Broward County Board of County Commissioners
115 South Andrews Avenue
Ft. Lauderdale, FL 33301

Dear Mayor Furr:

As the new Chair for Broward Days, I want to first thank you and the Broward County Board of County Commissioners, BoCC, for your continued support of Broward Days throughout its existence. For nearly 25 years, Broward Days has been an independent, nonprofit, and nonpartisan group of people advocating for the diverse needs and concerns of the citizens of Broward County. The 2017-2018 will be a year of change as we bring in a new vision and excitement for the impact Broward Days can have not only in Tallahassee but back in the County.

The Broward Days Board of Directors is committed to the ongoing and dedicated work of identifying the most current and pressing needs of our communities and seeks to guide our topics, speakers, and focus on advocacy throughout the year for Broward; and, we believe that the BoCC is an important contributor to the vibrant fabric of Broward County.

Sponsors of Broward Days are positioned to play a strong leadership role by creating the opportunity for Broward Days participants to continue to educate Florida decision-makers in a way that affects positive change in our community.

I ask that you, the Board of County Commissioners, consider joining our mission by becoming a sponsor today! By making a financial commitment to Broward Days, the BoCC can increase its overall exposure with access to coveted networking and business development opportunities, along with the chance to become a catalyst for countywide-unity by supporting civic involvement in the legislative process. For this reason, I am requesting a moment to speak to the Commission during your December 5, 2017 meeting to provide details about Broward Days, to answer any questions you may have regarding sponsorship, and to officially invite you to join us for Broward Days in Tallahassee on February 7-8, 2018.

At Broward Days, we value the impact the County Commission has on our citizens and we look forward to working together to create an ongoing and forward moving partnership that will last for years to come. We hope you will join us as we embark on a fresh, innovative, and exciting Broward Days and help us take this organization down a new path.

Very truly yours,

Nikki Fried
Broward Days Chair
