Dear Mr. Allen

Our vessel the "Bahamas Celebration" is currently mooring in your Port three times a week and has a capacity of over 1300 passengers as well as cargo decks which we hope to put into operation soon. Although this is a separate company, the main principals, senior staff and much of the people involved with Celebration Cruise Line have a long and solid history with your Port for over a decade. We have passed hundreds of thousands of passengers each year safely through Port Everglades on the vessels Regal Empress and Ocean Breeze, while always meeting our commitment to the Port and passengers.

I would like to start official negotiations with you in hopes of securing a term agreement. I will be representing Celebration Cruise Line Management, LLC in these negotiations as well as Mr. James Verrillo, Mr. Daniel Lambert and Mr. Edward Levitan.

I look forward to working with you to bring this matter to a mutually satisfying and equitable conclusion.

Sincerely,
