Dear Mayor Bogen:

As the Chair of the Continuum Of Care (CoC) and pursuant to the Broward County Advisory Board Policies as revised in April 2010, I would like to recommend the Broward County Board of County Commissioners' approval of the CoC's funding reallocation recommendations for the Human Services Department, Community Partnerships Division, Homeless Initiative Partnership Section contracts for Fiscal Year 2019. The CoC supports the attached recommendations.

The funding reallocations will help address critical needs in our community for individuals experiencing homelessness. Because the action can be accomplished through the reallocation of existing dollars, it does not require additional County funds. Approving this action will ensure the most effective and efficient use of currently budgeted resources to serve the greatest number of individuals experiencing homelessness by providers that have a proven record of accomplishments.

The CoC strongly supports these recommendations and hopes that they meet with the Commission's approval.

Please know that the CoC recognizes all that the Broward County Commission does to improve quality of life for individuals experiencing homelessness. We greatly appreciate the Commission's steadfast support for services that adhere to high standards and lead to positive outcomes for individuals experiencing homelessness.
