***Re: New Trade Name for AlliedBarton Security Services LLC (“AlliedBarton”) –  
Request for Assignment***

Dear Ms. Belleme;

Pursuant to your request, AlliedBarton wishes to confirm for Port Everglades that its parent has merged with a parent of Universal Services of America in the third quarter of 2016. Universal Services of America has a security division, comprised of two entities, Universal Protection Service, LLC and Universal Protection Service, LP. The combined organization that will result from the merger will be branded “Allied Universal”, although the corporate names of the operating subsidiaries of the combined organization, including AlliedBarton, will not immediately change. In addition, as of the effective date of such merger, the corporate existence of the AlliedBarton operating entities (e.g. AlliedBarton Security Services LLC) have remain unaffected.

AlliedBarton requests that the Port Everglades grant AlliedBarton the right to assign its existing contract with the Port Everglades to its affiliate entity. That entity is Universal Protection Service, LLC, d/b/a Allied Universal Security Services, EIN Number 56-0515447. This would include the agreements and their related amendments listed below:

December 22, 2016  
Port Everglades  
Re: New Trade Name for AlliedBarton and Request for Assignment

- Port Everglades Franchise Agreement commencing on January 1, 2015

AlliedBarton has already supplied the Executed Assignment Documents that were requested by Melissa Cuevas, Purchasing Agent of Broward County Florida for the January 17, 2015 Agreement with the County. We have included them in the attached email.

Additionally, please find as separate attachments the following documentation:

- Delaware Certificate of Good Standing for Universal Protection Service, LLC
- Florida State Assumed Name Certificate

Please advise if further documentation is needed to affect the assignment.

We are also putting together the remaining documentation that was discussed over the phone and should be able to provide shortly. As a reminder, until the assignment you will continue to be serviced and invoiced by AlliedBarton. You may receive emails from the new address @aus.com and be sent documents with the Allied Universal logo (shown above). Additionally, the officers' patches will be transitioned to the Allied Universal brand on or about October 27, 2016 – provided approval by the applicable security officer licensing authorities are secured.

Thank you for your consideration of the above.

Very truly yours,

**ALLIEDBARTON SECURITY SERVICES LLC**
