**DATE:** March 28, 2017

**TO:** Mike Franquiz, Skilled Trades Supervisor  
 Public Works Department – Solid Waste and Recycling Services

**THRU:** Sandy-Michael McDonald, Director   
 Office of Economic and Small Business Development

**FROM:** Christopher Atkinson, Assistant Director   
 Office of Economic and Small Business Development

**SUBJECT:** No CBE Goal for Landfill Compactor

The Solid Waste and Recycling Services Division is requesting the purchase of a new landfill compactor to spread and compact waste at the Broward County Landfill. The project manager indicated that this is a specialized piece of equipment used to spread and compact waste. The vendor must provide a factory warranty and must be a manufacturer, distributor and/or authorized dealer of this type of equipment. The project manager indicated this is a single equipment purchase that cannot be broken down and there are no sub-contracting opportunities for this project. Therefore, consistent with the Broward County Business Opportunity Act of 2012, Section 1-18.3(b) (2), no CBE goal is applicable to this project. In the event the vendor elects to use subcontractors, the County encourages the vendor to give full consideration to use CBE firms to perform work under the contract.

**This contract is not subject to the Broward County Workforce Investment Program.**

Eligibility for the CBE program is based on economic/size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes. The review for County Business Enterprise participation is based on our examination of the scope of work and cost estimate as submitted to the Office of Economic and Small Business Development by the using agency.

If you have any concerns regarding available subcontracting opportunities, please contact our office at (954) 357-7899.
