75% of available cash flow. CITI understands that there will be a third-party equity bridge loan in an amount of approximately \$3.1 million
- Loan Security:** First lien on land and any improvements, UCC filings for fixtures; assignment of all leases and rents; and, a first priority collateral assignment of all contracts, management agreements, and other agreements and all permits relating to the Property. Ground leases, if applicable, must be subordinate to CITI’s and Freddie Mac’s lien positions unless the fee is owned by a government agency to ensure long-term affordability. All income and rent restrictions will be subordinate to the CITI and Freddie security instruments.
- Rehab Period
Guarantees:** During the Rehab Period, the Guarantors will provide a 100% Completion Guaranty and will sign an Environmental Indemnity.
- Guarantees,
Permanent Phase:** After Rehab has been completed on a lien free basis acceptable to CITI and Freddie Mac, the Loan will be non-recourse with the exception of Freddie Mac standard carve outs (“Carve Outs”). Carve Outs include guarantees against fraud, misrepresentation, bankruptcy and environmental issues. Carve Outs to be guaranteed by Dominionium Holdings II, LLC only.
- Environmental
Indemnity:** Borrower and Guarantor(s) will be liable for CITI’s and Freddie’s standard environmental indemnities. Dominionium Holdings II, LLC will provide the Environmental Indemnity during the Permanent Phase.
- Closing:** Closing is subject to full satisfaction of CITI’s and Freddie Mac’s standard due diligence, underwriting and credit approval processes, and the execution and delivery of all

required loan documents, delivery of opinions, payment of fees and other customary requirements.

Closing Date (est.): June 2019

Loan Amount: An amount currently estimated to be \$7,700,000.

The final Loan Amount at closing will be based on “AS-IS” income and expenses and actual 2019 maximum LIHTC rents. The final Loan Amount at closing shall not exceed \$9,000,000.

Term/Amortization: The Term will be 16 years. The amortization period will be 35 years.

Interest Only Period: 12 months

Day Count Basis: Act/360.

**Prepayment and
Yield Maintenance
Period:**

There will be a 10 year Lockout, followed by Yield Maintenance until six months prior to maturity. The Loan is pre-payable with a 1% penalty starting six months before maturity. The Loan is open to pre-payment at par during the last 90 days of the Term.

Rehab Period: Up to 18 months.

**Permanent Phase
Interest Rate:**

Fixed rate equal to 5.00%. The rate includes servicing fees but does not include Governmental Lender, Fiscal Agent, or miscellaneous third party fees. Pricing is based on current market conditions and is subject to change. Freddie Mac has set a US Treasury Floor equal to 2.36%; 0.25% below the US Treasury Rate on the Freddie Mac Quote Date.

**Minimum
Debt Service Coverage:** 1.15 to 1.00.

**Maximum
Loan-to-Value:** 90%.

Interest Reserve: The Interest Reserve must be appropriately sized and acceptable to CITI in all respects. CITI acknowledges that the Property is cash flowing and as such it is anticipated that there will be sufficient cash flow to service debt during the Rehab Period without having to create an up-front Interest Reserve.

**Budget and
Contingencies:**

The budget for the Rehabilitation Period, including all budget line items, is subject to CITI approval. The budget shall include a hard cost contingency of no less than 5% of budgeted hard costs for new construction projects and no less than 10% of budgeted hard costs for rehabilitation projects. The budget shall include a soft cost contingency of no less than 5% of budgeted soft costs, excluding 1) soft costs incurred prior to or in connection with closing; 2) interest reserve and bank fees; 3) capitalized operating reserve deposits and other costs that may be due in connection with Conversion for which specific sources are identified; and 4) developer fees.

General Contractor: The general contractor and the construction contract must be acceptable to CITI and Freddie Mac.

- Availability:** The loan shall remain “in balance” during the Rehab Period. “In balance” means the incremental funds available from LIHTC proceeds, plus loan proceeds (including Subordinate Debt) and Borrower’s equity (if required) are sufficient to complete the Rehab and achieve stabilized operations.
- Retainage:** Construction contract will provide for a minimum retainage of 10% of each construction pay application until “substantial completion” (as defined in the Loan documents), unless other arrangements have been approved by CITI. Subject to CITI risk review, retainage percentage amounts can be revised, but only down to a minimum of 10% until 50% completion and then 0% retention withheld thereafter. No release of retainage is permitted for achieving 50% completion. All retained amounts will be released upon final, lien-free completion of construction, as approved by CITI.
- Rehabilitation Escrow:** At Closing, establishment of a Rehabilitation Escrow with the Fiscal Agent will be required; the terms of which shall be approved by Freddie Mac in its sole discretion.
- Repair Escrow/
Immediate Physical
Needs:** To the extent that there are any Immediate Physical Needs/punch lists items remaining at the end of Rehab, CITI and Freddie Mac will require that the Borrower escrow 125% of the estimated cost to complete the work.
- Replacement Reserve:** Borrower will be required to fund a Replacement Reserve for each of the first ten years in a minimum amount of \$300/unit/year for new construction projects or, for renovation projects, in an amount determined by a Physical Needs Assessment acceptable to CITI and Freddie Mac, but in a minimum amount of \$300/unit/year. For each successive ten year period thereafter until Permanent Loan maturity, the Replacement Reserve level will be determined by a new Physical Needs Assessment acceptable to CITI and Freddie Mac.
- Operating Deficit
Reserve:** As required by the LIHTC investor, CITI and Freddie Mac. It is anticipated that the Operating Deficit Reserve (“ODR”) is equal to three (3) months of debt service and three (3) months of operating expenses. The ODR will be held by CITI.
- Taxes and Insurance:** Beginning at Closing, Real estate taxes and insurance premiums must be escrowed with the Loan servicer (the “Servicer”) on a monthly prorated basis in an amount sufficient to enable the Servicer to pay (at least 30 days before due) all taxes, assessments, insurance premiums or other similar charges affecting the Property.
- Assumability:** Subject to CITI’s / Freddie Mac’s prior written approval and payment of an Assumption Fee of 1.00% of the unpaid principal balance of the Loan. Each request for approval must be accompanied by a \$15,000 non-refundable Review Fee. Notwithstanding the foregoing, no consent or assumption fee will be required in connection with the sale of tax credits (provided, however, Borrower shall provide the Review Fee).
- Loan Sale:** CITI reserves the right to sell the Loan in whole or in part.

Any developer fee shall be pre-approved by CITI and Freddie Mac in their sole discretion.
